No. 1384 dated October 31, 2012

**Rules for Posting Reports Necessary for State Bodies on the Internet resource of the National Wealth Fund**

**1. General provisions**

1. These Rules for Posting Reports Required by State Bodies on the National Wealth Fund Website (hereinafter, the Rules) have been drawn up as per paragraph 3 of Article 13 of the Law of the Republic of Kazakhstan “On the National Wealth Fund

” and establish the procedure for posting reports required by state bodies on the National Wealth Fund website (hereinafter, the Fund) and organisations forming part of the Fund group (hereinafter – the Organisations).

**Footnote. Paragraph 1 - as reworded by Decree of the Government of the Republic of Kazakhstan No. 949 dated 29.12.2021 (shall be put into effect ten calendar days after the date of its first official publication).**

2. Reporting - a set of information on the results and working conditions of the Fund and / or organization for a certain period of time, compiled on the basis of current information about the activities of the reporting object, for the provision of which the Fund and / or organization requires the collection, processing and / or systematization of available information, its updating and implementation of other similar actions.

Other concepts and definitions shall be used in the Rules in accordance with the laws of the Republic of Kazakhstan.

3. The reporting provided for by these Rules shall be provided by posting relevant information according to the list, forms and frequency approved by the decision of the Government of the Republic of Kazakhstan on the Internet resource of the Fund and providing access to state bodies.

Reporting not provided by the list approved by the decision of the Government of the Republic of Kazakhstan shall not be provided upon the request of state bodies by the Fund and organizations.

The Fund and (or) organizations, in cases expressly provided for by the laws of the Republic of Kazakhstan, acts of the President of the Republic of Kazakhstan, and the Government of the Republic of Kazakhstan, shall provide information in the manner prescribed by the specified regulatory legal acts .

Information shall be also provided in pursuance of instructions of the President of the Republic of Kazakhstan to state bodies, provided that the Fund and (or) organizations are executors or co-executors of these instructions, as well as pursuant to the relevant clauses assigned to the Fund and (or) organizations by orders of the Presidential Administration of the Republic Kazakhstan or upon its request.

This information shall be presented without posting on the Internet resource of the Fund.

In case of transfer of blocks of shares (participatory interests) of organizations to the trust management of state bodies, the reports relating to the activities of such organizations shall be submitted to them by the Fund and organizations in accordance with the terms of the trust management agreement .

4. The Fund shall ensure the provision of reliable and timely information necessary for state bodies on the Internet resource of the Fund in the manner prescribed by the legislation of the Republic of Kazakhstan.

## **2. Procedure for posting reports on the Internet resource of the Fund**

5. Reporting posted on the Fund's Internet resource in accordance with these Rules shall include electronic information resources containing information on the activities of the Fund and (or) organizations required by state bodies according to the list, forms and frequency approved by the decision of the Government of the Republic of Kazakhstan.

6. Electronic information resources posted on the Foundation's Internet resource in accordance with these Rules shall be restricted information and belong to the category of confidential electronic information resources.

7. The Fund shall implement legal, organisational and technical (software and hardware) measures required by the Law of the Republic of Kazakhstan "On Informatisation" to protect electronic information resources of restricted access placed on the Fund's website.

**Footnote. Paragraph 7 - as reworded by Decree of the Government of the Republic of Kazakhstan No. 949 dated 29.12.2021 (shall take effect ten calendar days after the date of its first official publication).**

8. On the Internet resource of the Fund it shall be prohibited to post electronic information resources transferred from state secrets in accordance with the legislation of the Republic of Kazakhstan.

9. Reporting shall be posted on the Foundation's Internet resource in the state and Russian languages and shall contain:

- 1) reliable information corresponding to the actual state of affairs of the reporting subject in the relevant reporting area;
- 2) relevant information.

The relevance of the information provided shall be ensured by the placement (updating) of reports on the Internet resource of the Fund in accordance with the frequency approved by the decision of the Government of the Republic of Kazakhstan.

10. The Internet resource of the Fund shall contain the information on the date and time of placement (updating) of reports. At the same time, statements posted earlier (prior to updating) shall be saved on the Internet site of the Fund.

Archived reporting data cannot be deleted from the Internet resource of the Fund (with the exception of technical errors) for 5 (five) years.

11. Reporting shall be posted on the Internet resource of the Fund in Excel format and other publicly available formats.
