2. The Committee of the National Security of the Republic of Kazakhstan shall within two-month period develop and submit for consideration by the President of the Republic of Kazakhstan Program for formation and infrastructure development of the national border, construction and development of the Border Service of the Committee of the National Security of the Republic of Kazakhstan for 2000-2003.

3. This Order shall enter into force upon it is signed.

*The President of
the Republic of Kazakhstan*

APPROVED BY
the Decree of the President of
the Republic of Kazakhstan
dated December 10, 1999 № 282

REGULATION on the Border Service of the National Security Committee of the Republic of Kazakhstan

Footnote. The regulation is in the wording of the Decree of the President of the Republic of Kazakhstan dated 17.05.2022 № 893.

Chapter 1. General provisions

1. The Border Service of the National Security Committee of the Republic of Kazakhstan (hereinafter – the Border Service) is an agency of the National Security Committee of the Republic of Kazakhstan (hereinafter – the National Security Committee) that protects and defends the State Border of the Republic of Kazakhstan (hereinafter – the State Border) on

land, in territorial waters (sea) and inland waters (including underwater environment) in order to ensure the integrity and inviolability of the State Border, maintain legality and established order in the border area.

2. The Border Service carries out its activities in accordance with the Constitution and laws of the Republic of Kazakhstan, acts of the President of the Republic of Kazakhstan, other regulatory legal acts and international treaties of the Republic of Kazakhstan, as well as this Regulation.

3. The Border Service is a legal entity in the organizational and legal form of a republican state institution, has seals and stamps with its name in the Kazakh language, letterheads of the established sample, in accordance with the legislation of the Republic of Kazakhstan, accounts with treasury bodies.

4. The Border Service enters into civil law relations on its own behalf.

5. The Border Service has the right to act as a party to civil law relations on behalf of the state, if it is authorized to do so in accordance with the legislation of the Republic of Kazakhstan.

6. The Border Service, on issues of its competence, in accordance with the procedure established by the legislation of the Republic of Kazakhstan, makes decisions drawn up by orders of the head of the Border Service and other acts provided for by the legislation of the Republic of Kazakhstan.

7. The structure and staff limit of the Border Service shall be approved in accordance with the legislation of the Republic of Kazakhstan.

The unified system of the Border Service consists of:

1) the republican state institution "Border Service of the National Security Committee of the Republic of Kazakhstan", which is an operational and strategic military management body ;

2) territorial divisions:

departments that are operational-territorial military management bodies;

independent departments that are operational and tactical military management bodies;

3) subordinate organizations – departments of direct subordination to the Border Service, which are tactical military management bodies;

4) structural divisions: management, division, border management, border department, border department (border outpost), including maritime, department (department) of border control, group, ship, boat, department (department) of mobile special operations, department (department) of vocational training and other units that are tactical military management bodies.

8. Location of the legal entity: 48 Zheltoksan Street, Astana city, 010000, Republic of Kazakhstan, Saryarka district.

Footnote. Paragraph 8 – as amended by the Decree of the President of the Republic of Kazakhstan dated 19.11.2022 № 1068 (effective from the date of its signing and is subject to official publication).

9. The full name of the Border Service is the republican state institution "Border Service of the National Security Committee of the Republic of Kazakhstan".

10. This Regulation is the founding document of the Border Service.

11. Financing of the activities of the Border Service is carried out from the republican budget.

12. The Border Service is prohibited from entering into contractual relations with business entities for the performance of duties that are the powers of the Border Service.

If the Border Service is granted the right by legislative acts of the Republic of Kazakhstan to carry out income-generating activities, then the income received from such activities is sent to the state budget.

Chapter 2. Tasks, rights and duties of the Border Service

13. Tasks:

1) ensuring the regime of the State border and the regime at checkpoints;

2) fulfillment of obligations arising from international treaties of the Republic of Kazakhstan on the State Border, participation in its delimitation, demarcation and re-demarcation;

9) to directly manage the activities of the border representatives of the Republic of Kazakhstan;

10) to correspond with border representatives of neighboring states on issues of maintaining the State border regime, resolving border incidents, exchanging information, by mutual agreement, invite representatives of neighboring states to the territory of the Republic of Kazakhstan and move to the territory of neighboring states to negotiate border issues in accordance with the procedure provided for by the Law of the Republic of Kazakhstan "On the State Border of the Republic of Kazakhstan";

11) to request and receive, free of charge, from authorized bodies, organizations and public associations, information necessary for the performance of duties;

12) to receive and use fingerprint information contained in the database of fingerprint information of the internal affairs bodies of the Republic of Kazakhstan, in accordance with the legislation of the Republic of Kazakhstan;

13) to involve citizens on a voluntary basis in solving tasks in the field of protection of the State Border as part of volunteer squads, as freelance Border officers and in other forms, to encourage citizens who distinguished themselves by protecting the State Border and persons

who meet the requirements, to recommend for admission to military, special educational institutions of the national security bodies of the Republic of Kazakhstan;

14) to participate in the legal education of the population of the Republic of Kazakhstan, carry out preventive measures aimed at preventing offenses in the border area, use the mass media to inform the population about offenses, search for offenders and for other purposes;

15) to use weapons and military equipment, special means, service animals and physical force in accordance with the Law of the Republic of Kazakhstan "On the State Border of the Republic of Kazakhstan";

16) to consider statements or reports on committed or impending offenses in the border area, register them and take appropriate measures on them;

17) to create and use specialized accounting and information systems that ensure the fulfillment of tasks for the protection of the State Border;

18) to conduct fundamental and applied scientific research in the field of State border protection;

19) to determine the uniform and equipment of military personnel involved in the protection of the State border;

20) to carry out, together with the state revenue authorities, in accordance with the established procedure, the inspection of vehicles, cargoes and goods transported across the State border;

21) to accompany vehicles and place border guards on them;

22) when strengthening the protection of the State border in accordance with the procedure determined by joint decisions with the Ministry of Defense of the Republic of Kazakhstan and the Ministry of Internal Affairs of the Republic of Kazakhstan, to use the forces and means allocated by them;

23) when prosecuting offenders, freely (if necessary with damage to locking devices) at any time of the day enter residential and non-residential premises of citizens, on the territory and premises of organizations, as well as inspect them (with subsequent notification within twenty-four hours of the relevant prosecutor);

24) when conducting border searches and operations, other investigative actions, independently establish control posts, temporarily restrict or prohibit the movement of persons and vehicles, prevent citizens from entering certain areas of the area, oblige them to stay there or leave these areas in order to protect people's health and lives;

25) in case of a threat to the security of the Republic of Kazakhstan, temporarily restrict, with notification to local executive and other authorized bodies of the Republic of Kazakhstan, the production of various works in the border zone, with the exception of works of defense significance, works related to the fulfillment of international obligations and the elimination of consequences arising from natural and man-made emergencies;

26) to use means of communication for official purposes, and when repelling armed incursions into the territory of the Republic of Kazakhstan, preventing illegal mass crossings

and other provocations at the State border, conducting search activities, delivering persons suspected of committing offenses, – vehicles of organizations, and, if necessary, vehicles of citizens with subsequent reimbursement of expenses; or the damage caused to the owners at their request in accordance with the procedure established by the laws of the Republic of Kazakhstan;

27) to prohibit the disembarkation and stay on shore of crew members of foreign non-military vessels and other persons on them who have committed offenses while crossing the State border, sailing in internal and territorial waters or while ships are parked in Kazakh ports;

28) to require citizens to comply with the procedure established at the State border, to stop illegal actions that impede the activities of the Border Service, in case of non-compliance with these requirements, to take appropriate measures provided for by the laws of the Republic of Kazakhstan;

29) to keep violators of the regimes established in the border area in the premises of the Border Service, specially equipped for the detention of persons subjected to administrative detention;

30) to place persons in pre-trial detention facilities, temporary detention facilities and premises specially equipped for the detention of persons subjected to administrative detention, in accordance with the criminal procedure legislation of the Republic of Kazakhstan;

31) to invite persons to the Border Service units in order to receive explanations from them about the circumstances of violation of established regimes in the border area known to them;

32) to carry out the maintenance of engineering and technical structures, barriers, communications that are on the balance sheet, as well as to ensure the operation and safety of the equipment used;

33) to carry out radiation control at checkpoints where there are no state revenue agencies, using technical means of radiation control in automatic or manual mode;

34) to organize the operation of inspection complexes containing radioactive substances, as well as radiation safety control in the national security bodies of the Republic of Kazakhstan when handling radioactive substances, devices or equipment containing radioactive substances or ionizing radiation is generated;

35) in internal and territorial waters, the fishing zone, the Kazakh part of the waters of border rivers, lakes and other reservoirs in relation to Kazakh and foreign (surface and underwater) vessels, means of movement on ice:

to stop the vessel and inspect it if it does not respond to survey signals, is in a prohibited area, violates the procedure for entering the waters of the Republic of Kazakhstan, sailing and staying in them. The inspection of the vessel includes checking ship's and navigation documents, documents of crew members and passengers, cargo documents, and, if necessary, ship's premises. According to the results of the inspection of the vessel, it may be allowed to

continue sailing (stay) in the waters of the Republic of Kazakhstan in compliance with the established rules or be asked to leave the waters of the Republic of Kazakhstan, or it may be detained in accordance with the criminal procedure legislation of the Republic of Kazakhstan or the legislation of the Republic of Kazakhstan on administrative offenses;

to detain persons subject to criminal or administrative liability in accordance with the legislation of the Republic of Kazakhstan, transfer these persons to the bodies of inquiry and investigation or relevant authorities, unless otherwise provided for by international treaties of the Republic of Kazakhstan;

to pursue and detain vessels (vehicles on ice) that have violated international treaties or the legislation of the Republic of Kazakhstan before they enter the territorial waters of their country or a third state, if the pursuit was initiated in internal or territorial waters, fishing zone or water space above the continental shelf after giving a visual or audible stop signal (from a distance allowing them to see or hear this signal) and was conducted continuously;

36) to involve the forces and means of other authorized bodies to clarify the situation in the underwater environment in internal and territorial waters in accordance with the procedure established by the legislation of the Republic of Kazakhstan;

37) upon detection of underwater objects in internal and territorial waters, make a survey about the purpose of entering these waters, demand to change course, invite them to come out of the underwater state, show their flag, stop and inspect them, take other measures to prevent or terminate the actions of detected underwater objects;

38) when protecting the State border in the underwater environment, detain persons subject to criminal or administrative responsibility in accordance with the legislation of the Republic of Kazakhstan, transfer these persons to the bodies of inquiry and investigation or relevant authorities, unless otherwise provided by international treaties of the Republic of Kazakhstan;

39) to detain underwater vehicles that have violated the established procedure for crossing the State border and (or) navigation in internal and territorial waters, deliver (escort) them to ports of the Republic of Kazakhstan, other places to clarify the circumstances of the offense, transfer these means to the bodies of inquiry and investigation;

40) to take part in the development of regulatory legal acts on issues of the State border and other issues related to the activities of the Border Service;

41) to participate in information security measures in the field of informatization of Border Service informatization facilities;

42) to have other separate structural units outside its location that perform part of the functions of the Border Service and are not subject to registration with the authorized body;

43) to stop any attempts to change the passage of the State border, the development of the territory of the Republic of Kazakhstan;

44) to participate, within their competence, in solving tasks for the defense of the Republic of Kazakhstan, as well as ensuring the regimes of emergency or martial law;

45) to repel an armed invasion into the territory of the Republic of Kazakhstan, to stop armed and other provocations on the State border, to protect the population, state and private property from these criminal encroachments;

46) to prevent and suppress attempts to cross the State border by persons and vehicles outside established checkpoints or other places where crossing the State border is carried out, as well as illegal crossing at checkpoints or other places where crossing the State border is carried out, to identify and detain violators of the State border and other offenders in the border area;

47) to carry out, in accordance with the established procedure, in the presence of properly executed documents and passing the types of control established at the checkpoint, the passage of persons, vehicles, cargoes and goods;

48) ensure the implementation of the State border regime and the regime at checkpoints;

49) to monitor independently or jointly with authorized bodies the observance of the border regime, the established regimes of internal and territorial waters, the fishing zone and the continental shelf, to organize the service of control posts at the points of entry into the border zone;

50) to prevent offenses within its competence;

51) to check documents for the right to enter and exit the Republic of Kazakhstan from persons crossing the State border, make appropriate marks in them, temporarily withdraw such documents, as well as withdraw invalid documents;

52) carry out the procedure of identity confirmation by dactyloscopic information in respect of persons who have undergone dactyloscopic registration when crossing the State border of the Republic of Kazakhstan;

53) to restrict the entry of foreigners and stateless persons who, in accordance with the laws of the Republic of Kazakhstan, are not allowed to enter the Republic of Kazakhstan, as well as foreigners and stateless persons who refused to undergo the identity verification procedure using fingerprint information, who did not comply with court decisions and resolutions of authorized bodies on the imposition of a fine within the period established by the laws of the Republic of Kazakhstan;

54) not to allow citizens of the Republic of Kazakhstan and other persons who have lost their identity documents during their stay abroad or in the Republic of Kazakhstan to cross the checkpoints and other places where they are allowed to cross the State border, and keep them there until their identity is established;

55) to carry out the detention and personal search of persons in accordance with the laws of the Republic of Kazakhstan;

56) to stop, inspect and detain vehicles that have violated the established regimes in the border area, deliver (escort) them to the location of Border Service units to clarify the circumstances of the offense;

57) to detain and seize, in accordance with the established procedure, independently or jointly with authorized bodies, explosives, toxic, radioactive, narcotic substances, weapons, ammunition, other cargo and goods prohibited from import into or export from the Republic of Kazakhstan, as well as cargo and goods smuggled across the State border;

58) to assist the Armed Forces of the Republic of Kazakhstan in protecting the State border in the airspace;

59) to assist law enforcement and environmental authorities of the Republic of Kazakhstan in protecting citizens, natural resources and the environment in the border area;

60) to erect engineering and technical facilities, structures and barriers of the Border Service, taking into account the migration routes of wild animals, at the recommendation of the authorized state body in the field of protection, reproduction and use of wildlife;

61) to ensure the safety of communication lines and communications in the border area;

62) to control the crossing of the State border in the underwater environment;

63) to use available means to identify (classify) underwater objects in internal and territorial waters, as well as beyond them to the borders of foreign states in the event of a threat of illegal crossing or illegal crossing of the State Border;

64) to carry out anti-submarine and anti-sabotage measures in the underwater environment in the interests of protecting the State border;

65) to ensure the production and consideration of cases of administrative offenses assigned to its jurisdiction in accordance with the legislation of the Republic of Kazakhstan on administrative offenses;

66) to carry out pre-trial investigation of criminal offenses attributed to its jurisdiction in accordance with the criminal procedure legislation of the Republic of Kazakhstan;

67) to carry out physical protection of foreign institutions of the Republic of Kazakhstan, the procedure for the organization and implementation of which is determined by the Chairman of the National Security Committee in coordination with the Ministry of Foreign Affairs of the Republic of Kazakhstan and the authorized body in the field of foreign intelligence;

68) to accept and consider appeals from individuals and legal entities in the manner and within the time limits provided for by the Administrative Procedural Code of the Republic of Kazakhstan;

69) to apply to the court;

70) to adopt legal acts within its competence;

71) for official use;

72) to exercise other powers provided for by the laws of the Republic of Kazakhstan and acts of the President of the Republic of Kazakhstan.

Footnote. Paragraph 14 as amended by the Decree of the President of the Republic of Kazakhstan dated 13.03.2024 № 495 (shall be enforced after the date of its first official publication).

15. Functions:

- 1) implementation of the border policy;
- 2) participation in the development and implementation of state and other programs related to ensuring the security of individuals, society and the state at the State border;
- 3) organization of fulfillment of obligations arising from international treaties of the Republic of Kazakhstan on the State border;
- 4) participation, within its competence, in the activities of international organizations on issues related to the protection and defense of the State border;
- 5) participation in the delimitation, demarcation and re-demarcation of the State border;
