dated July 1, 2019 № 467

The Rules for maintaining a unified register of industrial zones

Chapter 1. General provisions

1. These Rules for maintaining a unified register of industrial zones are developed in accordance with subparagraph 16) of Article 11 of the Law of the Republic of Kazakhstan dated April 3, 2019 "On special economic and industrial zones in the Republic of Kazakhstan" (hereinafter - the Law) and shall determine the procedure for maintaining a unified register of industrial zones.

2. Basic concepts used in these Rules:

1) an industrial zone - a territory, ensured with engineering and communication infrastructure provided to private enterprises for placement and operation of objects of business activity, including in the field of industry, agro-industrial complex, tourism industry, transport logistics, waste management, in the manner established by the legislation of the Republic of Kazakhstan;

2) an industrial zone participant - an individual entrepreneur, legal entity, carrying out placement and operation of objects of business activity on the territory of industrial zone in the manner established by the legislation of the Republic of Kazakhstan, with which the management company of the industrial zone concluded a contract on implementation of activities;

3) Unified coordination center - a legal entity, carrying out coordination of activities of special economic and industrial zones;

4) a local executive body (akimat) - a collegial executive body headed by the mayor of the region, city of republican significance and the capital city, district (city of regional significance), carrying out local state government and self-government in the relevant territory within its competence;

5) a unified register of participants of industrial zones - a register of participants of all industrial zones created on the territory of the Republic of Kazakhstan.

6) an owner of a private industrial zone - an individual or a non-state legal entity.

Chapter 2. The procedure for maintaining a unified register

3. The industrial zones created on the territory of the Republic of Kazakhstan are included in a unified register.

4. A unified register is formed and maintained by a Unified coordination center, a legal entity, carrying out coordination of activity of special economic and industrial zones in electronic format in the state and Russian languages in the form according to Appendix to these Rules.

5. A local executive body and owners of private industrial zones, within twenty working days from the moment of creation of an industrial zone, shall inform the unified coordination center of this fact.

6. Unified coordination center shall enter information into the unified register within five working days from the date of receipt of information on creation of an industrial zone.

7. Maintaining a unified register includes:

- 1) introduction (inclusion) of information on industrial zones;
- 2) actualization (updating) of information on industrial zones.

8. Actualization (updating) of information on industrial zones shall be made when one of the following cases occurs:

- 1) changing the name of industrial zones;
- 2) changing the name of management company of industrial zones;
- 3) changing the legal address of an industrial zone management company;
- 4) abolition of industrial zones.

9. The information contained in the unified register shall be placed on the Internet resource of a Unified coordination center, a legal entity, carrying out coordination of activities of special economic and industrial zones.
