

On approval of sizes, sources, types and Rules for provision of social assistance to citizens who receive social assistance

Unofficial translation

Decree of the Government of the Republic of Kazakhstan No. 320 dated March 12, 2012.

Unofficial translation

Under sub-paragraph 25-1) of Article 4 of the Law of the Republic of Kazakhstan “On Education”, the Government of the Republic of Kazakhstan hereby **DECREES AS FOLLOWS:**

Footnote. The preamble is reworded by Decree of the Government of the Republic of Kazakhstan № 850 of 26.10.2022 (shall be put into effect ten calendar days after the date of its first official publication).

1. Approve the attached:
 - 1) Rules for provision of social assistance to citizens who receive social assistance;
 - 2) Sizes, sources and types of provision of social assistance to citizens who receive social assistance.
2. Declare to be no longer in force some decisions of the Government of the Republic of Kazakhstan in accordance with Appendix to this Decree.
3. This Decree shall be enforced upon expiry of ten calendar days after the day its first official publication, except for Subparagraph 7) of Paragraph 5 of the Rules for provision of social assistance to citizens who receive social assistance approved by this Decree, Sub-paragraph three of Paragraph 1 of sizes, sources and types providing social assistance to citizens who receive social assistance, approved by this Decree, that shall be enforced from January 1, 2018.

Footnote. Paragraph 3 is in the wording by the Decree of the Government of the Republic of Kazakhstan № 686 dated 26.10.2018 (shall be enforced upon expiry of ten calendar days after the day its first official publication).

The Prime Minister of the Republic of Kazakhstan

K. Massimov

Approved by
the Decree of the Government
of the Republic of Kazakhstan
№ 320 dated March 12, 2012

Rules

for provision of social assistance to citizens who receive social assistance

1. These Rules for the provision of social assistance to citizens who receive social assistance (hereinafter referred to as the Rules) have been developed in accordance with

Article 4, paragraph 25-1, of the Law of the Republic of Kazakhstan "On education" and shall determine the procedure for provision of social assistance to citizens during the period of education in educational organizations.

Footnote. Paragraph 1 - as amended by the Resolution of the Government of the Republic of Kazakhstan dated 01.07.2023 № 534 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

2. The state shall fully cover the costs of social assistance during the period of education:

1) for orphans and children without parental care;

2) children with developmental disabilities, persons with disabilities and persons with disabilities from childhood, children with disabilities who are brought up and (or) educated in residential institutions;

3) children in centres for the adaptation of minors and support of children in need of special social services.

Footnote. Paragraph 2 - as reworded by Decree of the Government of the Republic of Kazakhstan № 182 of 31.03.2022 (shall be enacted ten calendar days after the date of its first official publication); as amended by Decree of the Government of the Republic of Kazakhstan № 850 of 26.10.2022 (shall enter into force ten calendar days after the date of its first official publication); dated 01.07.2023 № 534 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

3. Full government support includes the provision of place of residence in a boarding school for educational institutions, textile products, equipment and uniforms, food, textbooks and medical care.

4. Standards of nutrition, provision of clothing, footwear and soft equipment for children with developmental disabilities, persons with disabilities and persons with disabilities from childhood, children with disabilities, children from large families, children from families receiving targeted social assistance, and children in care (by guardianship), in foster care and in foster care, brought up in organizations for orphans and children left without parental care, and boarding organizations, and children in centres for the adaptation of minors and support of children in need of special social services, are established in accordance with Annexes 4 and 8 to sizes, sources and types.

Footnote. Paragraph 4 - as amended by the Resolution of the Government of the Republic of Kazakhstan dated 01.07.2023 № 534 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

5. The state partially compensates for expenses during education:

1) orphans and children left without parental care, as well as citizens of the Republic of Kazakhstan from among the youth who lost or left without parental care until adulthood;

2) persons with disabilities of the first or second group, persons with disabilities from childhood, children with disabilities;

3) children from large families;

4) children from families entitled to receive targeted social assistance, as well as children from families not receiving state targeted social assistance, in which the average per capita income shall be lower than the subsistence level;

5) children living in boarding schools of general and sanatorium types, boarding schools at schools;

6) children brought up and studying in specialized boarding organizations of education for gifted children;

7) pupils of boarding organizations;

8) children who, for health reasons, for a long time are trained in general education programs of primary, basic secondary, general secondary education at home or in organizations providing medical care in inpatient conditions, as well as rehabilitation treatment and medical rehabilitation;

9) students studying under an educational grant in the non-profit joint-stock company "Kazakh national women's pedagogical university";

10) students studying under educational programs of technical and professional, post-secondary education, providing for the training of qualified workers;

11) other categories of citizens determined by the Laws of the Republic of Kazakhstan.

The state shall compensate the categories of citizens referred to in paragraphs 5), 6) and 7) of paragraph 5 of these Rules for the expenses of food in the amount of 80 per cent of the expenses of food (20 per cent shall be covered by parental fees).

The state, during the period of training in organizations of technical and professional, post-secondary, higher and (or) postgraduate education, compensates for the costs of living in hostels in the amount not exceeding twenty-nine monthly calculated indicators established as of January 1, 2023, per year.

Individuals specified in subparagraphs 3) and 4) of paragraph 5 of these Rules and who shall be under guardianship (guardianship), in foster care and in a foster family, during the period of training in technical and professional, post-secondary, higher education organizations shall be entitled to free hot meals at the rate of 40 percent of the cost of the daily diet for orphans at the expense of the republican or local budgets.

Individuals referred to in subparagraph 9) of paragraph 5 of these Rules shall be compensated by the State for the cost of hot meals in the amount of 100 per cent of the cost of meals.

The state shall compensate the individuals referred to in subparagraph 10) of paragraph 5 of these Rules for the costs of hot meals at the rate of 40 per cent of the cost of daily rations for orphans at the expense of local budgets.

Food expenses can be fully covered by local budgets as decided by local executive bodies.

Students of secondary education organizations from families entitled to receive state targeted social assistance, as well as from families not receiving state targeted social assistance, in which the average per capita income shall be below the subsistence level, and

orphans, children left without parental care, shall be provided with disposable school meals according to the size, sources and types of social assistance to citizens who shall be provided with social assistance approved by this resolution.

Social assistance to orphans and children left without parental care, who shall be trained in educational organizations of technical and vocational, higher education of foreign countries, sent by state bodies of the Republic of Kazakhstan, shall be provided by these state bodies.

Footnote. Paragraph 5 - as amended by the resolution of the Government of the Republic of Kazakhstan dated 16.08.2023 № 689 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

6. Social support during the period of education shall be provided by educational organisations or public authorities of the Republic of Kazakhstan upon written application in any form by orphans and children deprived of parental care who have reached the age of majority, parents or other legal representatives, accompanied by one of the following supporting documents:

- 1) copies of birth certificates - for children from large families;
- 2) copies of the certificate of approval of guardianship (custody) - for orphans and children deprived of parental care brought up in families;
- 3) copies of the agreement on placement of the child (children) in foster care or in a foster family - for orphans and children deprived of parental care who are brought up in families;
- 4) disability certificate - for persons with disabilities and persons with disabilities since childhood, children with disabilities or a copy of the opinion of the psychological, medical and pedagogical consultation - for children with developmental disabilities;
- 5) certificates proving that the applicant (family) is a recipient of state targeted social assistance granted by the local executive authorities - for children from families eligible for targeted social assistance;
- 6) data on income (wages of working parents or their substitutes, income from entrepreneurship and other activities, income from child maintenance and other dependants) - for children from families that are not recipients of state targeted social assistance and where the average income per capita does not exceed the poverty line;
- 7) copies of the order on admission to the educational institution - for individuals specified in subparagraph 10) of paragraph 5 of these Rules.

The average per capita income of a family not receiving state targeted social assistance shall be calculated by dividing the amount of income by the number of months from the beginning of the year until the date of application (including the month of application) for the assignment of funds for social assistance and by the number of family members.

Parents (other lawful guardians) and dependent children under the age of 18 years shall be considered when calculating the average income per capita in the family.

Eligibility for social assistance during education for children from families eligible for targeted social assistance, as well as from families not receiving state targeted social

assistance, where the average per capita income does not exceed the poverty line, must be proved annually by presenting documents to the educational organisation as per sub-paragraphs 4) and 5) of paragraph 6 hereof.

Footnote. Paragraph 6 - as reworded by Decree of the Government of the Republic of Kazakhstan № 182 of 31.03.2022 (shall enter into force ten calendar days from the date of its first official publication); as amended by Decree of the Government of the Republic of Kazakhstan № 850 of 26.10.2022 (shall be brought into force ten calendar days after the date of its first official publication); dated 16.08.2023 № 689 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

6-1. Individuals specified in subparagraphs 1) and 2) of paragraph 5 of these Rules, when settling in hostels of organizations of technical and professional, post-secondary, higher and (or) postgraduate education, shall provide one of the following supporting documents:

1) a copy of the certificate of guardianship (guardianship) - for orphans and children left without parental care;

2) copies of death certificates of parents or certificates from an organization for orphans and children left without parental care;

3) certificate of disability - for persons with disabilities of the first or second group, persons with disabilities from childhood, children with disabilities.

Footnote. The rules as added by paragraph 6-1 in accordance with the resolution of the Government of the Republic of Kazakhstan dated 16.08.2023 № 689 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

7. The educational organisation or public authority of the Republic of Kazakhstan shall consider the application accompanied by the required documents within 10 calendar days of its receipt and make a decision on granting or refusing social assistance.

If parents or other lawful guardians present incomplete and/or expired documents, educational organisations or public authorities of the Republic of Kazakhstan shall refuse to accept the application.

Footnote. Paragraph 7 - as reworded by Decree of the Government of the Republic of Kazakhstan № 182 of 31.03.2022 (shall be enacted ten calendar days after the date of its first official publication).

8. The refusal of citizens to receive social assistance shall be applicant's submission of inaccurate information that entailed the unlawful purpose of social assistance, and untimely notification by recipient of circumstances affecting the receipt of social assistance.

In case of refusal, a reasoned written response shall be given on reasons for refusal to provide social assistance.

9. The heads of technical and vocational, post-secondary and higher education organisations and public authorities in the Republic of Kazakhstan shall:

1) fund travel and subsistence costs for orphans and children deprived of parental care during holiday periods, as specified by law, at the expense of educational establishments and public authorities to the organisations and families where they have been raised;

2) allocate cash to orphans and children deprived of parental care who do not travel to organised holiday destinations during the holiday period, up to the cost of the daily allowance for meals.

Footnote. Paragraph 9 - as reworded by Decree of the Government of the Republic of Kazakhstan № 182 of 31.03.2022 (shall be promulgated upon expiry of ten calendar days from the date of its first official publication).

10. Citizens who receive social assistance, in period of education by decision of local representative authorities, shall be granted the right to preferential travel on public transport.

11. The head of organization of technical and vocational, post-secondary and higher education, if possible, at the expense of educational organizations shall provide free trips to labor camps, boarding houses and dispensaries, rest homes, student health camps, and with the availability of medical grounds, sanatoriums of the corresponding profile:

1) orphans and children without parental care;

2) persons with disabilities and persons with disabilities from childhood, children with disabilities.

Footnote. Paragraph 11 as amended by Decree of the Government of the Republic of Kazakhstan № 850 of 26.10.2022 (shall be put into effect ten calendar days after the date of its first official publication).

12. The expenses associated with the travel of orphans and children without parental care, on complete state provision in period of education, shall be made by the funds of educational organizations based on the cost of school and student tickets.

13. In institutions of continuing education, the education of orphans and children without parental care shall be carried out at the expense of these organizations.

14. Expenses of citizens, to whom social assistance is provided, during the period of their education shall be examined by the competent authority in the field of education or relevant administrator of budgetary programs based on applications of state educational organisations when forming the republican and local budgets pursuant to the procedure stipulated by the laws of the Republic of Kazakhstan.

Footnote. Paragraph 14 - as reworded by Decree of the Government of the Republic of Kazakhstan № 182 of 31.03.2022 (shall come into force ten calendar days after the date of its first official publication).

Approved by
the Decree of the Government
of the Republic of Kazakhstan
№ 320 dated March 12, 2012

The sizes, sources and types of provision of social assistance to citizens who receive social assistance
