GENERAL PART

SECTION 1. CRIMINAL LAW

Article 1. Criminal legislation of the Republic of Kazakhstan

1. Criminal legislation of the Republic of Kazakhstan consists of this Penal Code of the Republic of Kazakhstan. Other Laws, providing criminal responsibility shall subject to application only after their inclusion in this Code.

2. This Code is based on the Constitution of the Republic of Kazakhstan and generally recognized principles and norms of the international law. The Constitution of the Republic of Kazakhstan has supreme legal force and direct effect throughout the territory of the Republic. In case of contradictions between the norms of this Code and the Constitution of the Republic

of Kazakhstan, the provisions of the Constitution shall apply. The norms of this Code, recognized as unconstitutional, including those infringing on the rights and freedoms of a person and citizen enshrined in the Constitution of the Republic of Kazakhstan, shall lose their legal force and shall not be applied. Regulatory resolutions of the Constitutional Court and the Supreme Court of the Republic of Kazakhstan are an integral part of the penal legislation of the Republic of Kazakhstan.

3. International treaties ratified by the Republic of Kazakhstan shall have the priority before this Code. The procedure and conditions of action on the territory of the Republic of Kazakhstan of international treaties, of which the Republic of Kazakhstan is a party, shall be determined by the legislation of the Republic of Kazakhstan.

Footnote. Article 1 as amended by the Law of the Republic of Kazakhstan dated 27.12.2018 № 205-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 05.11.2022 № 157-VII (shall be enforced from 01.01.2023).

Article 2. Objectives of the Penal Code

1. Objectives of this Code shall be:

protection of rights, freedoms and legal interests of the person and of the citizen, property, rights and legal interests of organizations, public order and security, environment, constitutional order and territorial integrity of the Republic of Kazakhstan, protected by the Law of societal interests and state from socially-dangerous infringement, protection of peace and human security, as well as prevention of criminal infractions.

2. To attain these objectives this Code shall establish grounds of criminal responsibility, determine which of the actions, dangerous for the individual, society and the state shall be criminal offences, in other words criminal actions or criminal offences, provide for punishment and other measures of criminal and legal effect for their commission.

Article 3. Explanation of some concepts, contained in this Code

The concepts, contained in this Code, shall have the following meanings, if there are no special instructions in the Law:

Footnote. Article 3 as amended by the Laws of the Republic of Kazakhstan dated 07.11.2014 № 248-V (shall be enforced from 01.01.2015); dated 24.11.2015 № 419-V (shall be enforced from 01.01.2016); dated 24.11.2015 № 422-V (shall be enforced from 01.01.2016); dated 08.04.2016 № 489-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 26.07.2016 № 12-VI (shall be enforced upon expiry of two months after its first official publication); dated 03.07.2017 № 84-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 91-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 26.12.2017 № 124-VI (shall be enforced from 01.01.2018); dated 10.01.2018 № 132-VI (shall be enforced from 01.07.2018); dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 28.12.2018 № 211-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 249-VI as of 19.04.2019 (shall be enforced from 01.08.2019); № 262-VI as of 03.07.2019 (shall be enforced from 01.01.2020); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official

publication); № 290-VI as of 27.12.2019 (shall be enforced ten calendar days after its first official publication); № 292-VI as of December 27, 2019 (the enforcement procedure is in Art .2); dated 07.07.2020 № 361-VI (shall be enforced upon the expiration of ten calendar days after the day of its first official publication); dated 06.10.2020 № 365-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 30.12.2020 № 393-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 02.01.2021 № 401-VI (shall be enforced from 01.07.2021); dated 02.07.2021 № 62-VII (shall be enforced upon expiry of sixty calendar days after the day of its first official publication); dated 12.07.2022 № 139-VII (shall be enforced sixty calendar days after the date of its first official publication); dated 05.11.2022 № 157-VII (enforcement procedure, see art 3); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication); dated 03.01.2023 № 188-VII (shall be enforced sixty calendar days after the date of its first official publication); dated 14.03.2023 № 206-VII (shall be enforced ten calendar days after the date of its first official publication); dated 12.07.2023 № 23-VIII (effective sixty calendar days after the date of its first official publication); dated 23.12.2023 № 50-VIII (effective from 01.01.2025); dated 15.04.2024 № 72-VIII (shall be enforced upon expiry of sixty calendar days after its first official publication); dated 19.04.2024 № 74-VIII (shall be enforced upon expiry of sixty calendar days after its first official publication); dated 05.07.2024 № 111-VIII (effective sixty calendar days after the date of its first official publication); dated 05.07.2024 № 113-VIII (effective sixty calendar days after the date of its first official publication).

Article 4. Grounds of criminal responsibility

The only ground of criminal responsibility is commission of criminal infraction, in other words the action that contains all the signs of component element of the crimes or criminal offence, provided by this Code. No one may be subject twice to criminal responsibility for the same criminal infraction. The application of criminal Law is not permitted by analogy.

Article 5. An effect of criminal Law in time

Criminality and penalty of action shall be determined by the Law, effected during commission of this action. Time of commission of a criminal infraction shall be the time of implementation of socially dangerous action (omission) independent from the time of the consequences.

Article 6. Retroactive effect of the criminal Law

1. The Law, eliminating the crime or penalty of action, mitigating responsibility or punishment or otherwise improving the situation of person, committed a criminal infraction shall have a retroactive effect, in other words shall be applied to the persons, committed an

appropriate action before introduction this Law into effect, as well as to the persons, serving the sentence or served sentence, but have a conviction.

2. If a new criminal law mitigates the penalty of action, for which the person is serving a sentence, the imposed sentence shall be subject to reduction within the sanctions of newly issued criminal law.

3. The Law, establishing the crime or penalty of action, strengthening the responsibility or punishment, or otherwise aggravating the situation of person, committed this action, shall not have a retroactive effect.

Article 7. Effect of criminal Law in relation of persons, committed a criminal infraction in the territory of the Republic of Kazakhstan

1. A person, committed a criminal infraction in the territory of the Republic of Kazakhstan shall subject to responsibility under this Code.

2. A criminal infraction, committed in the territory of the Republic of Kazakhstan shall be recognized an action which was initiated or continued or was completed in the territory of the Republic of Kazakhstan. An effect of this Code shall be also applied to criminal infractions, committed on the continental shelf and in the exclusive economic zone of the Republic of Kazakhstan.

3. A person, committed a criminal infraction on vessel, assigned to the port of the Republic of Kazakhstan and located in open water or air space outside of the Republic of Kazakhstan shall be subject to the criminal responsibility under this Code, unless otherwise provided by international treaty of the Republic of Kazakhstan. Under this Code, a person committed a criminal infraction on warship or military aircraft of the Republic of Kazakhstan, independent from its location shall also bear a criminal responsibility.

4. The issue of criminal responsibility of diplomatic representatives of foreign states and other citizens who enjoy immunity, in the case of commission of criminal infraction by these persons in the territory of the Republic of Kazakhstan shall be resolved in accordance with regulations of international law.

Article 8. An effect of criminal Law in relation of persons, committed a criminal infraction outside the Republic of Kazakhstan

1. Citizens of the Republic of Kazakhstan, committed a criminal infraction outside the Republic of Kazakhstan shall subject to criminal responsibility under this Code, if an action, committed by them is recognized as criminally liable in the state, in the territory of which it was committed, and if these persons are not convicted in another state. Upon conviction of specified persons, a penalty may not exceed the maximum sanction, provided by the Law of the state in whose territory the criminal infraction was committed. On the same basis the foreigners and stateless persons being in the territory of the Republic of Kazakhstan shall bear

responsibility, in the cases where they cannot be extradited to a foreign state for criminal prosecution or service of sentence in accordance with international treaty of the Republic of Kazakhstan.

The provisions of this Code shall be applied regardless of the place of commission of the crime in respect of citizens of the Republic of Kazakhstan, stateless persons, permanently residing on the territory of the Republic of Kazakhstan, in cases of commission of a terroristic or extremist crime or crimes against the peace and security of mankind or for causing other grave harm to the vital interests of the Republic of Kazakhstan, unless otherwise established by an international treaty of the Republic of Kazakhstan.

2. Conviction and other penal consequence of commission of criminally punishable action by person, in the territory of other state shall not have a criminal legal meaning for resolution of the issue on criminal responsibility of this person for criminal infraction, committed in the territory of the Republic of Kazakhstan, unless otherwise provided by international treaty of the Republic of Kazakhstan or if criminally punishable action, committed in the territory of other state is not affected the national interests of the Republic of Kazakhstan.

3. Military servants of military units of the Republic of Kazakhstan, deployed outside shall bear a criminal responsibility under this Code for criminal infractions, committed in the territory of foreign state, unless otherwise provided by international treaty of the Republic of Kazakhstan.

4. Foreigners, as well as stateless persons who do not permanently reside in the territory of the Republic of Kazakhstan, who have committed a crime outside the Republic of Kazakhstan, are subject to criminal liability under this Code in cases where this act is directed against the interests of the Republic of Kazakhstan, the commission of a corruption crime or a crime in the field of economic activity and in cases provided for by an international treaty of the Republic of Kazakhstan, if they have not been convicted in another state and are being prosecuted in the territory of the Republic of Kazakhstan.

Footnote. Article 8 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 91-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 12.07.2023 № 23-VIII (effective sixty calendar days after the date of its first official publication).

Article 9. Extradition of persons, committed a criminal infraction

1. Citizens of the Republic of Kazakhstan, committed a criminal infraction in the territory of other state shall not subject to extradition, unless otherwise established by international treaty of the Republic of Kazakhstan.

2. Foreigners and stateless persons committed a crime outside the Republic of Kazakhstan and residing in the territory of the Republic of Kazakhstan may be extradited to a foreign state for criminal prosecution or service of sentence in accordance with international treaty of the Republic of Kazakhstan.

3. No one shall be extradited to a foreign State where there are serious grounds for believing that in this state he would be in danger of torture, violence or other cruel or degrading treatment or punishment, as well as in the case of a threat of the death penalty, unless otherwise provided by international treaties of the Republic

SECTION 2. CRIMINAL INFRACTIONS

Article 10. The concept of crime and criminal offence

1. A criminal infractions shall be divided into crimes and criminal offences depending on the level of social danger and penalty.

2. A culpably committed socially dangerous act (action or omission to act), prohibited by this Code under threat of punishment in the form of a fine, correctional labor, community service, restriction of liberty or imprisonment, shall be recognized as a crime.

3. An act (action or inaction), committed with guilt, not presenting a great social danger, caused insignificant damage or created a threat of harm to a person, organization, society or the state, for commission of which a penalty is provided in the form of a fine, corrective labors, community services, arrest, expulsion from the Republic of Kazakhstan of a foreigner or a stateless person, shall be recognized as a criminal offence.

4. Action or omission shall not be a criminal infraction, although formally containing the signs of any action, provided by the Special Part of this Code, but by virtue of insignificance not representing social danger.

Footnote. Article 10 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 11. Categories of crimes

1. The crimes shall be divided into crimes of little gravity, crimes of average gravity, grievous crime and especially grave crimes depending on the nature and level of social danger

2. Crimes of little gravity shall be recognized as intentional actions, for commission of which the maximum punishment, provided by this Code, not exceeds two years of imprisonment, as well as reckless actions, for commission of which this Code provides the maximum punishment, not exceeding five years of imprisonment.

3. Crimes of average gravity shall be recognized as intentional actions, for commission of which the maximum punishment, provided by this Code, not exceeds two years of imprisonment, as well as reckless actions, for commission of which is provided a punishment in the form of imprisonment for the term of over five years.

4. Grievous crimes shall be recognized as intentional actions, for commission of which this Code provides the maximum punishment, not exceeding twelve years of imprisonment.

5. Intentional acts, for the commission of which this Code provides for punishment in the form of imprisonment for a term of more than twelve years or life imprisonment, shall be recognized as especially grave crimes.

Footnote. Article 11 as amended by the Law of the Republic of Kazakhstan dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 12. Repeated criminal infractions

1. Repeated criminal infractions shall be recognized as commission of two or more actions, provided by the same Article or part of Article of Special part of this Code. A crime and criminal offence shall not form between them repeatedly.

2. Criminal infraction shall not be recognized as committed repeatedly, if for previously committed criminal infraction a person has been convicted or released from criminal responsibility on the grounds established by the Law.

3. Continued criminal offense shall not be recognized as repeated, in other words a criminal infraction, consisting of the number of similar unlawful actions that are covered by common intent and purpose and form a whole one criminal infraction.

4. In the cases, when repeatedly of crimes is provided by this Code as circumstance, entailing extended sentence, the crimes committed by person shall be qualified on the relevant part of Article of Special part of this Code, providing a punishment for repeated crimes.

5. In the cases, when repeatedly of criminal offences is provided by this Code as circumstance, entailing extended punishment, the criminal offences committed by person shall be qualified on the relevant part of Article of Special part of this Code, providing a punishment for repeated criminal offences.

Article 13. A set of criminal infractions.

1. A set of criminal infractions shall be recognized as commission of two or more actions, provided by various Articles or parts of Article of this Code, for neither of which a person was not convicted or released from criminal responsibility on the grounds, established by the Law. Upon combination of criminal infractions a person shall bear a criminal responsibility for each committed action on the relevant Article or part of Article of this Code, if the signs of these actions are not covered by regulation of one Article or part of Article of this Code, providing an extended sentence.

2. A set of criminal infractions shall be recognized as one action (omission), containing the signs of criminal infractions, provided by two or more Articles of this Code. Upon such combination a person shall bear a criminal responsibility for each committed action on the

relevant Articles of this Code, if the signs of one action are not covered by the regulation of Article of this Code, providing an extended sentence for another action.

3. If the same action falls within the signs of general and special regulations of relevant Articles of this Code, a set of criminal infractions is absent and criminal responsibility arises under the Article of Special Part of this Code containing the special regulation.

Article 14. Repetition of crimes, dangerous repetition of crimes

1. Repetition of crimes shall be recognized as commission of grievous crime by person, if previously this person is convicted to imprisonment for commission of grievous crime.

2. Dangerous repetition of crimes shall be recognized as commission by person:

1) grievous crime, if previously this person is convicted twice to imprisonment for commission of grievous crime or was convicted for especially grave crime;

2) especially grave crime, if previously he (she) was convicted to imprisonment for grievous or especially grave crime.

3. Convictions for the crimes, committed by person aged up to eighteen years, as well as the convictions, released or canceled in the manner, established by this Code shall not be considered upon recognition a repetition of crimes and dangerous repetition of crimes.

4. Repetition of crimes and dangerous repetition of crimes shall involve an extended sentence on the grounds and within provided by this Code.

Article 15. Persons subject to criminal responsibility

1. Sane individual, reached the age of sixteen at the time of the commission of a criminal infraction shall subject to the criminal responsibility.

2. Persons who have reached the age of fourteen at the time of committing the crime shall be subject to criminal liability for murder (Article 99), intentional infliction of grievous bodily harm (Article 106), intentional infliction of moderate bodily harm under aggravating circumstances (part two of Article 107), rape (Article 120), violent acts of a sexual nature (Article 121), kidnapping (Article 125), assault on internationally protected persons or organizations (Article 173), inciting social, national, tribal, racial, class or religious discord (Article 174), attempt on the life of the First President of the Republic of Kazakhstan - Elbasy (Article 177), attempt on the life of the President of the Republic of Kazakhstan (Article 178), sabotage (Article 184), theft (parts two, three and four of Article 188), cattle theft (parts two, three and four of Article 188-1), robbery (parts two, three and four of Article 191), armed robbery (Article 192), extortion (parts two, three and four of Article 194), unlawful seizure of a car or other vehicles without the intent to steal under aggravating circumstances (parts two, three and four of Article 200), intentional destruction of or damage to another's property under aggravating circumstances (parts two and three of Article 202), intentional destruction, exportation or damage to objects of special value under aggravating circumstances (parts two

and three of Article 203) an act of terrorism (Article 255), propaganda of terrorism or public calls to commit an act of terrorism (Article 256), creation, leadership of a terrorist group and participation in its activities (parts one and two of Article 257), financing terrorist or extremist activities and other assistance to terrorism or extremism (Article 258), hostage taking (Article 261), assault on buildings, structures, communication means and communication facilities or their seizure (Article 269), knowingly false report of an act of terrorism (Article 273), theft or extortion of weapons, ammunition, explosives and explosive devices (Article 291), hooliganism under aggravating circumstances (parts two and three of Article 293), theft or extortion of narcotic drugs, psychotropic substances, their analogues (Article 298), desecration of the bodies of the deceased and their burial places under aggravating circumstances (part two of Article 314) and intentional damage to transport vehicles or communication routes (Article 350).

3. If the minor has attained the age provided by first or second part of this Article, but in consequence of gap of mental development, not related with mental disease, during commission of criminal infraction could not be fully aware of the actual nature and social danger of his (her) actions (omission) or control them, he (she) shall subject to criminally responsibility.

4. Persons committed the criminal infractions are equal before the Law independent from origin, social, official and property position, sex, race, nationality, language, religion, beliefs, membership of public associations, place of residence or any other circumstances.

Footnote. Article 15 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 91-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 26.06.2020 № 349-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 05.07.2024 № 111-VIII (effective sixty calendar days after the date of its first official publication).

Article 16. Insanity

1. A person who at the time of commission a socially dangerous action provided by this Code has been in a state of insanity, in other words could not be aware of the actual nature and social danger of his actions (omission) or control them due to chronic mental disorder, temporary mental disease, dementia or other mental condition shall subject to a criminal responsibility.

2. Compulsory measures of a medical nature, provided by this Code may be applied to the person, recognized by court as insane.

Article 17. Criminal responsibility of persons with mental disease not excluding sanity

1. Sane person who during commission of a criminal infraction by virtue of mental disease could not be fully aware of the actual nature and social danger of his (her) actions (omission) or control them shall subject to a criminal responsibility.

2. Mental disease, not excluding sanity shall be considered by court upon assignment of punishment as mitigating circumstance and may serve as a basis for the appointment of enforcement measures of medical nature, provided by this Code.

Article 18. Criminal responsibility of persons, committed a criminal infraction in a state of intoxication

A person, committed a criminal infraction in a state of intoxication, caused by the use of alcohol, narcotic drugs, psychotropic or other intoxicated substances shall not be released from criminal responsibility.

Article 19. Fault

1. A person shall subject to a criminal responsibility only for those socially dangerous actions (actions or omission) and socially dangerous consequences in relation of which his fault is established.

2. Objective imputation, in other words a criminal responsibility for innocent infliction of harm shall not be allowed.

3. A guilty person in a criminal infraction shall be recognized a person, committed an action intentionally or by negligence.

4. An action, committed by negligence shall be recognized as a criminal infraction only when it is specially provided by the relevant Article of Special part of this Code.

Article 20. A criminal infraction, committed intentionally

1. A criminal infraction, committed intentionally shall be recognized as an action, committed with direct or indirect intent.

2. A criminal infraction shall be recognized as committed with direct intent, if a person realized the social danger of his (her) actions (omission), foresaw the possibility or the inevitability of socially dangerous consequences and wished their ensuing.

3. A criminal infraction shall be recognized as committed with indirect intent, if a person realized the social danger of his (her) actions (omission), foresaw the possibility of ensuing of socially dangerous consequences, did not wish, but consciously allowed ensuing of these consequences or treated them indifferently.

Article 21. A criminal infraction, committed by negligence

1. A criminal infraction, committed by negligence shall be recognized as an action, committed on self-reliance or by negligence.

2. A criminal infraction shall be recognized as committed on self-reliance, if a person foresaw the possibility of ensuing of socially dangerous consequences of his (her) actions (omission), but without sufficient grounds lightly counted on to prevent these consequences.

3. A criminal infraction shall be recognized as committed by negligence, if a person did not foresaw the possibility of ensuing of socially dangerous consequences of his (her) actions (omission), but with proper care and forethought should have and could have foreseen these consequences.

Article 22. Responsibility for criminal infractions, committed with two forms of guilt

If as a result of an intentional criminal infraction grave consequences, which by law entail an extended sentence and which are not covered by intent of the person, are inflicted, a criminal responsibility for such consequences occur only in cases where the person foresaw the possibility of their ensuing, but without sufficient grounds confidently counted on their prevention, or if the person did not foresee, but he (she) should and could have foreseen the possibility of the ensuing of these consequences. In general, such a criminal infraction shall be recognized as committed intentionally.

Article 23. Innocent infliction of harm

1. An action shall be recognized as committed innocently, if the action (omission) and socially dangerous consequences are not covered by intent of the person who committed it, and a criminal responsibility for commission of such action and infliction of socially dangerous consequences by negligence by this Code are not provided.

2. An action shall be recognized as committed innocently, if the person who committed it was not aware and on circumstances of the case could not be aware of the social danger of his (her) actions (omission) or did not foresee the possibility of socially dangerous consequences and on circumstances of the case should not have been or could have foreseen them. An action shall be also recognized as committed innocently, if the person, foresaw ensuing of socially dangerous consequences upon its commission, counted on their prevention with reasonable grounds or could not prevent these consequences by virtue of non-compliance of their psychophysiological qualities with the requirements of extreme conditions or neuropsychic overloads.

Article 24. Preparation for crime and attempt to commit crime

1. Preparation for crime shall be recognized as committed with direct intent of finding, production or adaptation of means or crime instruments, finding of companions in crime, conspiracy on commission of a crime or other intentional creating conditions for commission of a crime, if upon that a crime was not carried out for circumstances beyond the reasonable control of person.

2. A criminal responsibility occurs for preparation of grievous or especially grave crime, as well as for preparation of a terrorist infraction.

3. An attempt to commit crime shall be recognized as an action (omission), committed with direct intent, immediately directed to commission a crime, if upon that a crime was not carried out for circumstances beyond the control of person.

4. A criminal responsibility occurs for attempt to commit crime of average gravity, grievous or especially grave crime, as well as for attempt to the crime of terrorism.

5. A criminal responsibility for preparation for crime and attempt to commit crime occurs under the same Article of this Code that for completed crime, with reference to the relevant part of this Article.

Article 25. Completed criminal infraction

A criminal infraction shall be recognized as completed, if the action, committed by person contains all the signs of component element of infraction, provided by the Special part of this Code.

Article 26. Voluntary refusal from criminal infraction

1. A voluntary refusal from criminal infraction shall be recognized as termination of actions of preparation or termination of the action (omission) by person, immediately directed to commission of this action, if the person were realizing the possibility of bringing it to the end. A person shall not subject to a criminal responsibility for criminal infraction, if he (she) voluntary and finally refused from bringing this action to the end.

2. A person who voluntarily refused to bring a criminal offense until the end shall subject to criminal responsibility only if the action committed by him actually contains the component element of a criminal infraction.

3. Organizer and instigator of a criminal infraction shall not subject to criminal responsibility, if these persons prevented bringing of this infraction to the end by perpetrator by notifying state bodies or by other taken measures. An accomplice shall not subject to criminal responsibility, if before the termination of a criminal infraction by perpetrator refuses him (her) in previously promised contribution or eliminate the results already provided assistance.

4. If the action of organizer or instigator, specified in a third part of this Article did not lead to the prevention of criminal infraction, the measures taken by them may be recognized by the court as mitigating circumstance upon assignment of punishment.

Article 27. The concept of complicity in criminal infraction

A complicity in criminal infraction shall be recognized an intentional joint participation of two or more persons in commission of intentional criminal infraction.

Article 28. Types of accomplices of a criminal infraction

1. Accomplices of criminal infraction along with the perpetrator shall be recognized as organizer, instigator and accomplice.

2. Perpetrator shall be recognized as a person, immediately committed a criminal infraction or immediately participated in its commission jointly with other persons (joint participants), as well as the person, committed a criminal infraction by use of other persons, not subject to the criminal responsibility by virtue of age, insanity or other circumstances, provided by this Code, and equally by use of persons, committed an action by negligence.

3. Organizer shall be recognized as a person, organized commission of a criminal infraction or managed its execution, and equally the person, created the criminal group or managed it.

4. An instigator is a person who persuaded another person to commit a criminal offense by persuasion, bribery, threat or other means.

5. An accomplice is a person who assisted in the commission of a criminal offense by advice, instructions, providing information, tools or means of committing this act or removing obstacles to its commission, as well as a person who promised in advance to hide the perpetrator, tools or other means of committing a criminal offense, traces of this act or objects obtained illegally, as well as a person, promised in advance to purchase or sell such items.

Article 29. Responsibility of accomplices of a criminal responsibility

1. A criminal responsibility of accomplices shall be determined by the nature and extent of participation of each of them in commission of criminal infraction.

2. Joint participants are responsible for the same article of this Code for the joint commission of a criminal infraction by them without reference to Article 28 of this Code.

3. Responsibility of organizer, instigator and accomplice occurs according to Article, providing a punishment for committed action, with reference to Article 28 of this Code, except for the cases, when they simultaneously were joint participants.

4. In the case of not bringing of a crime to the end by executor due to circumstances beyond the control of him (her), other participants shall bear responsibility for complicity in preparation for crime or in attempt to commit crime. Also a person who, for circumstances beyond his (her) control failed to manage others to commit this action shall bear a criminal responsibility for preparation for crime

5. A person, not being a subject of criminal infraction, specially specified in relevant Article of Special part of this Code, participated in commission of action, provided by this Article shall bear a criminal responsibility for this criminal infraction as his (her) organizer, instigator or accomplice.

Article 30. Excess of accomplice of a criminal infraction

Excess of accomplice shall be recognized as commission of a criminal infraction by person, not covered by intent of other accomplices. Other participants of criminal responsibility shall not subject for the excess.

Article 31. A criminal responsibility for criminal infraction, committed by group

1. A criminal infraction shall be recognized as committed by group of persons, if in its commission jointly participated two or more perpetrators without previous concert.

2. A criminal infraction shall be recognized as committed by group of persons on previous concert, if the persons, previously came to agreement on joint commission of criminal infraction, are participated in it.

3. A crime shall be recognized as committed by criminal group, if it was committed by organized group, criminal organization, criminal society, transnational organized group, transnational criminal organization, transnational criminal society, terroristic group, extremist group, gang or illegal paramilitary unit.

4. A person, created a criminal group or managed it shall subject to the criminal responsibility for organization of criminal group and its management in the cases, provided by the relevant Articles of Special part of this Code, as well as for all crimes committed by criminal group, if they were covered by his (her) intent.

5. Other participants of criminal group shall bear a criminal responsibility for participation in it in the cases, provided by the relevant Articles of Special part of this Code, as well as for the crimes, in participation or commission of which they were participated.

Article 32. Necessary defence

1. Necessary defence shall be recognized as lawful protection of personality and rights of defender and other persons, as well as the interests of society and the state protected by the Law, from socially assault, as well as by infliction of harm to an attacker.

All the persons shall have a right to the necessary defence in equal measure independent from their professional or special training and official position. This right shall subject to the person independent from possibility to avoid socially-dangerous infringement or request assistance of other persons or the state bodies.

2. Infliction of harm to the attacker in self-defense, in other words upon protection of identity, dwelling, property, land plot and other rights of defender or other persons, the interests of society or the state, protected by the Law from socially-dangerous infringement by infliction of harm to the attacker, if by this the use of excessive force in self-defense was not allowed shall not be a criminal infraction.

3. Use of excessive force in self-defense shall be recognized as obvious inconsistency of protection to the nature and extend of social danger of infringement, in a result of which obviously excessive harm, not occurred by circumstance is caused to the attacker. Such excess shall involve a criminal responsibility only in the cases of intentional infliction of harm.

Infliction of harm to a person who encroaches on a person's life, or when repelling another encroachment associated with an armed assault or violence dangerous to the life of the defending or other persons, or with a direct threat of such violence, or with a forcible entry into a dwelling, premises or with arson of a dwelling, premises, and also if the defending person, due to the suddenness of the encroachment, could not objectively assess the degree and nature of the danger of the assault, shall not be deemed as exceeding the limits of necessary defense.

Footnote. Article 32 as amended by the Law of the Republic of Kazakhstan dated 11.07.2022 № 136-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 33. Infliction of harm upon detention of a person, committed infringement

1. Infliction of harm to the person, committed a criminally punishable action, upon his (her) detention for delivering to the state bodies and suppression of possibility of commission by them the new infringements, if to detain such person was not possible by other means and upon that the excess of measures, necessary for that was not allowed shall not be a criminal infraction.

2. Excess of measures, necessary for detention of persons, committed infringement shall be recognized as their obvious inconsistency to the nature and extend of social danger of infringement committed by detained person and circumstances of detention, when the obviously excessive harm, not caused by the circumstance, is caused to the person without necessity. Such excess shall involve a criminal responsibility only in the cases of intentional infliction of harm.

3. Injured persons and other citizens as well as the persons specially authorized for detention of a person committed infringement shall possess the right for that.

Article 34. Extreme necessity

1. Infliction of harm to the interests, protected by this Code in a state of extreme necessity, in other words for elimination of danger, immediately threatening to the life, health, rights and legal interests of this person or other persons, the interests of social or the state, if this danger could not be eliminated by other means and upon that exceed the limits of extreme necessity was not allowed shall be a criminal infraction.

2. Article 44. Restriction of liberty

1. Restraint of liberty consists in establishing probationary control over the convicted person for a period of six months to seven years and engaging him in compulsory work for one hundred hours annually during the entire term of serving the sentence. Restraint of liberty is served at the convicted person's place of residence without isolation from society. Compulsory work shall be organized by local executive bodies in public places and shall be served no more than four hours a day. Convicted persons who have a permanent job or are students, minors, pregnant women, women with young children under the age of three, men raising young children under the age of three alone, women aged fifty-eight and over, men aged sixty-three and over, persons with the first or second disability groups, as well as convicts whose punishment has been replaced by restraint of freedom for a period of less than six months shall not be involved in compulsory work.

2. Probationary control is carried out by an authorized state body and, by a court decision, includes the execution by the convict of the following duties: do not change the permanent place of residence, work, study without notifying the authorized state body exercising control over the behavior of the convict; do not visit certain places; undergo treatment for mental, behavioral disorders (diseases) associated with the use of psychoactive substances, sexually transmitted diseases; provide financial support to the family; other duties that contribute to the correction of the convict and prevention of the commission of new criminal offenses by him.

3. In case of malicious evasion from serving the restriction of liberty, its unserved term shall be replaced by deprivation of liberty at the rate of one day of deprivation of liberty for one day of restriction of liberty.

4. In imposing a more lenient sentence than that provided for this criminal infraction, in imposing punishment for an uncompleted crime, as well as in replacing the punishment, the term of restriction of liberty may be below the lower limit established by this Article.

Footnote. Article 44 as amended by the Laws of the Republic of Kazakhstan dated 03.07.2017 № 84-VI (shall be enforced upon expiry of ten calendar days after its first official publication); 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 27.06.2022 № 129-VII (shall be enforced ten calendar days after the date of its first official publication).

Article 45 is suspended until 01.01.2022, having established that its provisions shall be applied in respect of military personnel and in the cases provided for by part three of Article 41, part three of Article 42 and part two of Article 43 of this Code, from 1 January 2017.

Article 45. Arrest

1. Arrest implies isolation of the convicted person from the society for the whole term of the imposed or replaced punishment.

2. Arrest shall be established for a term of ten to fifty days. The term of detention shall be included in the term of arrest.

3. Arrest shall not be imposed or applied as a substitute for punishment to minors, pregnant women, women having or bringing up a minor child, men bringing up a minor child alone, women aged fifty-eight and over, men aged sixty-three and over, persons with disabilities of the first or second group.

4. Arrest shall be served by military servants in the detention room.

5. When replacing the punishment, the term of arrest may be below the lower limit established by this Article.

Footnote. Article 45 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 27.06.2022 № 129-VII (shall be enforced ten calendar days after the date of its first official publication); dated 15.04.2024 № 72-VIII (shall be enforced upon

expiry of sixty calendar days after its first official publication); dated 15.04.2024 № 72-VIII (shall be enforced upon expiry of sixty calendar days after its first official publication).

Article 46. Deprivation of liberty

1. Deprivation of liberty shall be in isolation of the convicted person from the society by sending him (her) to the institution of the penal system.

2. Persons, convicted to deprivation of liberty, who were under eighteen at the moment of sentencing, shall be placed in institutions of the penal system of medium security for the maintenance of minors.

3. Deprivation of liberty for commission of crimes provided for by this Code shall be established for a term of six months to fifteen years, and for especially grave crimes - up to twenty years or for life. For crimes by negligence, the term of deprivation of liberty may not exceed ten years. In case of replacement of the fine, corrective labors, community services or restriction of liberty by deprivation of liberty it may be imposed for the term of less than six months. In the event of partial or complete cumulation of liberty deprivation terms on sentencing for cumulative crimes and in cases provided for by part five of Article 71 and part five of Article 77 of this Code, the maximum liberty deprivation term cannot be more than twenty-five years, and on cumulative sentences - more than thirty years.

4. Life imprisonment may be established for the commission of especially grave crimes. Life deprivation of liberty shall not be imposed on the persons who have committed a crime under the age of eighteen, women, men at the age of sixty-three years old and over. Life deprivation of liberty in the manner of pardon may be commuted by deprivation of liberty for a certain term.

5. Serving of prison sentence is appointed:

1) in institutions of the minimum security penitentiary system to:

persons convicted of crimes committed through negligence;

persons convicted of crimes unrelated to the use of violence, provided for in Chapters 7, 8, 9, 12 and 13 of this Code;

persons convicted of crimes provided for in Chapter 15 of this Code, in the event that they fully compensate for the damage caused by the crime;

persons convicted for the first time of committing an intentional crime, for which a prison sentence up to two years was imposed.

The provisions of this paragraph shall not apply to persons sentenced to deprivation of liberty for committing crimes provided for in parts 1-1, two, three and four of Article 366, parts two, three and four of Article 367, and part two of Article 368 of this Code;

2) in medium security penitentiary institutions:

persons sentenced to deprivation of liberty for a term of more than two years for committing intentional crimes, who have not previously served deprivation of liberty;

persons sentenced to deprivation of liberty for committing the crimes provided for in parts 1-1, the second and third parts of Article 366, parts two and three of Article 367, part two of Article 368 of this Code, who have not previously served deprivation of liberty;

persons who have not previously served imprisonment, for whom a fine, correctional labor, community service, restriction of freedom have been replaced by imprisonment;

3) in maximum security penitentiary institutions:

persons sentenced to deprivation of liberty who have previously served a prison sentence for committing an intentional crime;

persons sentenced to deprivation of liberty for committing the crimes provided for by parts 1-1, the second and third parts of Article 366, parts two and three of Article 367, part two of Article 368 of this Code, who have previously served a liberty deprivation sentence;

persons who have previously served deprivation of liberty, for whom a fine, correctional labor, community service, restriction of freedom have been replaced by deprivation of liberty;

4) in high security penitentiary institutions to persons sentenced to life imprisonment.

In the case of a cumulative sentence for serving deprivation of liberty, a stricter type of institution is determined, established by one of the verdicts included in the aggregation, given the specifics of this part.

6. Persons sentenced to deprivation of liberty for a term of more than five years for committing especially grave crimes, in case of a dangerous recidivism of crimes, who have previously served deprivation of liberty, except for persons sentenced to life imprisonment, may be assigned to serve part of the punishment term, but not more than five years in penitentiary institutions of full security.

7. A change in the type of institution imposed by the verdict shall be made by the court in accordance with Article 96 of the Penal code of the Republic of Kazakhstan.

Footnote. Article 46 is in the wording of the Law of the Republic of Kazakhstan dated 18.04.2017 № 58-VI (shall be enforced upon expiry of ten calendar days after its first official publication); as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 19.12.2020 № 384-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 30.12.2020 № 393-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication); dated 17.03.2023 № 212-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 47. Death penalty

Footnote. Article 47 excluded by the Law of the Republic of Kazakhstan dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 48. Confiscation of property

1. Confiscation of property is a forced and gratuitous seizure and conversion of property owned by a convicted person, obtained by criminal means or purchased with funds obtained by criminal means, as well as property being a tool or means of committing a criminal infraction into the property of the state.

- 6) voluntary compensation of property damage, caused as a result of criminal infraction, expiation of moral or other harm, caused by criminal infraction;
- 7) commission of criminal infraction due to the severe personal, family or other set of circumstances or on compassion grounds;
- 8) commission of criminal infraction as a result of physical or mental compulsion or by virtue of material, service or other dependence;
- 9) commission of a criminal infraction upon violation of conditions of legality of necessary defense, extreme necessity, detention of the person, who committed the infraction, reasonable risk, execution of the order or instruction, in implementation of operational investigative, counterintelligence measures or secret investigative actions;
- 10) illegality or immorality of behavior of injured person, being a reason for the criminal infraction;
- 11) sincere repentance, acknowledgement of guilt, active contribution to the detection of criminal infraction, exposure of other accomplices of criminal infraction and search for property, obtained as a result of criminal infraction.

2. Consequences, not providing by first part of this Article may be considered as mitigating upon imposition of punishment.

3. If mitigating circumstance is provided by the relevant Article of Special part of this Code as a sign of criminal infraction, it may not be re-considered in itself upon imposition of punishment.

Footnote. Article 53 as amended by the Law of the Republic of Kazakhstan dated 28.12.2016 № 36-VI (shall be enforced upon expiry of two months after its first official publication).

Article 54. Consequences, aggravating criminal responsibility and punishment

1. Consequences, aggravating criminal responsibility and punishment shall be recognized as:

- 1) repeated criminal infractions, repetition of crimes, dangerous repetition of crimes;
- 2) infliction of grave consequences by criminal infraction;

3) commission of criminal infraction within a group of persons, groups of persons on previous concert, criminal group;

4) particularly active role in commission of criminal infraction;

5) involvement in the commission of a criminal offense of persons who, knowingly for the perpetrator, suffer from a severe mental, behavioral disorder (disease), or persons who have not reached the age from which criminal liability arises;

6) commission of criminal infraction on national, racial or religious hatred or enmity grounds, out of revenge for lawful actions of other persons, as well as in order to conceal another criminal infraction or facilitate its commission;

7) commission of criminal infraction in relation of woman, certainly for guilty person, being in the state of pregnancy, as well as in relation of minor, other defenseless or helpless person or person, being depending on the guilty person;

8) commission of criminal infraction in relation of person or his (her) relatives in connection with execution of the service, professional or social duty by this person;

9) commission of criminal infraction with particular cruelty, sadism, abuse and torment for the injured person;

10) commission of criminal infraction with the use of weapons, ammunition, explosive substances and explosive or simulation devices, specially produced technical equipment, highly flammable and flammable liquids, poisonous and radioactive substance, medicinal and other chemical and pharmacological preparations, as well as with application of physical and mental coercion or dangerous method;

11) commission of criminal infraction in the conditions of emergency situation, emergency situation, as well as in the course of mass disorders;

12) commission of criminal infraction in the in a state of alcoholic, drug or toxic intoxication. A court shall have a right not to recognize this consequence as aggravating depending on the nature of criminal infraction;

13) commission of criminal infraction by person, violated by that an oath, taken by them or professional oath;

14) commission of criminal infraction with the use of confidence, vested to the guilty person by virtue of its official position or contract;

15) commission of criminal infraction with the use of uniform or the documents of representative of authority;

16) commission of criminal infraction by the employee of law enforcement or special state body, judge with the use of his (her) official position.

2. If the consequence, specified in a first part of this Article is provided by the relevant Article of Special part of this Code as the sign of criminal infraction, it cannot be re-considered as the circumstance, aggravating responsibility and punishment.

3. Upon imposition of punishment a court may not recognize the circumstances, not specified in a first part of this Article as aggravating.

Footnote. Article 54 as amended by the Laws of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (effective after ten calendar days after the date of its first official publication); dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 55. Imposition of lenient punishment than provided for this criminal infraction

1. If an Article or part of Article of Special part of this Code, according to which a person is recognized as guilty shall provide less severe, than imprisonment, basic type of punishment, an imprisonment shall not be imposed upon conviction of person for commission of crime:

1) little or average gravity in the case, when the person is voluntary compensated a property damage, effected the moral or other harm, caused by the crime;

2) in the scope of economic activity, except for provided by Article 218, 218-1, 248 and 249 of this Code, in the case, when a person is voluntary compensated a property damage, caused by the crime.

2. Upon existence of a mitigating circumstance, not provided as a sign of the committed crime and absence of aggravating circumstances, the term or extent of the main type of punishment may not exceed when committing of:

1) a criminal offence, minor or medium-gravity crimes - half;

2) grievous crime - two-thirds;

3) an especially grave crime – three-quarters of the maximum term or extent, provided by the relevant Article of the Special part of this Code.

3. In the cases of accelerated pre-trial investigation, as well as cases in which all conditions of the procedural agreement are fulfilled, the term or extent of the main type of punishment for the committed criminal infraction may not exceed half of the maximum term or extent provided by the relevant Article of the Special part of this Code. In cases, on which the verdict of guilty in the order of writ proceedings was made, a fine shall be imposed in the amount of ten to twenty monthly calculation indices in commission of a criminal offense, from fifty to two hundred monthly calculation indices – in commission of a crime of little gravity.

4. Upon existence of exceptional circumstances, related with the purposes and motives for action, the role of guilty person, his (her) behavior during or after commission of criminal infraction, and other consequences, essentially reducing the extent of social danger of the action, and equally upon active assistance of participant of group criminal infraction to detection of actions, committed by group, a punishment may be imposed below the lower limit, provided by the relevant Article of Special part of this Code, or the court may impose more lenient type of punishment than provided by this Article, or shall not apply an additional type of punishment, provided as compulsory.

5. Both separate mitigating consequences, and set of such consequences may be imposed as exceptional.

6. Upon existence of consequences, specified in the second or third part of this Article, a punishment may be imposed below the lower limit provided by the relevant Article of Special part of this Code.

7. In cases of imposition of punishment for preparation or attempted crime, the limits specified in parts two and three of this Article shall be determined, taking into account the provisions of Article 56 of this Code.

8. Provisions of this article shall not apply to persons who have committed a crime against the sexual inviolability of minors, except in the case of the commission of such a crime by a minor against a minor between fourteen and eighteen years of age.

Provisions of parts two and three of this article shall not apply to persons, who committed crimes involving violence against minors except for a case of committing such a crime by a person under the age of majority.

Footnote. Article 55 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 30.12.2020 № 393-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); от 12.07.2023 № 23-VIII (вводится в действие по истечении шестидесяти календарных дней после дня его первого официального опубликования); dated 15.04.2024 № 72-VIII (shall be enforced upon expiry of sixty calendar days after its first official publication).

Article 56. Imposition of punishment for uncompleted crime

1. Consequences by virtue of which a crime was not brought to the end shall be considered upon imposition of punishment for uncompleted crime.

2. The term or extent of punishment for preparation to a crime may not exceed half of the maximum term or extent of the main type of punishment provided by the relevant Article of the Special part of this Code for the completed crime.

3. The term or extent of punishment for attempted crime may not exceed three quarters of the maximum term or extent of the main type of punishment provided by the relevant Article of the Special part of this Code for the completed crime.

4. Life imprisonment for preparation for a crime and attempted crime shall not be imposed.

Footnote. Article 56 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 57. Imposition of punishment for the criminal infraction, committed in complicity

1. Upon imposition of punishment for the criminal infraction, committed in complicity shall be considered the nature and extent of actual participation of person in its commission,

the value of this participation for achievement of an objective of criminal infraction, its impact on the nature and extent of caused or possible harm.

2. Consequences, mitigating or aggravating the responsibility and punishment, relating to the personality of one of accomplices shall be considered upon imposition of punishment only to this accomplice.

Article 58. Imposition of punishment on a set of criminal infractions

1. On a set of criminal infractions, a court imposed a punishment (basic and additional) for each infraction separately shall determine final punishment by absorption of less severe punishment by more severe or by complete or partial addition of imposed punishments.

2. If a set of criminal infractions includes only criminal offences, then the final punishment shall be imposed by absorbing a less severe punishment with a more severe one or by partial or full adding up of the punishment. In this case, the final extent of punishment in the form of a fine may not exceed four hundred monthly calculation indices, and the final term of punishment in the form of community service or arrest – four hundred hours or fifty days, respectively.

If a set of criminal infractions includes only criminal offences, crimes of little and average gravity, then the final punishment shall be imposed by absorbing a less severe punishment with a more severe one.

3. If a set of criminal infractions involves grievous or especially grave crimes, the final punishment shall be imposed by absorption of less severe punishment by more severe or by partial or complete addition of punishments. Upon that the final punishment in the form of imprisonment may not exceed twenty years.

4. If a set of criminal infractions involves at least one of especially grave crime, for commission of which a punishment in the form of imprisonment for the term up to twenty years is provided by this Code, the final punishment shall be imposed by partial or complete addition of punishments. Upon that the final punishment in the form of imprisonment may not exceed twenty five years.

If a set of criminal infractions involves at least one of especially grave crime, for commission of which a punishment in the form of imprisonment for the term up to twenty years is provided by this Code, as well as a criminal offence, for commission of which a fine is imposed, the final punishment is imposed by absorption of less severe punishment by more severe.

If life imprisonment is imposed for a crime included in the aggregate, then life imprisonment shall be the final penalty imposed.

5. Additional punishments, imposed for infractions, constituting the set may be attached to the basic punishment, imposed on a set of criminal infractions. Upon partial or complete addition the final additional punishment may not exceed the maximum term or extent, established for this punishment of General part of this Code.

6. A punishment shall be imposed by the rules of this Article, if after sentencing by court of the case it is established that the convicted person is guilty also in other criminal infraction committed by him (her) before the sentencing in the first case. In this case a punishment, served under the first court verdict shall be counted in the final term.

Footnote. Article 58 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 59. Imposition of punishment upon repetition of crimes, dangerous repetition of crimes

Upon imposition of punishment at repetition of crimes, dangerous repetition of crimes shall be considered the number, nature and extent of social danger of previously committed crimes, consequence, by virtue of which the correctional treatment of the previous punishment was insufficient, as well as the nature and extent of social danger of subsequent infractions.

Article 60. Imposition of punishment on a set of sentences

1. If the convicted person after sentencing, but before complete serving punishment is committed a new criminal infraction, the court shall partially or completely attach an unserved part of punishment on previous court verdict to the punishment, imposed on the last court verdict.

2. The final punishment on a set of sentences in the case, if it does not related with imprisonment may not exceed the maximum term or extent, provided by General part of this Code for this type of punishment.

3. The final punishment on a set of sentences in the form of imprisonment may not exceed twenty five years. If a set of sentences involves a sentence, which a person is recognized as guilty in commission at least one especially grave crime, for the commission of which a punishment in the form of imprisonment is provided by this Code for the term up to twenty years, the final punishment on a set of sentences in the form of imprisonment may not exceed thirty years. If life imprisonment is imposed for a crime included in the aggregate, then the final punishment shall be imposed in the form of life imprisonment.

4. The final punishment on a set of sentences shall be more like the punishments, imposed for newly committed criminal infraction, and unserved part of punishment on previous court verdict.

5. Attachment of additional types of punishments upon imposition of punishments on a set of sentences shall be carried out by the rules of imposition of punishment on a set of criminal infractions.

Footnote. Article 60 as amended by the Law of the Republic of Kazakhstan dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 61. Procedure of determination of terms of punishment upon their addition

1. At partial or full adding up of punishments on a set of criminal infractions and a set of verdicts:

1) one day of deprivation of liberty corresponds to four monthly calculation indices of fine or corrective labors, four hours of social works, one day of arrest, one day of restriction of liberty;

2) one day of restriction of liberty corresponds to four monthly calculation indices of fine or corrective labors, four hours of social works, one day of arrest;

3) one day of arrest corresponds to four monthly calculation indices of a fine or corrective labors, four hours of social works;

4) one hour of social works corresponds to one monthly calculation index of fine or corrective labors;

5) one monthly calculation index of corrective labors corresponds to one monthly calculation index of fine.

2. Deprivation of special, military or honorary title, class rank, diplomatic rank, qualified class and the state awards, deprivation of right to hold specific position or engage in defined activity, deportation a foreigner or stateless person from the Republic of Kazakhstan, confiscation of property, as well as enforcement measures of medical nature upon addition them with bringing to public works, restriction of liberty, arrest, imprisonment shall be executed independently.

Footnote. Article 61 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 62. Calculation of periods for punishment and offset of punishment

1. The term of deprivation of the right to occupy determined posts or to engage in a determined activity, restriction of liberty, imprisonment shall be calculated in months and years, arrest - in days, community service - in hours.

2. Upon commutation of punishment or addition of punishments, specified in a first part of this Article, as well as upon offset of punishment, the terms may be calculated in days.

3. The time of detention in custody until a judgment becomes final and binding shall be counted towards the sentence, counting one day as:

1) one day of serving a sentence of imprisonment in a facility of maximum, supermax and complete security;

2) one and a half days of serving a sentence of imprisonment in a medium security facility, and also a medium security facility for juveniles;

3) two days of serving a sentence in a minimum security facility.

3-1. The time of detention in custody until a judgment becomes final and binding shall be counted towards the sentence, counting one day as:

1) one day of serving a sentence in the form of arrest;

2) two days of serving a sentence in the form of restriction of liberty;

3) four hours of serving a sentence in the form of community service;

4) four monthly calculation indices of serving a sentence in the form corrective labor, a fine, respectively.

4. The time of detention under house arrest before the entry of the sentence into legal force shall be included in the term of punishment in the form of deprivation of liberty, restriction of liberty, arrest at the rate of two days for one day, in the form of social works, corrective labors, a fine – at the rate of one day of detention under house arrest for two hours of social works or two monthly calculation indices, respectively.

5. The time of detention of person in custody before entry of court verdict into legal force and the time of service of imprisonment, imposed by court verdict for the crime, committed out of bounds of the Republic of Kazakhstan, in the case of extradition of person on the basis of Article 9 of this Code shall be included at the rate of one day for one day.

6. Upon revision of the verdict with imposing to the person of other form of punishment, the served term or executed extent of punishment before the revision of the verdict shall be included in the term or extent of a new punishment. When offsetting the served term or executed extent of punishment:

1) one day of deprivation of liberty corresponds to four monthly calculation indices of fine or corrective labors, four hours of social works, one day of arrest, one day of restriction of liberty;

2) one day of restriction of liberty corresponds to four monthly calculation indices of fine or corrective labors, four hours of social works, one day of arrest;

3) one day of arrest corresponds to four monthly calculation indices of fine or corrective labors, four hours of social works;

4) one hour of social works corresponds to one monthly calculation index of fine or corrective labors;

5) one monthly calculation index of corrective labors corresponds to one monthly calculation index of fine.

7. The time during which compulsory measures of a medical nature were applied to a person who fell ill with a mental, behavioral disorder (disease) after the commission of a crime shall be included in the term or size of the punishment.

Footnote. Article 62 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first

official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 63. Conditional sentence

1. If a punishment was imposed in the form of imprisonment, a court comes to the conclusion on possibility of correction of convicted person without service of sentence; it decides to consider an imposed punishment as conditional.

2. Upon application of conditional sentence a court shall consider the nature and extent of social danger of committed crime, personality of guilty person, as well as consequences, mitigating and aggravating responsibility and punishment.

3. Upon imposition of conditional sentence a court shall establish probationary control at all of the imposed term of imprisonment, and to the minors for the term of six months to one year by rules of second part of Article 44 of this Code.

Application of conditional sentence by the minors is possible upon repeated commission of a crime of little and average gravity in the period of probationary control upon conditional sentence.

Probation control shall not be established in case of conditional conviction of a foreigner or a stateless person to whom the court has imposed expulsion outside the Republic of Kazakhstan as an additional form of punishment.

4. Additional types of restrictions and punishments may be imposed in case of probation.

5. Enforcement measures of educational impact may be imposed to the minors upon conditional sentence.

6. Conditional sentence shall not be applied to persons in case of recidivism of crimes, dangerous recidivism of crimes, in case of conviction of a person for a particularly grave crime, a corruption crime, a terrorist crime, an extremist crime, torture, a crime committed as part of a criminal group, sexual crime against minors. This restriction shall not apply to minors who have committed a crime against the sexual inviolability of a minor between the ages of fourteen and eighteen.

Footnote. Article 63 as amended by the Laws of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 17.03.2023 № 212-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 64. Cancellation of conditional sentence

1. If before the expiry of the term of probationary control the probationer is proved his (her) correction by his (her) behavior, a court on presentation of body, carrying out a probationary control may decree on cancellation of conditional sentence and on cancellation of conviction from convicted person. Upon that conditional sentence may be cancelled upon expiration of at least half of established period.

2. A court on presentation of the body, carrying out probationary control may extend the term of probationary control, but not more than one year, in the cases, when probationer has committed:

1) administrative infraction, encroaching on the public order and morality, rights of minors, to the personality and in the scope of family relations, for which an administrative penalty was imposed to him (her);

2) intentional damage (deterioration) of electronic follower arrangement or did not come for registration without acceptable reason or changed the place residence without notifying the body carrying out the probationary control;

3) criminal offence.

3. In the case of non-execution by probationer of obligations, assigned to him (her) by court or repeated commission by probationer of violations, specified in a second part of this Article, a court on presentation of body, specified in a first part of this Article shall regulate on cancellation of conditional sentence and execution of imposed punishment by court verdict, and in relation of convicted minor may repeatedly extend the term of probationary control, but not more than one year.

4. In the cases of commission by probationer of a crime by negligence during the term of probationary control or intentional crime of little gravity, and by the juvenile probationers – the crimes of little of average gravity, an issue on cancellation or on preservation of conditional sentence shall be decided by the court upon imposition of punishment for the new crime.

5. In the cases of commission by probationer of intentional crime of average gravity, grievous or especially grave crime during the term of probationary control, and by the minors - grievous or especially grave crime, a court may cancel a conditional sentence and impose him (her) a punishment by the rules of imposition of punishment on a set of sentences.

SECTION 5. RELEASE FROM CRIMINAL RESPONSIBILITY AND PUNISHMENT

Article 65. Release from criminal responsibility in connection of active repentance

1. A person, who committed a criminal offence or committed a crime for the first time, may be released from criminal liability taking into account the identity of a guilty person, his/her acknowledgement of guilt, his/her assistance in solving, investigating the criminal offence, his/her expiation for the harm caused by the criminal offence.

A person, who committed a corruption crime for the first time, may be released from criminal liability in connection with his/her active repentance only by court.

2. The provisions of part one of this Article shall not be applied to the persons, who have committed a terroristic crime, an extremist crime, a crime committed as part of a criminal group, a crime against sexual immunity of minors, torture, a grave or especially grave crime against a person, except in cases specially provided by the relevant Articles of the Special part of this Code. This restriction shall not be applied to the minors, who have committed a crime against the sexual immunity of a minor aged between fourteen and eighteen years.

Footnote. Article 65 as amended by the Laws of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art .2).

Article 66. Release from criminal responsibility upon use of excessive force in self-defense

A person, used of excessive force in self-defense due to the fear, fright or confusion, caused by socially-dangerous infringement may be released from criminal responsibility in recognition of consequence of the case.

Article 67. Release from criminal responsibility upon fulfilment of conditions of procedural agreement

1. A person, who has fulfilled all conditions of the procedural agreement may be released from criminal responsibility.

2. The provision of part one of this Article shall not be applied to the persons, who have committed crimes against sexual immunity of minors, except in cases of commission of such a crime by a minor in respect of a minor aged between fourteen and eighteen years.

Footnote. Article 67 as amended by the Laws of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 67-1. Exemption from criminal liability upon fulfillment of the terms of the procedural agreement on admission of guilt and return of illegally acquired assets

A person who has fulfilled all the conditions of the procedural agreement on admission of guilt and return of illegally acquired assets may be released from criminal liability.

Footnote. Section 5 is supplemented by Article 67-1 in accordance with the Law of the Republic of Kazakhstan dated 12.07.2023 № 23-VIII (effective ten calendar days after the date of its first official publication).

Article 68. Release from criminal responsibility in connection with conciliation

1. A person committed a criminal offence or a crime of little or average gravity, not related with cause death shall subject to release from criminal responsibility, if he (she) is reconciled with injured person, applicant, as well as according to the procedure of mediation, and expiated a caused harm.

2. The minors, pregnant women, women with young children, men alone raising young children, women aged fifty-eight years old and over, men aged sixty-three years old and over, first committed a grievous crime, not related with cause death or grievous harm to human health may be released from criminal responsibility, if they are reconciled with injured person, applicant, as well as according to the procedure of mediation, and expiated a caused harm. Enforcement measures of educational impact may be applied to the minor upon release from criminal responsibility.

3. In the cases when a harm is caused by criminal infraction to the interests of society and the state, protected by the Law, a person specified in a first or second part of this Article may be released from criminal responsibility, if he (she) sincerely repentance and expiated a harm, caused to the interests of society and the state, protected by the Law.

4. The provisions of this Article shall not be applied to persons who committed:

1) torture;

2) crimes against sexual inviolability of minors, unless such a crime was committed by a person under the age of majority against a minor aged between fourteen and eighteen years;

2-1) crimes involving violence against minors, except for the case of committing such a crime by a person under the age of majority;

3) crimes through negligence, which caused the death of a person or the death of two or more persons, except for a traffic accident, which, through negligence, resulted in the death of his/her close relatives, spouse;

4) a corruption crime;

5) a crime of terrorism;

6) an extremist crime;

7) a crime as part of a criminal group;

8) within the period of limitations on criminal prosecutions established by part one of Article 71 of this Code, a deliberate crime after being released from criminal liability for a crime committed earlier due to the reconciliation of parties;

9) a criminal infraction provided for in articles 108-1 and 109-1 of this Code, within the period of limitation of bringing to criminal liability established by part one of article 71 of this Code, after release from criminal liability in connection with reconciliation of the parties for a previously committed criminal infraction.

10) crimes related to human trafficking.

Footnote. Article 68 as amended by the Laws of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official

publication); 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 15.04.2024 № 72-VIII (shall be enforced upon expiry of sixty calendar days after its first official publication); dated 05.07.2024 № 111-VIII (effective sixty calendar days after the date of its first official publication).

Article 69. Surety-secured release from punishment

Footnote. The heading of Article 69 is as amended by Law № 292-VI of the Republic of Kazakhstan as of 27.12.2019 (the enforcement procedure is in Art.2).

1. A person, who committed a criminal offence for the first time or a minor or medium-gravity crime without causing death or grievous bodily harm, for the commission of which a relevant article or part of an article of the Special Part of this Code provides for a fine among other types of basic punishments, may be released from punishment by court if secured by the surety.

2. The surety securing means the posting of security equal to the maximum size of a fine prescribed for a criminal offence committed.

3. The term of a guarantee shall be established:

- 1) upon commission of criminal offence - from six months to one year;
- 2) upon commission of a crime of little gravity - from one year to two years;
- 3) upon commission of a crime of average gravity - from two to five years.

4. The security shall be returned to the surety upon the expiration of the security period if the person released from punishment did not commit a new criminal offence during it.

5. If the person commits a new criminal offence during the security period, the court cancels its decision on the exemption from punishment and imposes the punishment on him/her based on the rules for accumulative sentencing. In this case, the security becomes state property.

6. Provision of this Article shall not be applied to the persons, committed a corruption crime, crime of terrorism, extremist crime, the crime committed in a composition of criminal group, crimes against sexual immunity of minors.

Footnote. Article 69 is as amended by Law № 292-VI of the Republic of Kazakhstan as of 27.12.2019 (the enforcement procedure is in Art.2).

Article 70. Release from criminal responsibility in connection with the change of conditions

1. A person, committed a criminal infraction shall subject to release by court from criminal responsibility, if he (she) is recognized that during investigation of the case in a court due to change of conditions, an action, committed by him (her) ceased to be socially dangerous.

2. A person first committed a criminal offence of little or average gravity shall subject to release by court from criminal responsibility, if it is established that by virtue of subsequent

irreproachable conduct this person during investigation of the case in a court may not be considered as socially dangerous.

Article 71. Release from criminal responsibility in connection with expiry of the period of limitation

1. A person shall be released from criminal responsibility, if from the date of commission of criminal infraction the following terms have expired:

- 1) one year after commission of criminal offence;
- 2) two years after commission of a crime of little gravity;
- 3) five years after commission of a crime of average gravity;
- 4) ten years after commission of a grave crime, corruption crime of little or average gravity;
- 5) fifteen years after commission of an especially grave crime.

2. Period of limitations shall be calculated from the date of commission of criminal infraction and up to the moment of entry of sentence into legal force.

3. Validity of period of limitations on criminal offences independent from commission of a new criminal infraction shall not be suspended and terminated.

4. Validity of period of limitations shall be suspended, if a person, committed a crime evades from investigation and court. In this case validity of period of limitations recommences from the date of detention of a person or acknowledgement of guilt. Upon that a person may not be brought to the criminal responsibility, if from the date of commission of a crime validity was not revived and the following terms have expired:

- 1) five years after commission of a crime of little gravity;
- 2) ten years after commission of a crime of average gravity;
- 3) fifteen years after commission of a grave crime, corruption crime of little or average gravity;
- 4) twenty years after commission of an especially grave crime.

Limitation period shall be interrupted if, before the expiry of the terms, specified in part one of this Article, a person who has committed a grave or especially grave crime, commits a new grave or especially grave crime. In such cases, calculation of the limitation period begins anew from the date of commission of a new crime. In other cases, if the person commits the crime again before the expiration of the limitation period, the limitation period for each crime expires independently.

4-1. The running of the limitation period is suspended from the moment of receipt by the court or the body of criminal prosecution of a petition for the conclusion of a procedural agreement on the admission of guilt and the return of illegally acquired assets from the suspect, the accused, the defendant or his defender until its full execution.

If one of the parties refuses to conclude a procedural agreement on the admission of guilt and the return of illegally acquired assets, the limitation period is resumed.

5. The issue of applying the statute of limitations to a person who has committed a crime for which life imprisonment may be imposed under this Code shall be resolved by the court. If the court does not find it possible to release a person from criminal liability due to the expiration of the statute of limitations, then life imprisonment shall be replaced by twenty-five years' imprisonment term.

6. Limitation periods shall not be applied to the persons who committed crimes against the peace and security of mankind, terroristic crimes, extremist crimes, torture, crimes against sexual immunity of minors, as well as especially grave crimes against the person, the foundations of constitutional system and security of the state, against public security and public order.

Footnote. Article 71 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication); dated 12.07.2023 № 23-VIII (effective ten calendar days after the date of its first official publication).

Article 72. Conditionally early release from service of sentence

1. A person, serving restriction of liberty or imprisonment, after actual service of terms, specified in the third, fourth and fifth part of this Article may be released on probation – on parole by court, if it is recognized by court that he (she) does not need a full serving of sentence for his (her) correction.

A person, serving restriction of liberty or imprisonment, after actual service of terms, specified in the third, fourth and fifth part of this Article shall subject to release on probation – on parole in the case of full compensation by them of damage, caused by crime and absence of gross violations of established procedure of service of sentence.

A person, serving of imprisonment, imposed for terroristic or extremist crime, but resulting loss of life and linked with commission of especially grave crime, after actual service of terms, specified in the third, fourth and fifth part of this Article may be released on probation – on parole by court, if he (she) actively assists in prevention, detection or investigation of terroristic or extremist crimes, exposure of participants of terroristic or extremist group.

Pregnant women, women with minor children, men raising minor children, women aged fifty-eight and over, men aged sixty-three and over, persons with the first or second disability groups, person serving imprisonment for grave and especially grave corruption crime, after the actual serving of the terms specified in parts three and five of this article, may be released by the court on parole.

A person serving a prison term for a grave and especially grave corruption crime, who has fulfilled all the conditions of a procedural agreement on cooperation, after the actual serving

of the terms specified in parts three and five of this article, may be released by the court on parole.

Upon that a person may be completely or partially released from service of additional type of sentence.

2. Probationary control shall be established in respect of person, released on probation – on parole by court from service of sentence in the form of imprisonment, during remaining unserved part of punishment, by the rules of second part of Article 44 of this Code. Obligations, provided by Penal Execution Code of the Republic of Kazakhstan shall be also entrusted to the person upon application of conditionally early release.

Probation control shall not be established in case of release on parole of a foreigner or a stateless person, to whom the court imposed the expulsion from the Republic of Kazakhstan as an additional form of punishment.

3. Conditionally early release may be applied only after actual service by the convicted person:

- 1) not less than one third of punishment, imposed for the crime of little or average gravity;
- 2) not less than half of the term of punishment for grievous crime;
- 3) at least two-thirds of the sentence imposed for an especially grave crime;

3-1) at least two-thirds of the remaining unserved term if the earlier release on parole was cancelled on the grounds provided for by paragraphs 1) and 2) of part seven of this article;

4) not less than three-quarters of the term of punishment, if the previously applied conditional early release was canceled on the grounds provided for in paragraph 3) of part seven of this Article;

5) not less than one-third of the term of punishment, imposed for the grievous crime, or not less than a half of the term of punishment, imposed for especially grave crime, in the case of fulfillment of all conditions of procedural agreement by the convicted person.

4. Early release on parole may be applied to pregnant women, women with minor children , men raising minor children alone, women aged fifty-eight and over, men aged sixty-three and over, persons with the first or second disability groups after they actually served the term in the event of:

1) not less than one-fourth of the term of punishment, imposed by the court for the crime of little or average gravity;

2) not less than one-third of the term of punishment, imposed by the court for the grievous crime;

3) not less than a half of the term of punishment, imposed by the court for especially grave crime, not linked with infringement on human life, as well as if previously applied conditionally early release was cancelled on the grounds, provided by paragraphs 1) and 2) of seventh part of this Article;

4) not less than two-thirds of the term of punishment, imposed by the court for especially grave crime, linked with infringement on human life, or the crimes provided by paragraph 3)

and 5) of third part of Article 120 and paragraphs 3) and 5) of third part of Article 121 of this Code, as well as if previously applied conditionally early release was cancelled on the grounds, provided by paragraph 3) of seventh part of this Article;

5) not less than one-fourth of the term of a punishment, imposed for the grievous crime, or not less than one-third of the term of punishment, imposed for especially grave crime, in the case of fulfillment of all conditions of procedural agreement by convicted person.

5. The term of imprisonment, actually served by convicted person may not be less than six months.

6. A person, serving a life imprisonment, imposed by the court may be released on probation – on parole, if a court recognizes that he (she) does not need further serving of sentence and actually served not less than twenty five years of imprisonment.

In the case if a person, serving a life imprisonment, imposed by the court, fulfilled all the conditions of procedural agreement, he (she) may be released on probation – on parole after actual service not less than fifteen years of imprisonment.

7. If during remaining unserved part of punishment a person, to whom conditionally early release is applied, committed:

1) two or more administrative infractions, for which administrative sanctions were imposed to him (her), or evaded without acceptable reason from performance of obligations, entrusted to him (her) upon application of conditionally early release more than two times, or did not come for registration without acceptable reason on chosen place of residence during five business days after release from the places of detention, a court on presentation of the authorized state body may decree on cancellation of conditionally early release and execution of remaining unserved part of punishment;

2) a crime through negligence, as well as a criminal infraction, an intentional crime of minor gravity by a pregnant woman, a woman with minor children, a man raising young children alone, a woman aged fifty-eight and over, a man aged sixty-three and over the years, by a person with the first or second disability groups, the court shall decide on revoking or upholding parole when sentencing for a new crime. If the court revokes early release on parole, the punishment shall be imposed according to accumulative sentencing rules;

3) intentional crime, except for the cases, specified in paragraph 2) of this Article, a court shall impose to him (her) a punishment by the rules of imposition of punishment on a set of sentences.

8. Parole does not apply to persons:

1) for whom the death penalty was replaced by liberty deprivation by way of pardon or in connection with the application of the law abolishing the death penalty;

2) convicted of a terrorist or extremist crime that resulted in the death of people or associated with the commission of a particularly serious crime;

3) convicted for a grave and especially grave corruption crime, with the exception of:

cases of committing such crimes by pregnant women, women with minor children, men raising minor children alone, women aged fifty-eight and over, men aged sixty-three and over, persons with disabilities of the first or second group;

convicts who have fulfilled all the conditions of the procedural agreement on cooperation;

4) convicted of a crime against the sexual inviolability of minors, except for the case when such a crime is committed by a person who has not reached the age of majority in relation to a minor aged fourteen to eighteen years of age;

5) convicted of intentionally causing death to a person as part of a criminal group, with the exception of cases of committing such crimes by pregnant women, women with young children, men raising young children alone, women aged fifty-eight and over, men aged sixty-three and over, persons with disabilities of the first or second group.

Footnote. Article 72 as amended by the Law dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 01.04.2019 № 240-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 19.12.2020 № 384-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication); dated 27.06.2022 № 129-VII (shall be enforced ten calendar days after the date of its first official publication); dated 17.03.2023 № 212-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 73. Commutation of unserved part of punishment by the more lenient type of punishment or reduction of term of imposed punishment

1. A person, serving imprisonment for the crime of little, average gravity or grievous crime, in the case of full compensation by them of damage, caused by crime and absence of gross violations of established procedure of service of sentence, remaining unserved part of punishment may be commuted by more lenient type of punishment. Upon that a person may be completely or partially released from service of additional type of punishment, except for the punishments, imposed for life.

2. The unserved part of a sentence may be replaced by a milder type of punishment after the convict's actual serving of at least one-fourth of a sentence for committing a crime of minor and medium gravity, one-third of a sentence - for grave crimes.

Replacing the unserved part of a sentence with a milder type of punishment does not apply to persons convicted of a crime against sexual inviolability of minors unless such a crime was committed by a minor against a minor aged between fourteen and eighteen years, a terrorist or extremist crime that resulted in human deaths or related with the commission of an especially grave crime, as well as a crime committed as part of a criminal group.

With regard to foreigners and stateless persons, the unserved part of a sentence may be replaced only with a fine, with or without expulsion from the Republic of Kazakhstan.

2-1. In case of cancellation of the release on parole from serving a sentence of imprisonment, the terms specified in part two of this article shall be calculated on the basis of the remaining unserved part of the sentence, and in case of accumulative sentencing – in the manner prescribed by paragraphs 2) and 3) of part seven of Article 72 of this Code, based on the final sentence imposed.

3. Upon commutation of unserved part of punishment, a court may choose a fine at the rate of one monthly calculation index for four days of imprisonment or restriction of liberty at the rate of one day of restriction of liberty for one day of imprisonment. Full compensation of damage, caused by the crime shall be condition of commutation to the fine.

4. A person, serving imprisonment for the crime of little, average gravity, grievous or especially grave crimes, in the case if he (she) during service of sentence is assisted to detection and investigation of crimes, committed by criminal group, or executed all the conditions of procedural agreement, remaining unserved part of punishment may be reduced by the court not more than for half. Reduction of the unserved part of the sentence shall not be applied to persons convicted of a crime against the sexual inviolability of minors, except in the case of the commission of such a crime by a minor against a minor between fourteen and eighteen years of age.

Footnote. Article 73 as amended by the Law of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 30.12.2020 № 393-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 74. Reprieve of service of sentence to the pregnant women and women with young children , men alone raising young children

1. A court may reprieve a service of sentence to convicted pregnant women of up to one year. A court may reprieve execution of punishment of up to five years, but not more than until the child reaches the age of fourteen, to the convicted women with young children, men alone raising young children. Reprieve of service if sentence shall not be presented to the pregnant women and women with young children, men alone raising young children, convicted to imprisonment for the term more than five years for grievous or especially grave crimes against personality, crimes of terrorism, extremist crimes, crimes, committed in a composition of criminal group, crimes against sexual immunity of minors.

2. In the cases, if convicted person, specified in a first part of this Article is abandoned child or continues to evade from child-rearing or violate public order after twofold written warning, rendered by the body, carrying out control for convicted person, in relation of which service of sentence is reprieved, a court on presentation of this body may cancel reprieve of

service of sentence and direct convicted person for service of sentence to the place, appointed in accordance with court verdict.

3. Upon expiration of the term of reprieve of execution of punishment in the cases of death of a child or termination of pregnancy, a court may release him (her) from service of sentence or commute an imposed punishment by more lenient type of punishment or make decision on direction of convicted person to the relevant institution for service of sentence.

4. If convicted person commits a new crime in the period of reprieve of service of sentence, a court shall impose him (her) a punishment by the rules of imposition of punishment on a set of sentences.

Article 75. Release from punishment or suspension of punishment due to illness

Footnote. The heading of Article 75 as amended by the Law of the Republic of Kazakhstan dated 17.03.2023 № 212-VII (shall be enforced sixty calendar days after the date of its first official publication).

1. A person who after commission of criminal infraction suffered from mental disease, denying the opportunity to realize actual nature and social danger of his (her) actions (omission) or control them shall be released from punishment by court, and person, serving a sentence shall be released from his (her) further service by court. Compulsory measures of a medical nature, provided by this Code may impose to such persons.

2. A person who suffers from another serious illness that prevents the serving of a prison sentence, except for life imprisonment, may be released by a court from serving the sentence, or he or she may be released by the court from serving the sentence, or the punishment may be replaced by a more lenient punishment, given the nature of the disease, the gravity of the criminal offense committed, personality of the convicted person and other circumstances.

3. Persons, specified in the first and second part of this Article, in the case of their recovery shall subject to a criminal responsibility and punishment, if the periods of limitations of bringing to a criminal responsibility or guilty verdict are not expired.

4. Postponement of serving a sentence shall not be applied to persons convicted of a sexual crime against minors, with the exception of the case when such a crime is committed by a minor against a minor between the ages of fourteen and eighteen, a terrorist or extremist crime that caused the death of people or is associated with the commission of a specially grave crime, as well as a crime committed as part of a criminal group.

Footnote. Article 75 as amended by the Law of the Republic of Kazakhstan dated 17.03.2023 № 212-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 76. Release from punishment and reprieve of service of sentence due to set of grave circumstances

1. A person, convicted for a criminal offence or crime of little and average gravity may be released from punishment by court, if the consequences, resulting especially grave consequences for his (her) family due to fire or natural disaster, serious illness or death of the only employable member of the family or other emergency circumstances are occurred.

2. The court may reprieve service of punishment up to three months upon existence of grounds, specified in part one of this Article, to the person convicted to deprivation of liberty for a grave or an especially grave crime, except for the persons convicted for terroristic or extremist crime, or crime committed as part of a criminal group or against sexual immunity of minors.

The restriction in the deferral of serving a punishment shall not be applied to the minors in case of commission a crime in respect of a minor aged between fourteen and eighteen years.

Footnote. Article 76 as amended by the Law of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 77. Release from service of sentence in connection with expiration of the period of limitations of guilty verdict

1. A person, convicted for the criminal infraction shall be released from service of sentence, if guilty verdict was not executed in the following terms, considering from the date of entry its entry into force:

- 1) one year upon conviction for a criminal offence;
- 2) two years in case of conviction for a crime of little gravity;
- 3) five years in case of conviction for a crime of average gravity;
- 4) ten years upon conviction for the grievous crime;
- 5) fifteen years upon conviction for especially grave crime.

2. Validity period of limitations on criminal offences independent from commission of a new criminal infraction shall not be suspended and terminated.

3. The limitation period for crimes shall be suspended if the convicted person evades serving the punishment. In this case, the limitation period shall be renewed from the moment of detention of the person or his/her surrender. The limitation periods which have expired by the time of evasion of the convicted from serving the punishment, shall be subject to offset. However, a conviction may not be carried out if twenty years have elapsed since its issuance and the limitation period has not been interrupted by commission of a new crime. In case of deferment of serving the punishment, the period of limitation shall be suspended until the expiration of the limitation period.

4. Validity period of limitations on the crimes shall be terminated, if before expiration of the terms, specified in a first period of this Article a person commits a new intentional crime. In these cases calculation of period of limitations begins anew from the date of commission of a new crime.

5. The issue of applying the statute of limitations to a person sentenced to life imprisonment shall be decided by the court. If the court does not find it possible to apply the statute of limitations, life imprisonment shall be replaced by twenty-five years' imprisonment term. The periods of limitation shall not be applied to the persons convicted for commission of crimes against sexual immunity of minors, except for the case of commission of such a crime by a minor in respect of a minor aged between fourteen to eighteen, against peace and security of mankind, corruption crimes, terroristic crimes, extremist crimes, torture, as well as especially grave crimes against the person, the foundations of constitutional system and state security, in the sphere of economic activity.

Footnote. Article 77 as amended by the Laws of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.12.2021 № 89-VII (effective ten calendar days after the date of its first official publication).

Article 78. Release from criminal responsibility and punishment on the basis of an act of amnesty or pardon

1. An act of amnesty shall be issued by the Parliament of the Republic of Kazakhstan in relation of individually undetermined set of people.

2. On the basis of an act of amnesty, the persons, convicted a criminal offence or crime of little or average gravity may be released from criminal responsibility. Persons, convicted for commission of criminal offence or crime of little or average gravity may be released from punishment or his (her) imposed punishment may be reduced or commuted by more lenient type of punishment, or such person may be released from additional type of punishment. The term of imposed punishment may be reduced to the persons, convicted for commission of grievous or especially grave crime. A conviction may be released by an act of amnesty from the persons, served a sentence or convicted from its further service.

An act of amnesty shall not be applied to the persons, who committed crimes against sexual immunity of minors, except for the case of commission of such a crime by a minor in respect of a minor aged between fourteen and eighteen years, terroristic crimes, extremist crimes, torture, as well as the punishment to whom is imposed in case of recidivism or dangerous recidivism of crimes.

3. An act of pardon of individually defined person, in relation of whom a guilty verdict is entered into legal force, and equally the persons, serving or served a sentence in the territory of the Republic of Kazakhstan, as well as imposed by court verdict of foreign state shall be issued by the President of the Republic of Kazakhstan.

4. Upon pardon a person, convicted for the crime may be released from further service of sentence or his (her) imposed punishment may be commuted by more lenient type of punishment, or such person may be released from additional type of punishment. A

conviction may be released by act of pardon from the person, served a sentence or convicted from its further service.

Footnote. Article 78 as amended by the Law of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 79. Conviction

1. A person, convicted for commission of a crime shall be considered to be judged from the date of entry of guilty verdict into legal force until the moment of cancellation or release. Conviction shall be considered upon determination of repetition of crimes, dangerous repetition of crimes and upon imposition of crime in accordance with this Code.

2. A person, convicted from punishment, as well as convicted from commission of a criminal offence shall be recognized as not having conviction.

3. Conviction shall be cancelled:

1) in relation of persons, conditionally convicted, - upon expiration of the term of probationary control;

2) in relation of persons, convicted to more lenient types of punishments, than imprisonment,- on the actual service of sentence;

3) in relation of persons, convicted to imprisonment for the crime of little or average gravity, - upon expiration of three years after service of sentence;

4) in relation of persons, convicted to imprisonment for grievous, - upon expiration of six years after service of sentence;

5) in relation of persons, convicted to imprisonment for especially grave crimes, - upon expiration of eight years of service of sentence.

4. If convicted person was early released from service of sentence in the manner established by the Law of the Republic of Kazakhstan or unserved part of punishment is commuted by more lenient type of punishment, the term of cancellation of conviction shall be calculated on the basis of actually served term of sentence from the date of release from service of basic and additional types of punishments.

5. If an additional punishment is imposed to the person on a court verdict together with basic punishment, the term of cancellation of conviction shall be calculated from the date of service of basic and additional types of punishments.

In the cases of imposition of additional punishment in the form of deprivation of the right to occupy determined posts or to engage in a determined activity for the life term, the term of cancellation of conviction shall be calculated from the date of service of the basic type of punishments.

6. Upon conviction of person on a set of criminal infractions or on a set of sentences for the crime, relating to the different extent of gravity, convictions shall be cancelled for each

crime independently, upon that the terms of cancellation shall be calculated from the date of service of sentence on a set of criminal infractions or set of sentences.

7. If convicted person after service of sentence behaved impeccably, on his (her) application a court may release conviction from him (her) before expiration of the term of cancellation of conviction.

This regulation shall not be applied to the persons, convicted to imprisonment for grievous or especially grave crimes, as well as a punishment to whom is imposed upon repetition of crimes or dangerous repetition of crimes.

8. Validity period, cancelling conviction shall be suspended if the convicted person again committed a crime before expiration of the term of cancellation of conviction. The term of cancellation of conviction on a first crime shall be calculated anew after actual service of basic and additional types of punishments for the last crime. In these cases a person shall be considered to be convicted for both crimes before expiration of the term of cancellation of conviction for more grievous of them.

9. Expunction of a criminal record shall annul all the penal consequences provided for by this Code, with the exception of restrictions established by an additional type of punishment imposed for life, and the case provided for by part ten of this article.

10. Expunction of a criminal record shall not be taken into account when determining the type of penitentiary institution by the court.

Footnote. Article 79 is as amended by Law № 292-VI of the Republic of Kazakhstan as of 27.12.2019 (the enforcement procedure is in Art.2); dated 17.03.2023 № 212-VII (shall be enforced sixty calendar days after the date of its first official publication).

SECTION 6. CRIMINAL RESPONSIBILITY OF MINORS

Article 80. Criminal responsibility of minors

1. The minors to whom an action of this section is applied shall be recognized as persons that reached the age of fourteen, but did not reach the age of eighteen at the moment of commission of criminal infraction.

2. A punishment may be imposed to the minors, committed a criminal infraction or the compulsory measures of educational impact may be applied to them.

Article 81. Types of punishments, imposed to the minors

1. Types of punishments, imposed to the minors shall be:

- 1) deprivation of the right to engage in certain activity;
- 2) a fine;
- 3) correctional labour;
- 4) community service;
- 5) restriction of liberty;

6) imprisonment.

2. Deprivation of the right to engage in certain activity shall be imposed to the minors for the term of one year up to two years.

3. A fine shall be imposed only if the convicted minor has independent earnings or property to which the penalty may be levied. A fine is imposed in the amount of five to one hundred monthly calculation indices.

5. Community services shall be imposed for a term of ten to seventy-five hours, is in the performance of works, feasible for a minor, and is performed by them in their free time from study or basic work. The duration of execution of this type of punishment by the persons under the age of sixteen may not exceed two hours a day, and by the persons at the age of sixteen to eighteen – three hours a day.

6. Restriction of liberty shall be imposed to the minors for the term up to two years, and in the case of commutation of unserved part of punishment in the form of imprisonment by restriction of liberty – for the whole period of remaining unserved part of punishment.

7. An imprisonment may be imposed to the minors for the term not exceeding ten years, and for murder upon aggravating circumstances or an act of terrorism or on a set of criminal infractions, one of which is murder upon aggravating circumstances or an act of terrorism, - twelve years. An imprisonment shall not be imposed to the minors, committed a crime of little gravity or a crime of average gravity, not related with cause death.

8. Deprivation of liberty by the convicted minors shall be served in institutions of the medium-security penal system for the maintenance of minors

9. Is excluded by the Law of the Republic of Kazakhstan dated 18.04.2017 № 58-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

10. A court may give instructions to the body, executing a punishment, on a record upon treatment of convicted minor of certain features of his (her) personality.

Footnote. Article 81 as amended by the Laws of the Republic of Kazakhstan dated 18.04.2017 № 58-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 82. Imposition of punishment to the minor

1. Upon imposition of punishment to the minor, except for the circumstances, provided by Article 52 of this Code shall be considered conditions of his (her) life and education, level of mental development, other futures of personality, as well as influence on him of older persons

2. The minor age shall be considered as mitigating circumstance in a set with mitigating and aggravating circumstances.

Article 83. Release of minors from criminal responsibility and punishment

1. A minor, convicted a criminal offence or crime of little gravity or first committed a crime of average gravity may be released by court from a criminal responsibility, if it is established that his (her) correction is possible without bringing to criminal responsibility. When a minor is released from criminal liability, coercive measures of educational impact shall be applied to him/her.

2. A minor, first convicted for commission of criminal offence or crime of little or average gravity may be released by court from a punishment, if it is recognized that his (her) correction may be reached by application of compulsory measures of educational impact.

3. A minor who has committed a grave crime for the first time, not related with causing death or grave harm to human health, may be released from criminal liability by the court in the cases provided by part two of Article 68 of this Code.

Footnote. Article 83 as amended by the Law of the Republic of Kazakhstan dated 09.04.2016 № 501-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 15.04.2024 № 72-VIII (shall be enforced upon expiry of sixty calendar days after its first official publication).

Article 84. The compulsory measures of educational impact

1. The following compulsory measures of educational impact may be imposed to the minor:

- 1) warning;
- 2) transfer under supervision of parents or persons, substituting them or specialized state body;
- 3) assignment of obligations to effect a caused harm;
- 4) restriction of leisure and establishment of special requirements to behavior of the minor ;
- 5) placement to the educational organization with special regime of detention;
- 6) assignment of obligations to make apologies to suffered person;
- 7) establishment of probationary control.

2. Simultaneously several compulsory measures of educational impact may be imposed to the minor.

Article 85. Detention and terms of application of compulsory measures of educational impact

1. Warning is explanation of harm, caused by his (her) action to the minors, and consequences of repeated commission of crimes, provided by this Code.

2. Transfer under supervision is assignment of obligations on educational impact to the minor and control of his (her) behavior to the parents or persons, substituting them or specialized state body.

3. An obligation to effect the caused harm shall be imposed in recognition of property position of minors and existence of their relevant work skills.

4. Restriction of leisure and establishment of special requirements to behavior of the minor may provide prohibition of visit definite places, use of certain forms of leisure, as well as related with drive motor vehicles, restriction of presence outside after a certain time of day, travel to other localities without the of specialized state body. Requirement to return to the educational institution, continue or finish education or obtain employment with the help of specialized state body may be also specified to the minor. This list is not exhaustive.

5. Premises in the educational organization with special regime of detention for the term up of six months to two years may be imposed by court to the minor, convicted an intentional crime of average gravity or grievous crime. Stay in these organizations may be terminated earlier in connection with attaining by person majority, as well as if on the basis of conclusion of the specialized state body, providing correction, a court finds that the minor for his correction in the future does not need to apply such measures.

6. Extension of the stay in educational organization with special regime of detention after expiration of the term, provided by the fifth part of this Article shall be allowed only in the case of necessity to finish general education or professional training of the minor, but no more than before attaining by him(her) majority.

7. Procedure and condition of stay of the minors in the educational organizations with special regime of detention shall be determined by the Republic of Kazakhstan.

8. A minor gives individual apologies to the injured person for caused harm.

9. Probationary control shall be established for the term of one year by the rules of second part of Article 44 of this Code.

10. 5. Illegal performance of artificial termination of pregnancy, that by negligence resulted in the death of the victim or infliction of grave harm to her health, -

shall be punished by imprisonment for the term of three to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 319 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 320. Failure to provide medical assistance

Footnote. The heading of Article 320 is as amended by the Law of the Republic of Kazakhstan dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

1. Failure to provide medical care to a patient without good reason by a person obliged to provide it in accordance with the laws of the Republic of Kazakhstan and (or) the standards of the organization of medical care, and (or) the rules for the provision of medical care, if this negligently resulted in causing moderate harm to the health of the patient , –

shall be punished by a fine of up to two hundred monthly calculation indices, or corrective labors for the same amount, or by community services for a term of up to two hundred hours, or by arrest for a term up to fifty days, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. The same action, if it is entailed the death of sick person or infliction of grievous harm to his (her) health by negligence, -

shall be punished by the fine in the amount of up to five thousand monthly calculation indices or correctional works in the same amount, or restriction of liberty for the term of up to five years, or imprisonment for the same term, with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years.

Footnote. Article 320 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 321. Disclosure of secret of a medical worker

Footnote. The heading of Article 321 is as amended by the Law of the Republic of Kazakhstan dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

1. Disclosure of medical details on diseases or results of medical examination of patient, expressed in the report information about a person who has HIV / AIDS by medical employee without professional or needs of the service, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days, with deprivation

of the right to occupy certain positions or engage in certain activity for a term of up to three years.

2. Disclosure of medical details on diseases or results of medical examination of patient by medical employee without professional needs or needs of the service, if this action is entailed the grave consequences, -

shall be punished by a fine in the amount of up to four thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one thousand hours, or restriction of liberty for a term of up to four years or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

Footnote. Article 321 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 07.07.2020 № 361-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 322. Illegal medical and pharmaceutical activity and illegal issuance or forgery of prescriptions or other documents, granting the right to obtain the narcotic drugs or psychotropic substances

1. Engagement in medical or pharmaceutical activity by person, not having a certificate and (or) license for this type of activity, if it is entailed infliction of average gravity harm to health of person by negligence, -

shall be punished by a fine in the amount of up to two hundred monthly calculation indices or corrective labors in the same amount, or community services for a term of up to two hundred hours, or arrest for a term of up to fifty days, with deprivation of the right to hold certain positions and engage in certain activity for a term of up to two years or without it

2. The same action, entailed infliction of grievous harm to human health by negligence, -
shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

3. The action, provided by first part of this Article, entailed the death of person by negligence, -

shall be punished by restriction of liberty for the term of up to five years or imprisonment for the same term, with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

4. The action, provided by first part of this Article, entailed the death of two or more persons by negligence, -

shall be punished by restriction of liberty for the term of three to seven years or imprisonment for the same term, with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

5. Illegal issuance or forgery of prescriptions or other documents, granting the right to obtain the narcotic drugs or psychotropic substances, -

shall be punished by a fine in the amount of up to five thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one thousand two hundred hours, or restriction of liberty for a term of up to five years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

Footnote. Article 322 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 323. Handling with counterfeit medicines or medical products

Footnote. The title of Article 323 is in the wording of the Law of the Republic of Kazakhstan dated 28.12.2018 № 211-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

1. Production, manufacture or storage for the purposes of sale, as well as the use or sale of counterfeit medicines or medical products, if this entailed grave consequences, –

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term, with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. The same actions, committed:

- 1) by group of persons on previous concert;
- 2) repeatedly;
- 3) on a large scale, -

shall be punished by a fine in the amount of up to five thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one thousand two hundred hours, or restriction of liberty for a term of up to five years, or deprivation of liberty for the same term, with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

3. The actions, provided by first or second parts of this Article, committed by criminal group, -

shall be punished by imprisonment for the term of five to ten years with confiscation of property, with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to five years or without it.

Footnote. Article 323 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 28.12.2018 № 211-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Chapter 13. ENVIRONMENTAL CRIMINAL INFRACTION

Article 324. Violation of environmental requirements to the economic or other activity

1. Breach of environmental requirements when using natural resources, designing, locating, building or reconstructing, commissioning or operating enterprises, structures or other facilities, operating industrial, energy, transport or communications facilities, agricultural and melioration facilities, building towns or other settlements, requirements to military or defense facilities, military or space activities, if this act has caused or could cause major damage, or caused harm to human health, –

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. An act, provided for by paragraph 1 of this article, which caused especially large damage or the death of a person, or mass disease of people, -

shall be punished by imprisonment for the term of three to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 324 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 325. Violation of environmental requirements upon handling with environmentally potentially dangerous chemical or biological substances

1. Breach of environmental requirements in the production, transportation, storage, burial, use or other handling of potentially hazardous to the environment chemical or biological substances, if this act caused or could cause significant damage or harm to human health, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days.

2. The same act that has caused or created a threat of causing major damage, as well as committed in a territory with an environmental emergency, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

3. Acts provided for by paragraphs 1 or 2 of this Article, which resulted in the infliction of particularly large damage or the death of a person, or mass disease of people, -

shall be punished by imprisonment for the term of two to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years.

Footnote. Article 325 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 326. Violation of environmental requirements upon handling with microbiological or other biological agents or toxins

1. Breach of environmental requirements in the storage, destruction or burial of microbiological or other biological agents or toxins, or their illicit conveyance to the Republic of Kazakhstan for processing, storage or burial, if this act caused or could cause significant damage or harm to human health, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days.

2. The same act that has caused or created a threat of causing major damage, as well as committed in a territory with an environmental emergency, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

3. Acts provided for by paragraphs 1 or 2 of this Article, which have resulted in the infliction of particularly large damage or the death of a person, or mass disease of people, -

shall be punished by imprisonment for the term of three to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 326 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 327. Violation of veterinary rules or rules, established for disease control and plant pests

1. Violation of veterinary rules, entailed spread of epizootic or other grave consequences,

-

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term.

2. Violation of rules, established for disease control and plant pests, entailed the grave consequences, -

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term.

Footnote. Article 327 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 328. Pollution, clogging or depletion of waters

1. Pollution, littering, depletion of surface or ground waters, glaciers, drinking water sources, or any other change in their natural properties, if this caused or could cause significant damage or caused harm to human health, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days.

2. The same acts that have caused or created a threat of causing major damage, also committed in specially protected natural areas or in areas with an environmental emergency, –

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to

eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

3. Acts provided for by paragraphs 1 or 2 of this Article, which have resulted in the infliction of particularly large damage or the death of a person, or mass disease of people, - shall be punished by imprisonment for the term of two to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 328 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 329. Pollution of the atmosphere

1. Pollution of atmospheric air or any other change in its natural properties as a result of breaching the environmental requirements, if this deed caused major damage or harm to human health, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. The same act, which caused especially large damage or death of a person, or mass disease of people, -

shall be punished by imprisonment for the term of three to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 329 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 330. Pollution of the marine environment

1. Pollution of the marine environment as a result of breaching the environmental requirements, if this act has caused major damage or harm to human health, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of

liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. The same act, which caused especially large damage or death of a person, or mass disease of people, -

shall be punished by imprisonment for the term of three to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 330 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 331. Violation of the legislation on continental shelf of the Republic of Kazakhstan and exclusive economic zone of the Republic of Kazakhstan

1. Illegal erection of construction on the continental shelf of the Republic of Kazakhstan, creation the safety zone around them or in the exclusive economic zone of the Republic of Kazakhstan, as well as violation of rules of construction, operation, protection and liquidation of built structures and means to ensure the safety of maritime navigation –

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to one year or without it.

2. Investigation, exploration, development of the natural resources of the continental shelf of the republic of Kazakhstan or exclusive economic zone of the Republic of Kazakhstan, conducted without relevant permission, -

shall be punished by a fine in the amount of up to two hundred monthly calculation indices or corrective labors in the same amount, or community services for up to two hundred hours, or arrest for up to fifty days, with deprivation of the right to hold certain positions or engage in certain activity for up to three years or without it.

Footnote. Article 331 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 332. Spoilage of land

1. Littering of soil with industrial, household or other emissions or waste, as well as poisoning, pollution or other damage to the land with harmful products of economic or other activities due to breach of the rules for handling pesticides, toxic chemicals, fertilizers, plant

growth stimulants or other hazardous chemical, radioactive or biological substances during their storage, use, transportation or burial, if these acts caused or could cause major damage or harm to human health, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. The acts provided for by the first part of this article, which entailed:

1) infliction of particularly large damage or other grave consequences;

2) infliction of major damage in specially protected natural areas or in an ecological emergency zone or in an ecological disaster zone, -

shall be punished by imprisonment for the term of three to seven years, with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

3. The acts provided for by the first part of this article, which have entailed the infliction of particularly large damage or the onset of other grave consequences in specially protected natural areas, -

shall be punishable by imprisonment for a term of three to ten years, with or without deprivation of the right to hold certain positions or engage in certain activities for a term up to five years.

Footnote. Article 332 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 333. Violation of rules of protection and use of subsoil

1. Breach of the rules for the protection and use of subsoil during the design and conduct of subsoil use operations, as well as general environmental requirements at all subsoil use stages, if this act has caused or could have caused major damage, or caused harm to human health, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

2. The same act, which caused especially large damage or death of a person, or mass disease of people, -

shall be punished by imprisonment for the term of three to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 333 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 334. Unauthorized subsoil use

1. Unauthorized subsoil use, as well as unauthorized extraction of minerals, if these acts have caused a significant damage, -

shall be punishable by a fine of up to three thousand monthly calculation indices, or by corrective labor in the same amount, or by community service for up to eight hundred hours, or by restraint of liberty for a term of up to three years, or deprivation of liberty for the same term, with confiscation of property, or without it, with deprivation of the right to hold certain positions or engage in certain activities for up to three years or without it.

2. The same acts:

- 1) causing major damage;
- 2) committed by a group of persons or a group of persons in collusion;
- 3) committed repeatedly, -

shall be punishable by a fine of up to four thousand monthly calculation indices, or by corrective labor in the same amount, or by community service for up to one thousand hours, or by restraint of liberty for a term of up to four years, or by deprivation of liberty for the same term, with confiscation of property or without it, with deprivation of the right to hold certain positions or engage in certain activities for up to three years.

3. The deeds provided for by the first or second parts of this article, committed:

- 1) by a criminal group;
- 2) in specially protected natural areas;
- 3) with infliction of particularly large damage, –

shall be punished by imprisonment for a term of three to seven years, with or without confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for a term of up to ten years.

Footnote. Article 334 - as amended by the Law of the Republic of Kazakhstan dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 335. Illegal extraction of fish resources, other aquatic animals or plants

1. Illegal extraction of fish resources, other aquatic animals or plants, if this action is committed:

- 1) with infliction of significant damage;

2) with the use of explosives or chemical substances, electro current or other methods of mass destruction of fishery resources and other aquatic animals and plants,-

shall be punished with a fine worth up to three thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or imprisonment for the same term, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for up to five years.

2. The same action, committed repeatedly,-

shall be punished with a fine worth up to four thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of up to one thousand hours, or restriction of liberty for a term of up to four years, or imprisonment for the same term, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for up to five years.

3. The acts, provided for by parts one or two of this article, which are committed:

1) against rare and endangered species of animals, and also animals, the use of which is banned, including sturgeon species;

2) in spawning grounds, breeding sites of other aquatic animals or on migration routes thereto;

3) by a person using his/her official position;

4) by a group of persons, a group of persons by previous concert;

5) using a self-propelled floating vehicle;

6) in specially protected natural areas and in areas with an emergency ecological situation

-

shall be punished with a fine worth up to six thousand monthly calculation indices, or with corrective labor in the same amount, or restriction of liberty for a term of three to six years, or imprisonment for the same term, with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for up to seven years.

4. The acts, provided for by parts one, two or three of this article, which are committed:

1) with causing large-scale damage;

2) by a criminal group;

3) by a person deprived of the right to engage in fishing, hunting other aquatic animals or gathering plants -

shall be punished with imprisonment for a term of six to ten years, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for a term of up to ten years.

Footnote. Article 335 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2).

Article 336. Violation of rules of protection of fishery resources

Violation of rules of protection of fishery resources upon construction of bridges, dams, performing blasting or other works, operation of water intake structures and pumping mechanisms, if this action entailed or may entail mass death of fish or other aquatic animals,-

shall be punishable by a fine in the amount of up to one hundred and sixty monthly calculation indices, or by corrective labor in the same amount, or by engagement in public works for a term of up to one hundred and sixty hours, or by arrest for a term of up to forty days, with deprivation of the right to occupy certain positions or engage in certain activities for a term of up to two years or without it.

Footnote. Article 336 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 28.10.2019 № 268-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); № 292-VI dated 27.12.2019 (see Article 2 for the order of entry into force).

Article 337. Illegal hunting

1. Illegal hunting, also using firearms, pneumatic, throwing, cold weapons, other types of hunting tools, dogs, birds of prey, horseback riding, horse-drawn vehicles, if this act is committed with significant damage, as well as illegal hunting with explosive devices or other means of mass destruction of animals, aircraft, automobiles, motor vehicles, including oversnow equipment, or small craft -

shall be punished with a fine worth up to three thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or imprisonment for the same term, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for up to three years.

2. Illegal hunting, provided for by part one of this article, which is committed repeatedly - shall be punished with a fine worth up to four thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of up to one thousand hours, or restriction of liberty for a term of up to four years, or imprisonment for the same term, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for a period of up to three years.

3. Illegal hunting, provided for by parts one or two of this article, which is committed by a group of persons, a group of persons by previous concert -

shall be punished with a fine worth up to five thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of

up to one thousand two hundred hours, or restriction of liberty for a term of up to five years, or imprisonment for the same term, with confiscation property, with the deprivation of the right to hold certain positions or engage in certain activities for up to five years.

4. Illegal hunting, provided for by parts one, two or three of this article, which is committed:

- 1) in specially protected natural areas or in areas with emergency ecological situation;
- 2) against rare and endangered species of animals, and also animals, the use of which is banned;
- 3) by a person using his/her official position;
- 4) with causing large damage –

shall be punished with a fine worth up to six thousand monthly calculation indices, or with corrective labor in the same amount, or restriction of liberty for a term of three to six years, or imprisonment for the same term, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for up to seven years.

5. Is excluded by Law № 268-VI of the Republic of Kazakhstan as of 27.12.2019 (shall be enforced ten calendar days after its first official publication).

6. Illegal hunting provided for by parts one, two, three or four of this article, which is committed:

- 1) by a criminal group;
- 2) with causing especially large damage;
- 3) by a person deprived of the right to hunt according to a final and binding court judgment -

shall be punished with imprisonment for a term of from six to ten years, with confiscation of property, with the deprivation of the right to hold certain positions or engage in certain activities for a term of up to ten years.

Footnote. Article 337 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2).

Article 338. Violation of rules of protection of animal life

Violation of rules of protection of animal life upon carrying out of industrial processes or transport vehicle operation, use of plant-protecting agents, mineral fertilizers or other preparations, entailed mass destruction or death of the animal life, as well as violation of procedure of the use or protection of hunting lands, fisheries waters, inflicted a heavy damage , -

shall be fined in the amount of up to two thousand monthly calculation indices, or by corrective labor in the same amount, or by community service for a term of up to six hundred hours, or by restraint of liberty for a term of up to three years, or by deprivation of liberty for the same term, with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for up to three years or without it.

3. The deeds provided for by the first or second parts of this article, committed:

- 1) by a group of persons or a group of persons in collusion;
- 2) repeatedly;
- 3) by a person using his official position;
- 4) causing major damage;
- 5) in specially protected natural areas, -

shall be punishable by a fine in the amount of up to three thousand monthly calculation indices, or by corrective labor in the same amount, or by community service for a term of up to eight hundred hours, or by restraint of liberty for a term of up to five years, or by deprivation of liberty for the same term, with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for up to three years or without it.

shall be punished by imprisonment for a term of five to ten years with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for a term of up to ten years or without it.

4. The actions, provided by first, second or third parts of this Article, committed by criminal group, -

shall be punished with imprisonment for a term of two to five years with confiscation of property.

Footnote. Article 340 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 02.01.2021 № 401-VI (shall be enforced from 01.07.2021); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 341. Destruction or damaging of forests

1. Destruction or damaging of trees and shrubs both included as not included in the forest fund, except for the trees and shrubs in the household, cottage and garden plots, in the result of careless handling of fire or other source of increased danger, if this action is inflicted a heavy damage, -

shall be punished with a fine worth up to two thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or imprisonment for the same term, with confiscation of property.

2. Intentional destruction or damaging of trees and shrubs both included as not included in the forest fund, except for the trees and shrubs in the household, cottage and garden plots, committed by arson or other dangerous method or in the result of pollution by harmful substances, wastes, emissions and garbage, -

shall be punished with imprisonment for a term of three to eight years with confiscation of property.

Footnote. Article 341 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official publication).

Article 342. Violation of the regime of protecting specially protected natural areas

Footnote. The heading of Article 342 as amended by the Law of the Republic of Kazakhstan dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

1. Violation of the regime of protecting specially protected natural areas, which caused significant damage, –

shall be punishable by a fine in the amount of up to two hundred monthly calculation indices, or by corrective labor in the same amount, or by community service for a term of up to two hundred hours, or by arrest for a term of up to fifty days, with deprivation of the right

to hold certain positions or engage in certain activities for a term of up to three years or without it, with property confiscation.

2. Intentional damaging or destruction of objects of the state natural-reserved fund on the specially protected natural sites, entailed infliction of significant damage, -

shall be punished with a fine worth up to three thousand monthly calculation indices, or with corrective labor in the same amount, or involvement in community service for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or imprisonment for the same term, with or without the deprivation of the right to hold certain positions or engage in certain activities for up to three years, with confiscation of property.

3. The acts referred to in part two of this article, if they have been committed:

- 1) by a group of persons or a group of persons in collusion;
- 2) by a person using his official position;
- 3) repeatedly;
- 4) with infliction of large damage, –

shall be punishable by a fine in the amount of up to four thousand monthly calculation indices, or by corrective labor in the same amount, or by community service for a term of up to one thousand hours, or by restraint of liberty for a term of up to four years, or by deprivation of liberty for the same term, with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for up to three years or without it.

4. Acts referred to in the first, second or third parts of this article, which caused especially large damage, -

shall be punishable by imprisonment for a term of three to seven years with confiscation of property, with deprivation of the right to hold certain positions or engage in certain activities for a term up to three years, or without it.

Footnote. Article 342 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); № 268-VI as of 28.10.2019 (shall be enforced ten calendar days after its first official publication); № 292-VI as of 27.12.2019 (the enforcement procedure is in Art.2); dated 03.01.2023 № 186-VII (shall be enforced sixty calendar days after the date of its first official publication).

Article 343. Failure to take measures to remediate (eliminate) environmental damage

Footnote. The heading of Article 343 is as amended by the Law of the Republic of Kazakhstan dated 02.01.2021 № 401-VI (shall be enforced from 01.07.2021).

1. Excluded by the Law of the Republic of Kazakhstan dated 02.01.2021 № 401-VI (shall be enforced from 01.07.2021).

2. Evasion from carrying out or improper carrying out of remediation (elimination) of environmental damage by persons who are entrusted with the obligation to carry out such

measures, which created a threat of causing death to a person or caused serious or moderate harm to human health, or caused major damage, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to eight hundred hours, or restriction of liberty for a term of up to three years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to two years or without it.

3. Acts provided for by paragraph two of this article, which caused the death of a person or a mass disease of people, or the infliction of particularly large damage, -

shall be punished by imprisonment for the term of two to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 343 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 02.01.2021 № 401-VI (shall be enforced from 01.07.2021).

Chapter 14. TRANSPORT CRIMINAL INFRACTIONS

Article 344. Violation of safety rules or operation of railway, air, sea or river transport

1. Violation of safety rules or operation of railway, air, sea or river transport by person, by virtue of executed work or current position, who is obliged to observe these rules, if this action is entailed infliction of grievous or average gravity harm to human health or infliction of heavy damage by negligence, -

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

2. The same action, entailed the death of person by negligence, -

shall be punished by imprisonment for the term of up to seven years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

3. An action, provided by first part of this Article, entailed the death of person by negligence, -

shall be punished by imprisonment for the term of five years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years.

4. An action, provided by first part of this Article, entailed the death of two or more persons by negligence, -

shall be punished by imprisonment for the term of up to five years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 349 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 350. Intentional disablement of transport vehicles or means of communication

1. Intentional destruction, damaging or disablement for operation by other method of transport vehicles, means of communication, signaling means or communication or other transport equipment, as well as blocking of transport services, if these actions entailed infliction of grievous or average gravity harm to the health of person by negligence or infliction of heavy damage, or derangement of transport and communication, -

shall be punished by a fine in the amount of up to three thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one thousand hours, or restriction of liberty for a term of up to four years, or deprivation of liberty for the same term.

2. The same actions, entailed the death of person by negligence, -

shall be punished by imprisonment for the term of three to eight years.

3. The actions, provided by first part of this Article, entailed the death of two or more persons by negligence, -

shall be punished by imprisonment for the term of six to ten years.

Footnote. Article 350 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 351. Violation of rules, ensuring the safe operation of transport

1. Violation of safety rules or transport vehicles operation by passenger, pedestrian or other road user (except for the person, driving the transport vehicle), if this action is entailed the grievous harm to the health of person by negligence, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days.

2. The same action, entailed the death of person by negligence, -

shall be punished by restriction of liberty for the term of up to four years or imprisonment for the same term.

3. the action, provided by first part of this Article, entailed the death of two or more persons by negligence, -

shall be punished by imprisonment for the term of three to eight years.

Footnote. Article 351 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 352. Unauthorized unnecessarily train stop

Unauthorized unnecessarily train stop by emergency stop device or by disconnecting of air break line or by other method, if it is entailed the death of person or other grave consequences, -

shall be punished by imprisonment for the term of two to eight years.

Article 353. Violation of current rules on transport

1. Violation of current rules on transport of maintenance of order and traffic safety by persons, exercising management functions in the road, construction and other organizations and responsible for the road operation and road structures, their equipment, as well as for organization of road traffic, if this action is entailed infliction of average gravity harm to the health of person by negligence, -

shall be punished by a fine in the amount of up to two hundred monthly calculation indices or corrective labors in the same amount, or community services for a term of up to two hundred hours, or arrest for a term of up to fifty days.

2. The same action, entailed infliction of grievous harm to the health of person by negligence, -

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

3. An action, provided by first part of this Article, entailed the death of person by negligence,-

shall be punished by imprisonment for the term of up to three years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

4. An action, provided by first part of this Article, entailed the death of two or more persons by negligence, -

shall be punished by imprisonment for the term of up to five years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 353 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 354. Violation of safety rules upon construction, operation or repair of main pipelines

1. Violation of safety rules upon construction, operation or repair of main pipelines, if this action is entailed infliction of average gravity harm to the health of person by negligence, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days.

2. The same action, entailed infliction of grievous harm to the health of person or infliction of heavy damage by negligence, -

shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term, with deprivation of the right to hold certain positions or engage in certain activity for a term of up to three years or without it.

3. An action, provided by first part of this Article, entailed the death of person by negligence,-

shall be punished by imprisonment for the term of up to five years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

4. An action, provided by first part of this Article, entailed the death of two or more persons by negligence, -

shall be punished by imprisonment for the term of five to ten years with deprivation of the right to occupy determined posts or to engage in a determined activity for the term of up to three years or without it.

Footnote. Article 354 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 355. Intentional damage or destruction of the pipeline

1. Intentional damage or destruction of the pipeline, as well as oil and gas pipelines, - shall be punished by a fine in the amount of up to two thousand monthly calculation indices or corrective labors in the same amount, or community services for a term of up to six hundred hours, or restriction of liberty for a term of up to two years, or deprivation of liberty for the same term.

2. The same action:

1) entailed infliction of grievous or average gravity harm to the health of person by negligence;

2) committed repeatedly;

3) committed by group of persons on previous concert, -

shall be punished by a fine in the amount of up to five thousand monthly calculation indices or corrective labors in the same amount, or restriction of liberty for a term of up to five years, or deprivation of liberty for the same term.

3. An action, provided by first part of this Article:

1) entailed pollution of environment;

2) entailed infliction of heavy damage;

3) committed by criminal group;

4) entailed the death of person by negligence, -

shall be punished by imprisonment for the term of seven to ten years.

Footnote. Article 355 as amended by the Law of the Republic of Kazakhstan dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 356. Careless damage or destruction of pipelines

1. Damaging or destruction of pipelines, as well as oil and gas pipelines, committed by negligence, entailed deviation from established procedure of operation or created a real threat of infliction of harm to the health of people or environment, -

shall be punished by a fine in the amount of up to one hundred and sixty monthly calculation indices or corrective labors in the same amount, or community services for a term of up to one hundred and sixty hours, or arrest for a term of up to forty days.

2. The same action, entailed:

- 1) infliction of grievous or average gravity harm to the health of person by negligence;
- 2) pollution of environment;
- 3) infliction of heavy damage;
