" _____ " 20 _____ " _____ " 20 _____

(Place of Seal) (Place of Seal)

(name of settlement)

(date of preparation)

Content

1. General information about object.
2. Characteristics of object.
3. Information on engineering and technical equipment and counter-terrorism protection of object, in accordance with the requirements for the system of counterterrorism protection of objects, as determined by the Government of the Republic of Kazakhstan
4. Plan of object.
5. Floor plans of buildings (structures) of object.
6. Schemes of engineering communications of buildings (structures) of object.

Chapter 1. General information about object

Footnote. The heading of Chapter 1 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

1. General information about object:
 - 1) category;
 - 2) profile of activity;
 - 3) full and abbreviated name;
 - 4) departmental affiliation, legal form;
 - 5) a print sample;
 - 6) postal address, telephone, fax, email address;
 - 7) surname, name, patronymic (if any) of the head, deputy head (work, home and cell phones).

Footnote. Paragraph 1 as amended by the Decree of the Government of the Republic of Kazakhstan dated c 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

Chapter 2. Characteristics of the object

Footnote. The heading of Chapter 2 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

2. The total area of object (square meters).
3. The presence in the territory of car parking (number of parking spaces), individual buildings and structures.
4. Perimeter fencing, equipment of perimeter with security lines and other areas with territory of which the perimeter of object borders.
5. The number of premises in each individual building and object structure (units, square meters).
6. The estimated capacity of each building at object (maximum/minimum people).
7. Work pattern (visit) of object.
8. The number of entrances and exits (including escape and emergency) for each building and structure separately.
9. The presence and number of escape routes.

Chapter 3. Information on engineering and technical equipment and counter-terrorism protection of object in accordance with requirements for counter-terrorism defense system objects determined by the Government of the Republic of Kazakhstan

Footnote. The heading of Chapter 3 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

10. The subject of security activities (hereinafter - SSA) providing services for physical protection of object _____.

(name of SSA, contract No. for security services, license No. for practicing security guard activities, date of issue, issuing authority)

11. The number of persons (including employees of a private security organization, daily duty, guard duty, duty combat shift) involved in ensuring the security of the object:

Total involved workers, employees, military servants: ____;

on day shift: _____ from ____ hours ____ minutes to ____ hours ____ minutes;

on night shift: _____ from ____ hours ____ minutes to ____ hours ____ minutes;

round the clock: _____ from ____ hours ____ minutes to ____ hours ____ minutes.

Footnote. Paragraph 11 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020)

12. The presence of weapons and special equipment for the employees of a private security organization, employees, military servants involved in ensuring the security of the object, including those on the daily duty, guard duty, duty combat shift:

service, service firearms _____ units;

special means _____

(indicate the name and quantity of each type and model)

number of service (guard) dogs _____.

Footnote. Paragraph 12 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020)

13. The subject of security activities providing security services of object using technical security equipment _____.

(name of subject of security activity, contract No. for security services, license No. for practicing security guard activities, date of issue, issuing authority)

14. Compliance of object with the requirements for their counter-terrorism protection _____

(indicate the degree of conformity: fully conform/ partially conform/ non- conform)

15. Information on measures taken for counter-terrorism protection of object in accordance with the requirements determined by the Government of the Republic of Kazakhstan (drawn up in a separate application, which is an integral part of passport).

Chapter 4. Plan of the object (to be executed as a separate appendix, which is an integral part of the passport)

Footnote. The heading of Chapter 4 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

16. In the plan of object shall be indicated:

1) boundaries of site (territory of object), name, as well as location of streets and driveways adjacent to the territory of object;

2) location of individual buildings and structures on the territory of object;

3) entrances/exits, accesses/exits, (main, escape, emergency) to/from object;

4) schemes of engineering communications of object (networks of electricity, water, gas and heat supply, ventilation and air conditioning of buildings and structures laid on the territory of object);

5) location of security posts, carrying out daily duty, guard duty, duty combat shift, as well as technical means of control, burglar alarms, video surveillance cameras;

6) places of storage (production) of explosive, fire hazardous, toxic substances, hazardous biological, nuclear and radioactive materials;

7) availability of warning means about the threat of emergency situations, including acts of terrorism.

Footnote. Paragraph 16 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020)

Chapter 5. Floor plans of buildings (structures) of the object (to be executed as a separate appendix, which is an integral part of the passport)

Footnote. The heading of Chapter 5 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

17. The floor plan shall include:

- 1) entrances and exits (main, escape, emergency) from the building;
- 2) technical means of control, security and fire alarms, video surveillance cameras;
- 3) location of security posts, locations of carrying out daily duty, guard duty, duty combat shift;
- 4) a scheme for the evacuation of personnel and visitors in the event of emergency and emergency situations;
- 5) prospective places for accommodation and first aid dressing (“Safe zone inside the building”, shelter).

Footnote. Paragraph 17 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

Chapter 6. Schemes of engineering communications of buildings (structures) of the object (to be executed as a separate appendix, which is an integral part of the passport)

Footnote. The heading of Chapter 6 as amended by the Decree of the Government of the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020).

18. On the schemes of engineering communications of buildings (structures) of object shall be indicated:

- 1) power supply schemes of building (structure) of object;
- 2) water supply schemes of building (structure) of object;
- 3) gas supply schemes of building (structure) of object;
- 4) heat supply schemes of building (structure) of object;
- 5) network telecommunication, ventilation and air conditioning schemes;
- 6) places (in premises of buildings and structures) where hatches and gratings shall be installed, locked, as well as places for storing their keys.

Notice. Passports of counter-terrorism protection of objects vulnerable to terrorism that are not subject to state control of the internal affairs bodies, in accordance with the

Law of the Republic of Kazakhstan "On Countering Terrorism" shall not be subject to coordination with the heads of the relevant territorial divisions of the internal affairs bodies.

Footnote. A standard passport is amended with a notice in accordance with the Republic of Kazakhstan dated 23.10.2020 No. 698 (shall be enforced from 14.11.2020)
