

On approval of the Rules for provision of information by central state authorities and local executive authorities for preparation of the National Report on environment state and on use of natural resources of the Republic of Kazakhstan

Invalidated Unofficial translation

Decree of the Government of the Republic of Kazakhstan No. 13 dated January 24, 2017. Abolished by Decree of the Government of the Republic of Kazakhstan dated 07/21/2022 No. 512

Unofficial translation

Footnote. Abolished by Decree of the Government of the Republic of Kazakhstan dated 07/21/2022 No. 512 (effective ten calendar days after the date of its first official publication).

In accordance with Paragraph 3 of Article 166-1 of the Environmental Code of the Republic of Kazakhstan dated January 9, 2007, the Government of the Republic of Kazakhstan hereby **DECREES AS FOLLOWS:**

1. Approve the attached Rules for provision of information by central state authorities and local executive authorities for preparation of the National Report on environment state and on use of natural resources of the Republic of Kazakhstan.

2. This Decree shall be enforced upon expiry of ten calendar days after the day its first official publication.

The Prime Minister of the Republic of Kazakhstan

B. Sagintayev

Approved
by the Decree of the Government
of the Republic of Kazakhstan
No. 13 dated January 24, 2017

Rules

for provision of information by central state authorities and local executive authorities for preparation of the National Report on environment state and on use of natural resources of the Republic of Kazakhstan

Chapter 1. General information

1. These Rules for provision of information by central state authorities and local executive authorities for preparation of the National Report on environment state and on use of natural resources of the Republic of Kazakhstan shall be developed in accordance with Paragraph 3 of Article 166-1 of the Environmental Code of the Republic of Kazakhstan dated January 9, 2007 and determine the procedure the

provision of information by central state authorities and local executive authorities (hereinafter referred to as the state authorities) for preparation of the National Report on environment state and on use of natural resources of the Republic of Kazakhstan (hereinafter referred to as the National Report).

2. The development of the National Report shall be organized by the authorized authority in the field of environmental protection (hereinafter referred to as the authorized authority).

Chapter 2. The procedure for provision of information by state authorities for preparation of the National Report

3. The authorized authority annually in January of the year following the reporting one shall send requests to state authorities for providing information for development of the National Report.

4. State authorities annually, before March 1 of the year following the reporting year shall provide information for preparation of the National Report.

5. Information shall be formed in the form of an analytical note supplemented with materials (tables, charts, graphs, drawings), and should contain the following information:

1) analysis of the current situation compared to the previous similar period (dynamics of quantitative and qualitative characteristics of the environment and natural resources, anthropogenic impact, statistical, expert, scientific and other information indicating the source of information);

2) environmental problems and possible solutions;

3) a review of implementation of state policy in the field of environmental protection and use of natural resources;

4) main findings, recommendations and forecasts for decision making.

6. The authorized authority shall organize the collection, synthesis, analysis of information provided by state authorities.

7. Not later than 30 calendar days from the date of receipt for consideration, the authorized authority shall review the information and, if there are comments, sends an additional request to the relevant state authorities.

Within 10 calendar days from the date of receipt of an additional request from the authorized authority, state authorities refine the information and send it to the authorized authority.

8. Information shall be provided through a single electronic document management system of state authorities; a paper copy of the electronic document shall not be required.

9. The authorized body in the fields of environmental protection, development of the green economy, waste management (with the exception of municipal, medical and

radioactive waste), protection, control and supervision of the rational use of natural resources shall organize the preparation of information on:

- 1) monitoring of the state of the environment;
- 2) management of production and consumption wastes;
- 3) monitoring of greenhouse gases and consumption of ozone-depleting substances;
- 4) monitoring the Earth's climate and ozone layer;
- 5) persistent organic pollutants;
- 6) state environmental control;
- 7) state environmental expertise;
- 8) permits for emissions into the environment;
- 9) mandatory environmental audit;
- 10) mandatory environmental insurance;
- 11) international cooperation in the field of environmental protection;
- 12) scientific research in the field of environmental protection.

Footnote. Paragraph 9 in the wording of the resolution of the Government of the RK dated 02.10.2020 № 638.
