A. Mamin

Approved
by the decree of the Government
of the Republic of Kazakhstan
dated April 28, 2021 № 277

Regulation

on special economic zone "Saryarka"

Chapter 1. General provisions

1. The Saryarka Special Economic Zone (hereinafter referred to as the SEZ) is located on the territory of the city of Karaganda and adjacent lands of the Bukhar-Zhyrau district of the Karaganda region in accordance with the attached plan.

The territory of the SEZ is 948.01 hectares and is an integral part of the territory of the Republic of Kazakhstan. The territory of the SEZ includes the industrial park "Metallurgy-metalworking" with an area of 880.4 hectares, subzone No. 1 "Silicon Valley" with an area of 60.11 hectares, subzone No. 2 with an area of 7.5 hectares.

Footnote. Paragraph 1 as amended by the Decree of the Government of the Republic of Kazakhstan dated 14.08.2021 No. 558.

2. SEZ is created for the following purposes:

1) the development of the metallurgical industry and the metalworking industry, in particular the production of finished products by attracting manufacturers of world brands;

2) the development and implementation of breakthrough investment projects for the creation and development of the metallurgical industry and the world-class metalworking industry for the deep processing of raw materials and the production of wide competitive products with high added value;

3) improving the quality and expanding the range of products;

4) integration of Kazakhstani products into the global system of production and marketing, creation of innovative, competitive domestic products in accordance with international standards;

5) creation of highly efficient and innovative industries, including high-tech and competitive industries, mastering the release of new types of products;

6) development and implementation of research and scientific and technical innovation projects for the creation and improvement of production and technologies for deep processing of raw materials;

7) creating a favorable investment climate and attracting domestic and foreign investments for implementation of investment projects;

8) attraction of investments in construction and integrated development of the metallurgical industry on the basis of public-private partnership mechanisms;

9) accelerated development of the region to enhance the entry of the economy of the republic into the system of world economic relations;

10) improvement of legal norms of market relations, introduction of modern methods of management and managing;

11) solving social problems and increasing employment of the population;

12) development of the coal and oil refining industry;

13) creation of uninterrupted supply of electricity and heat.

3. The activity of the SEZ is regulated by the Constitution of the Republic of Kazakhstan, the Law of the Republic of Kazakhstan dated April 3, 2019 "On Special Economic and Industrial Zones" (hereinafter referred to as the Law), these Regulations and other regulatory legal acts of the Republic of Kazakhstan.

4. The list of priority activities of the SEZ, corresponding to the goals of its creation, as well as the procedure for including priority activities in the specified list are determined by the authorized state body that carries out state regulation in the field of creation, operation and abolition of special economic and industrial zones, in agreement with the authorized body on state planning and the authorized body for budget planning.

Chapter 2. SEZ management

4. SEZ management is carried out in accordance with the Law.

Chapter 3. Taxation in the SEZ

5. Taxation on the territory of the SEZ is regulated by the tax legislation of the Republic of Kazakhstan.

Chapter 4. Customs regulation

6. Customs regulation on the territory of the SEZ is carried out in accordance with the provisions of the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

Chapter 5. Procedure for the stay of foreign citizens and stateless persons in the territory of the SEZ

7. The procedure for entry, exit, transit and stay of foreign citizens and stateless persons, as well as their vehicles, established by the legislation of the Republic of Kazakhstan and international agreements ratified by the Republic of Kazakhstan, is in force on the territory of the SEZ.

Chapter 6. Environmental protection

8. The activity of the SEZ in terms of environmental regulation is carried out in accordance with the environmental legislation of the Republic of Kazakhstan and is based on the rational and efficient use of natural resources by creating conditions for the transition to sustainable development and environmental protection based on a balance of economic, social and environmental aspects of improving the quality of life.

Chapter 7. Final provisions

9. The conditions established in this Regulation may be changed by a decree of the Government of the Republic of Kazakhstan.

10. Early abolition of the SEZ is carried out in accordance with the Law.

11. The activities of the SEZ, not regulated by these Regulations, are carried out in accordance with the current legislation of the Republic of Kazakhstan and the Eurasian Economic Union.
