Economy of the
Republic of Kazakhstan

Approved
by Order of the Minister of Agriculture of
the
Republic of Kazakhstan
dated February 3, 2020, No. 35

Rules for maintaining the register of cattle burial grounds (bio-thermal pits)

Chapter 1. General Provisions

1. These Rules for maintaining the register of cattle cemeteries (bio-thermal pits) (hereinafter referred to as the Rules) have been developed in accordance with subparagraph 46 -29) of Article 8 of the Law of the Republic of Kazakhstan dated 10 and July 2002 "On Veterinary Medicine", subparagraph 2) of paragraph 3 of Article 16 of the Law of the Republic Kazakhstan dated March 19, 2010 "On state statistics" and determine the procedure for maintaining the register of cattle burial grounds (bio-thermal pits).

2. The register of cattle burial grounds (bio-thermal pits) (hereinafter referred to as the Register) shall be maintained by the department of the authorized body in the field of veterinary medicine (hereinafter referred to as the Department) in the form in accordance with the Annex to these Rules based on data (information) provided by local executive bodies of regions, cities of republican significance, the capital.

The Register shall reflect data (information) on cattle burial grounds (bio-thermal pits), anthrax burials with an indication of the administrative-territorial unit of the location (placement) of the object (region, city of republican significance, capital, district, city of regional significance, rural district, settlement and others), current state (functioning or not functioning), coordinates, type, size, asset holder (property).

Chapter 2. Procedure for maintaining the register of cattle burial grounds (bio-thermal pits)

3. Local executive bodies of districts, cities of regional significance shall provide data (information) on cattle burial grounds (bio-thermal pits) to local executive bodies of regions for inclusion in the Register in the form according to the Annex to these Rules.

4. Local executive bodies of the regions shall analyze and summarize data (information) on cattle burial grounds (bio-thermal pits).

5. Local executive bodies of regions, cities of republican significance, the capital, within 10 (ten) working days, shall send the relevant data (information) to the Department as construction proceeds, new objects are discovered, changes and corrections of data (information) about objects contained in the Register.

6. The Agency shall introduce data (information) on cattle burial grounds (bio-thermal pits) into the Register in the context of administrative-territorial units with assigning a number to cattle burial grounds (bio-thermal pits), which consists of alphabetic and digital characters (characters shall be separated by a slash) including:

the first character is the letter code of the region, city of republican significance, the capital;

the second and third characters are the ordinal number of the district (city of regional significance);

the fourth - eighth characters are the ordinal number in the Register (by region, city of republican significance, capital).

The letter code of the region, the city of republican significance, the capital, the ordinal number of the district (city of regional significance) shall be entered in accordance with Annex 1 to the Rules for assigning account numbers to production facilities that raise animals , procurement (slaughter), storage, processing and sale of animals, products and animal raw materials origin, as well as organizations for the production, storage and sale of veterinary drugs, feed and feed additives, approved by Order of the Minister of Agriculture of the Republic of Kazakhstan dated January 23, 2015 No. 7-1/37 (registered in the Register of State Registration of Regulatory Legal acts under No. 10466).

When numbering cattle burial grounds (bio-thermal pits) in cities of republican significance, the capital, zeros shall be indicated in the second and third characters.

7. The Department shall send the Register to the local executive bodies of regions, cities of republican significance, and the corresponding territorial divisions of the Department.
