dated August 24, 2017

**Rules of wearing military uniform and insignia of Armed Forces,  
other troops and military formations of the Republic of Kazakhstan, and also other signs  
Chapter 1. General Provisions**

1. These Rules of wearing military uniform and insignia of Armed Forces, other troops and military formations of the Republic of Kazakhstan, and also other signs (hereinafter the

Rules) govern the order of wearing military uniform and insignia in the Armed Forces, other troops and military formations of the Republic of Kazakhstan, and also other signs .

2. Military uniform shall be worn by military servants in the positions of privates, sergeants and officers, performing military service under contract, officers, who perform military service upon call, as follows:

1) ceremonial uniform – when performing ceremonial rituals and for female military personnel (during military parades held on the basis of the resolution of the Government of the Republic of Kazakhstan, solemn events, international negotiations and meetings of foreign delegations at the direction of the Minister of Defense of the Republic of Kazakhstan) ;

2) parade uniform:

parade order uniform – when participating in parades, presenting military units (ships) with Battle Flags, presenting military personnel with state awards and conferring the highest officer rank, taking the Military Oath, appointing to the guard of honor, as well as on the days of annual holidays of military units (ships), at ceremonial formations in Defender of the Fatherland Day and on professional holidays of other troops and military formations, when ships are launched into the water, the Naval flag is hoisted on a ship going into commission, when wreaths are laid at the monuments and graves of soldiers, at the burial of persons for whom military honors are due;

parade walking-out uniform – by those present at parades outside the ranks, when receiving departmental awards, at introduction to direct chiefs upon appointment to a position and assigning of a military rank, at ceremonial meetings, official receptions, in line of duty of border patrol units;

3) casual uniform:

worn for drill order and out of drill order – in combat training (except field training) and in line of daily duty, in headquarters, in offices and institutions, and also off duty (except for Naval Forces and naval infantry units of the Armed Forces of the Republic of Kazakhstan ( hereinafter - the Armed Forces), naval units of the Border Service of the National Security Committee of the Republic of Kazakhstan (hereinafter - the Border Service of the National Security Committee);

in the Naval Forces and naval infantry units of the Armed Forces, the naval units of the Border Service of the National Security Committee - in combat training and in line of day ( ship) duties, on combat duty, in line of duty on ships sailing out (during exercises), in headquarters, in offices and institutions, in classes by direction of the ship (military unit) commander and also off duty.

It shall be allowed to wear casual uniforms out of duty while performing duties in military units (ships) that are not associated with being in ranks, at training inside the unit, in classrooms, laboratories and workshops of military educational institutions (military faculties) , at command conferences and meetings;

4) field uniform – during exercises, field exits, combat duty, guard duty, day duties, performing tasks on protecting (guarding) the State border, practicing at training centers, training grounds, being in guardroom confinement, and also in daily activities as directed by the commander (chief) of the military unit (institution).

**Footnote. Paragraph 2 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

3. The military uniform shall be worn by military servants doing military service on conscription, military students of military educational institutions (military faculties), cadets, ulans of military colleges and trainees of republican schools:

1) parade uniform – when participating in parades, presenting military units (ships) with Battle Flags, receiving state and departmental awards, taking the Military Oath, appointing to the guard of honor, as well as on the days of annual holidays of military units (ships), at ceremonial formations in Defender of the Fatherland Day and on professional holidays of other troops and military formations, when ships are launched into the water, the Naval flag is hoisted on a ship going into commission, by guards for protection of the Battle Flag, at liberty pass, while on leave and at the direction of the commander of a military unit (ship);

2) casual uniform (for military servants of the Naval Forces of the Armed Forces, naval units of the Border Service of the National Security Committee) - when ships sail out to sea for exercises, during maneuvers, on combat duty, in line of ship (day) duty and at classes as directed by the commander of a ship (military unit);

3) field uniform – during daily life, at exercises, field trips, combat duty, while serving as part of the guards, daily duty, performing tasks for the protection and protection of the State Border, in the classroom at training centers, and also as directed by the commander (chief officer) of a military unit (institution);

4) working uniform – when performing fatigue duty, in guardroom confinement. It shall be permitted to wear working uniform when servicing equipment and weapons as directed by the commander (chief officer) of a military unit (institution).

**Footnote. Paragraph 3 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

4. When conducting combat, special and anti-terrorist operations, during exercises, performing special tasks, on combat duty, military servants shall wear protective outfit.

5. The uniform for inspection parades, calls and command conferences and meetings shall be announced by the persons conducting these events.

The uniform for patrol duty, duty at checkpoints, and also for military servants on access control service in the buildings of command headquarters, military units and institutions, shall be announced by the commanders (chief officers) of military units (institutions), in military police units – by chiefs of the military police.

6. Commanders of military units (ships), heads of institutions of the Armed Forces, other troops and military formations of the Republic of Kazakhstan shall:

1) organize a careful fitting of military uniforms when they are handed out to military servants, marking of the property assigned to military servants, performing compulsory military service, military students of military educational institutions (military faculties), cadets, ulans of military colleges, trainees of republican schools, draftees, called up for military training;

Footnote. Paragraph 69 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

70. Placement of stars on epaulettes is specified in Appendix 3 to these Rules.

71. Placement of tabs (chevrons) on shoulder boards (epaulettes) is specified in Appendix 4 to these Rules.

## **Section 2. Shoulder sleeve and breast insignia**

72. Chevrons, indicating the military servants' belonging to the Armed Forces, other troops and military formations, are sewn on to the left sleeve of the uniform 12 centimeters from the upper point of the sleeve, for ulans of military colleges and trainees of Republican schools - 8 centimeters from the upper point of the sleeve. Military servants fulfilling international obligations outside the Republic of Kazakhstan wear chevrons and tabs with inscriptions in English.

Footnote. Paragraph 72 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

73. Chevrons, indicating the military servants' belonging to the types of the Armed Forces, military branches, Chief commands, regional commands, military units, are sewn on to the right sleeve of the uniform 12 centimeters from the upper point of the sleeve and are of a circle shape with a diameter of 81 millimeters (except for chevrons for sergeants and sergeant-majors of 1, 2, 3 classes, master and staff sergeant or sergeant-major on military service under contract). For military police servants, chevrons are sewn on at the distance of 2 centimeters from the upper point of the sleeve. For cadets, ulans of military colleges and trainees of Republican schools - 8 centimeters from the upper point of the sleeve.

The chevrons of the Aviation Service of the National Security Committee are the shape of a circle with a diameter of 70 millimeters.

Footnote. Paragraph 73 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

74. Chevrons for sergeants and sergeants-major of 1, 2, 3 classes, master and staff sergeants or sergeants-major who are on military service under contract, worn on the right sleeve of uniforms, are sewn on at the distance of 12 centimeters from the upper point of the sleeve and are in the shape of a shield. Chevron dimensions: height - 90 millimeters, width - 75 millimeters. The color of chevron edging, inscription and the image on it is golden.

75. Sleeve insignia featuring the State Flag of the Republic of Kazakhstan are sewn on for participation in international exercises, when going on secondment outside the Republic of Kazakhstan, to the right sleeve at a distance of 2 centimeters from the upper point of the sleeve.

76. Sleeve insignia on the military ranks of admirals and naval officers (holding naval military ranks) are worn on the jacket - on the outside, on both sleeves, at the distance of 10 centimeters from the lower edge of the sleeve.

Servants of the coastal units of the Navy with non-naval military qualification (holding military ranks) do not wear sleeve insignia on military ranks.

77. Sleeve insignia by the year of training for students of military educational institutions (military faculties) (except for the Naval Forces, naval units of the Border Service of the National Security Committee) – golden galloon chevrons, with angle down on the flap made of cloth in the color of the type and branch of troops, are sewn on to the outside of the left sleeve of a tunic and a warm coat parallel to their lower edge 1 centimeter below the sleeve insignia indicating belonging to the Armed Forces, other troops and military units.

In accordance with the course of training, chevrons are placed on the sleeve insignia: one, two, three, four, five - for cadets, respectively, 1, 2, 3, 4, 5 courses.

The width of the galloon is 10 millimeters, the length is 75 millimeters. The distance between the chevrons is 2 mm.

**Footnote. Paragraph 77 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

78. Sleeve insignia for training courses for cadets of military educational institutions (military faculties) of the Naval Forces, naval units of the Border Service of the National Security Committee - chevrons of golden galloon, placed at an angle downwards, are sewn on the outside of the left sleeve of black cloth (on the uniform top shirt - white) color. A golden star the diameter of 20 millimeters above the chevrons, is sewn on parallel to their lower edge 1 centimeter below the sleeve insignia indicating their belonging to the Armed Forces, other troops and military units.

In accordance with the year of training, the squares are placed on the sleeve insignia: one, two, three, four, five, for cadets of 1, 2, 3, 4, 5 years respectively.

The width of the galloon is 10 millimeters, the length is 75 millimeters. The distance between the chevrons is 2 millimeters. The vertical distance from the line connecting the vertices of the upper angles of the chevron to the center of the emblem's star is 25 millimeters.

**Footnote. Paragraph 78 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

79. The sergeant's sleeve insignia, indicating the position, with a khaki background and inscription in the official language in black letters, is sewn on to the right sleeve of summer and winter field jackets at the distance of 2 centimeters from the upper point of the sleeve.

### **Section 3. Headgear, emblems, sewing and headdress patches**

80. Cockades, emblems, sewing and patches on headdresses are worn in accordance with the descriptions and drawings of the samples of military uniforms and insignia of the Armed Forces, other troops and military formations of the Republic of Kazakhstan, approved by Decree No. 144 of the President of the Republic of Kazakhstan dated August 25, 2011 “On

military uniform and insignia of servicemen of the Armed Forces, other troops and military formations of the Republic of Kazakhstan” (hereinafter - Decree No. 144).

81. The patch on the beret is worn on the left side, at the distance of 50 millimeters from the center.

#### **Section 4. Emblems, buckles, plates, buttons, ornament and sewing on uniforms**

82. Emblems, buckles, plates, buttons, ornament and sewing on uniforms are worn in accordance with the descriptions and drawings of the samples of military uniforms and insignia of the Armed Forces, other troops and military formations of the Republic of Kazakhstan, approved by Decree No. 144.

83. The emblems “KZ” of golden color are attached to the collars of uniform jackets and tunics of military servants (except for high-ranking officers) of the Armed Forces, other troops and military formations (except for the Naval Forces, naval infantry units, naval units of the Border Service of the National Security Committee and military prosecution bodies), parallel to the bottom edge of the collar. The distance from the bottom edge of the collar to the bottom edge of the letters is 15 millimeters.

**Footnote. Paragraph 83 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

#### **Chapter 4. Wearing orders, medals, decoration ribbons and medal ribbon bars and other badges on the military uniform of servants of the Armed Forces, other troops and military formations of the Republic of Kazakhstan**

84. Wearing of orders and medals or decoration ribbons and medal ribbon bars and military badges on military uniforms (uniform jackets, tunics, uniform top shirt, uniform flannel blouse) shall be obligatory.

Military servants are not allowed to wear more than eight departmental, international medals and awards of other states on their parade uniform.

In case there are more than eight departmental, international medals and awards of other states, the medals "Minsiz kyzmeti ushin" of a higher degree are worn.

**Footnote. Paragraph 84 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

85. Badges of the highest degree of distinction: the order “Altyn Kyran” (Golden Eagle), the medal Golden Star “Halyk Kaharmany” (People's Hero), the order “Otan” (Fatherland), also badges of honorary titles are worn on all uniforms, except parade summer uniform (in a shirt), everyday summer (in a sweater or in a shirt), field and working uniforms.

86. On a parade uniform in ranks the following badges shall be worn:

1) badges (marks) of the highest degree of distinction - the order “Altyn Kyran” (Golden Eagle), the medal Golden Star “Halyk kaharmany” (People's Hero), the order “Otan” (Fatherland);

- 2) orders and medals;
- 3) lapel badges of honorary titles;
- 4) badges of deputies;
- 5) Pilot-Cosmonaut of Kazakhstan badge;
- 6) Pilot-sniper badge;
- 7) Navigator-sniper badge;
- 8) Ship Commander badge;
- 9) badge "For long-distance voyage";
- 10) excellence and skill badges;
- 11) badge on sergeant course completion.

87. On all uniforms, except for the summer uniform (in a shirt), casual summer uniform (in a sweater or a shirt), field uniform the following shall be worn:

- 1) lapel badge on completion of military education institutions;
- 2) lapel badge on completion of higher civil education institutions;
- 3) lapel badges of excellence and proficiency;
- 4) lapel badge "Parachute instructor";
- 5) badge "Master parachutist";
- 6) lapel badge "Parachutist";
- 7) sports badges and medals;
- 8) other marks of distinction established by the legislation of the Republic of Kazakhstan.

Wearing lapel badges of graduation from higher and secondary military educational institutions in the event of completion of only coursework in these educational institutions (doctoral studies, military academic courses, advanced training courses) shall not be allowed.

**Footnote. Paragraph 87 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

88. On the parade uniform, out of ranks on the uniform jacket and on everyday uniform in ranks and out of ranks on the tunic, instead of orders and medals, order ribbons and medal ribbons on bars shall be worn, also marks of distinction, including badges indicated in paragraph 86 of these rules.

89. Wound chevrons are worn on all uniforms, except the summer uniform (in a shirt), everyday summer uniform (in a sweater or a shirt), field and work uniform, on the right side of the chest 10 millimeters higher than orders and medals, and in the absence of orders and medals - in their place.

90. Marks of the highest degree of distinction: order “Altyn Kyran” (Golden Eagle), medal Golden Star “Halyk Kaharmany” (People's Hero), order “Otan” (Fatherland), are worn

on the left side of the chest over the orders and medals or over order ribbons and medal ribbon bars.

If there are two or more marks of the highest degree of distinction, they are attached to the clothes separately in one row, from right to left at intervals of 10 millimeters, between the lateral ends of the stars in the following sequence: order “Altyn Kyran” (Golden Eagle), Golden Star medal “Halyk kaharmany”(People's Hero), Order " Otan "(Fatherland).

The order “Altyn Kyran” (Golden Eagle), medal Golden Star “Halyk kaharmany” ( People's Hero), order “Otan” (Fatherland) are placed as follows:

1) on the open double-breasted uniform, jacket and tunic - to the left of the lapel so that the top edge of the medal ribbon bar is at the level of the lapel angle;

2) on the open single-breasted uniform, tunic and jacket - to the left of the lapel so that the top edge of the medal bar is at the level of the lapel ledge;

3) on the uniform top shirt, uniform flannel blouse so that the lower ends of the stars of the orders and medal are 80 millimeters above the collar neckline.

91. Orders of the former Union of Soviet Socialist Republics (hereinafter -the USSR), the Commonwealth of Independent States (hereinafter - the CIS) and other foreign states worn on blocks (bars) are placed on the left side of the chest, and orders worn without blocks are placed on the right side of the chest. All medals are worn on the left side of the chest.

92. Orders, medals, badges of honorary titles, also awards for mothers of many children of the Republic of Kazakhstan, worn on the left side of the chest, are aligned from right to left, in order of significance, in the following sequence:

1) orders:

“Otan” (Fatherland);

"Barys" (Snow Leopard I, II, III degree);

"Dank" (Glory I, II degree);

"Aibyn" (Valor I, II, III degree);

"Parassat" (Nobility);

“Dostyk” (Friendship) I, II degree;

"Kurmet" (Honor).

When wearing the badges of the orders "Barys" (Snow Leopard) of the I degree, "Dank" (Glory) I degree, “Dostyk” (Friendship) I degree on the shoulder bands that go over the right shoulder, the stars of these orders are aligned on the left side of the chest to the left of the orders. The order "Barys" (Snow Leopard) of the III degree is worn on a neck band.

2) medals:

“Erligi Ushin” (For courage);

“Zhaunyngерlik erligi ushin” (For military valor);

“Eren enbegi ushin” (For distinguished labor);

“Shapagat” (Charity);

3) honorary titles:

“Kazakstanyn enbek sinirgen kairatkeri” (Honored Worker of Kazakhstan);

“Kazakstanyn ushkysh - garyshkeri” (Pilot-Cosmonaut of Kazakhstan);

4) awards of mothers with many children:

“Altyn Alka” (Golden Pendant);

“Kumis alka” (Silver pendant).

5) departmental medals approved by Decree No. 155 of the President of the Republic of Kazakhstan dated September 30, 2011 “On state symbols and heraldry of departmental and other equated to them awards of some state bodies directly subordinate and accountable to the President of the Republic of Kazakhstan, the Constitutional Council of the Republic of Kazakhstan, law enforcement bodies, courts, Armed Forces, other troops and military formations ”(hereinafter - Decree No. 155), in order of importance, according to the list of this Decree of the President of the Republic of Kazakhstan.

93. Medals of the Armed Forces, other troops and military formations worn on the left side of the chest are placed in the following order:

1) “Kazakstan Respublikasynyn Karuly 10 zhyl” (10 years to the Armed Forces of the Republic of Kazakhstan);

2) “Kazakhstan Respublikasy Karuly 20 zhyl” (20 years to the Armed Forces of the Republic of Kazakhstan);

3) Kazakstan Respublikasy Karuly Kushterinin ardageri "(Veteran of the Armed Forces of the Republic of Kazakhstan);

4) I, II, III derezheli "Minsiz kyzmeti ushin" (For perfect service of I, II, III degree);

5) “Bitimgershilik operatsialaryna katyskany ushin” (For participation in peacekeeping operations);

6) “Halykaralykeskeri yntymaktastykty damytkany ushin” (For development of international military cooperation);

7) departmental medals approved by Decree No. 155, in order of importance, according to the list of this Decree of the President of the Republic of Kazakhstan.

When a military servant is awarded medals of various departments, they are worn from right to left, in order of importance, after the medals of the department in which the military servant is serving.

Instead of orders and medals, awarded persons may wear symbols of awards of a standard form.

94. When wearing two or more orders on the left side of the chest, also when wearing medals together with the indicated orders, their bars are connected into a row from right to left in the order established by paragraphs 92, 93 of these Rules. Orders and medals of the same denomination are placed next to each other in order of the time of their awarding. Orders and medals that do not fit in one row (no more than 5) are transferred to the second and subsequent rows below the first, and are placed in them from right to left too in the established order.

95. Orders and medals are placed on the left side of the chest in such a way that the upper edge of the common bar (block) of the first row is placed as follows:

- 1) on open double-breasted uniform, jacket, and tunic - 70 millimeters below the lapel level;
- 2) on a uniform top shirt, uniform flannel blouse - 70 millimeters higher than the level of the collar neckline.

The general bar of orders and the bar of medals of the second row go under the orders and medals of the first row, the third and subsequent rows are aligned in the same order.

96. When two or more orders are worn on the right side of the chest, they are arranged horizontally in a row from left to right at the intervals of 5 millimeters between their lateral ends. Orders of the same denomination with degrees are placed side by side in the order of the awarding time.

Orders that do not fit into one row are transferred to the second and subsequent rows, below the first, and are placed in them from left to right in the indicated order. The distance between the rows of orders is 10 millimeters.

The upper ends of orders (medal blocks) of the first row are placed at the level set for the common bar of the first row of orders and medals placed on the left side of the chest.

97. Badges of the highest degree of distinction, orders and medals of the former USSR, CIS and foreign states are worn after the awards of the Republic of Kazakhstan in the sequence corresponding to their status.

98. Order ribbons and medal ribbon bars are worn on the left side of the chest:

- 1) on an open uniform, tunic, jacket -70 millimeters below the level of the lapel angle;
- 2) on a uniform top shirt, uniform flannel blouse - 70 millimeters higher than the level of the neckline of the collar.

99. Order ribbons and medal ribbon bars are placed from right to left in the manner specified in paragraph 92, 93 of these Rules.

Ribbons that do not fit in one bar (no more than 5 in one row) are transferred to the second and subsequent bars; the height of the complete ribbon bar is 10 millimeters.

100. Ribbons of orders and medals of the former USSR, CIS and foreign states are worn on the bars after the bars of orders and medals of the Republic of Kazakhstan in the sequence corresponding to their status. Bars of orders and medals are worn no more than 5 in one row.

101. Badges of honorary titles are worn on the right side of the chest and are attached above orders and medals:

- 1) on the open double-breasted and single-breasted uniform, jacket and tunic - to the right of the lapel so that the upper edge of the badge is at the level of the lapel angle;

- 2) on a uniform top shirt, uniform flannel blouse so that the lower edge of the badge is 80 millimeters above the neckline of the collar.

102. Badges of deputies are worn on the left side of the chest and are placed:

- 1) on open double-breasted uniform and jacket - in the middle of the lapel at the loop level;
- 2) on open single-breasted uniform and tunic - in the middle of the lapel at the level of its angle;
- 3) on a uniform top shirt, uniform flannel blouse - 10 millimeters above orders and medals or bars of orders and medals.

103. The skill badge is placed on the right side of the chest 70 millimeters below the lapel.

The badge of graduation is placed 10 millimeters lower than the badge of proficiency.

The badge "For long-distance voyage" is worn on the right side of the chest, to the right of the badge on graduation on the same level.

The badge "Honorary Border Guard" is worn on the right side of the chest, to the left of the badge on graduation from a higher military educational institution, on the same level.

Other distinctive and departmental badges established by the President of the Republic of Kazakhstan, the Government and the first executives of state bodies are worn on the right side of the chest, in one row, 10 millimeters below the lapel from left to right.

104. If the military servants hold lapel badges on the completion of two or more civil higher and military education institutions, all the lapel badges shall be worn.

A lapel badge of graduation from a civilian higher educational institution (university, institute) is also allowed to be worn if there is a badge of graduation from a higher military educational institution to the right of it, on the same level with it.

In the presence of a lapel badge of graduation from a higher military education institution, a sign of graduation from a military school shall not be worn.

Lapel badges for graduation from military colleges, republican schools and special boarding schools shall be worn on the right side of the chest and are placed on the same level with signs of graduation from higher or secondary military educational institutions, to the right of them, and in the absence of these signs in their place.

**Footnote. Paragraph 104 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

105. Badges of distinction of the former USSR, CIS and foreign states are worn after the badges of the Republic of Kazakhstan.

106. Placement of orders, medals and badges of distinction on the ceremonial and everyday uniforms of military servants is specified in appendices 5, 6 to these Rules, respectively.

### **Ammunition for military servants**

Footnote. Приложение 2 as amended by the order of the acting Minister of Defense of the Republic of Kazakhstan dated 22.07.2022 No. 550 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

1. The ammunition kit includes the following items:

Item No.	Name of items	Number of items	Note
1.	Protective helmet	1	
2.	Armor vest (floating armor vest)	1	
3.	Unloading vest	1	Shoulder straps or belt-shoulder system can be provisioned
4.	Field belt	1	Allowed to issue equipment
5.	Martial-cloak (cape)	1	
6.	Sleeping bag with a liner and a heat-insulating mat (camping mat)	1	
7.	Rucksack (backpack)	1	
8.	Magazine pouch	1	
9.	Magazine pouch for a machine gun with a shoulder strap	1	Issued for a machine gunner

10.	Bag for hand grenades	2	
11.	Flask case (canteen cover)	1	
12.	Pot case	1	
13.	Cover (case) for gas mask and personal protective equipment	1	

Note: Ammunition kits for military servants of other military specialties include the above items with changes according to the prescribed weapon.

## 2. Assembling and putting on ammunition:

1) shoulder straps or belt-shoulder system and ammunition items are put on the field belt or equipment;

2) adjust the shoulder or belt-shoulder system according to the height and size of the straps so that the loop of the back strap is located in the middle of the waist, and the figured frame of the strap is in the recess between the shoulder blades;

3) attach the necessary pouches and covers to the belt and straps of the shoulder or belt-shoulder systems, and put ammunition, grenades, a flask, a combined bowler hat, a gas mask and personal protective equipment into them;

4) put on ammunition.

At the direction of the commander (chief), some items of ammunition are allowed to be kept (packed) in a bag (backpack) for personal belongings or a rucksack.

## 3. The martial-cloak is folded in the following order:

1) the martial-cloak is folded in four (bending along and across), with the front side out so that the loops sewn on its lower corner were on the outside of the cloth;

2) the folded cloth is bent twice and then rolled up so that the loops were on the outside of the roll.

4. The following items are packed in a rucksack (backpack) for personal belongings or a field bag of contract and conscript officers, sergeants and contract soldiers:

1) martial cloak (cape with a belt for wearing or a poncho), in cases where it is not used;

2) sleeping bag;

3) a headdress (with a winter field uniform - a summer headdress, with a summer field uniform - a winter one);

4) spare socks - 4 pairs (2 pairs of cotton, 2 pairs of wool), underwear - 1 set, warm underwear - 1 set, T-shirt of the specified color - 1 piece, underpants - 1 piece and undercollars - 2 pieces (or measuring material of white colors);

5) a pot with a mug and a spoon;

6) individual food ration (stored in warehouses, provisioned in a special period);

7) protective helmet, in cases when it is not used;

8) toiletries (toilet soap in the case, toothpaste, toothbrush in the case, shaving accessories ) and 2 towels (facial and foot towel);

9) household items (white threads - 1 piece, khaki threads - 1 piece, sewing needles - 2 pieces, clothes and shoe brushes, khaki buttons - 2 pieces, shoe cream);

10) individual dressing wrapper;

11) a flashlight;

12) matches - 1 box, candles - 2 pieces;

13) penknife (a clerical knife and a sharpener are allowed);

14) a set of writing instruments (A5 notebook - 1 piece, envelopes - 2 pieces, a pencil - 1 piece, a fountain pen - 1 piece).

If you have a field commander's bag, a flashlight, a penknife and writing materials do not fit into a bag (backpack) for personal belongings.

5. A bag (backpack) for personal belongings or a rucksack of students, cadets and military servants doing military service on conscription is packed with:

1) martial cloak, in cases where it is not used;

2) a sleeping bag;

3) a headdress (with a winter field uniform - a summer headdress, with a summer field uniform - a winter one);

4) spare socks - 4 pairs (2 pairs of cotton, 2 pairs of wool), underwear - 1 set, warm underwear - 1 set, T-shirt of the specified color - 1 piece, underpants - 1 piece and under collars - 2 pieces (or measuring material of white colors);

5) a pot with a mug and a spoon;

6) individual food ration (stored in warehouses, provisioned in a special period);

7) protective helmet, in cases when it is not used;

8) toiletries (toilet soap in the case, toothpaste, toothbrush in the case, shaving accessories ) and 2 towels (facial and foot towel);

9) household items (white threads - 1 piece, khaki threads - 1 piece, sewing needles - 2 pieces, clothes and shoe brushes, khaki buttons - 2 pieces, shoe cream);

10) individual dressing wrapper;

11) a set of writing instruments (A5 notebook - 1 piece, envelopes - 2 pieces, a simple pencil - 1 piece, a fountain pen - 1 piece).

6. The field commander's bag is packed with:

1) a workbook and a reference book;

2) map marking stencil;

3) colored pencils (red color - 2 pieces, blue color - 2 pieces, black color - 1 piece, brown color - 1 piece, green color - 1 piece, yellow color - 1 piece);

4) a set of felt-tip pens;

5) eraser (elastic band), pencil sharpener, scissors, clerical knife;

6) compass;

7) curvimeter, compass-meter;

8) flashlight.
