## **Rules for payment for the services of the national development institute in technological development in the provision of innovative grants**

### **Chapter 1. General Provisions**

1. These Rules for payment for the services of the national development institute in technological development in the provision of innovative grants (hereinafter referred to as the Rules) have been developed in accordance with subclause 9) of clause 2 of article 100-1 of the Entrepreneur Code of the Republic of Kazakhstan and shall determine the procedure for payment for the services of the national development institute in technological development in the provision of innovative grants.

2. The following basic concepts are used in these Rules:

1) authorized body in the field of state support of innovative activities (hereinafter referred to as the authorized body) - a central executive body carrying out management in innovative development as well as within the limits, stipulated by the legislation of the Republic of Kazakhstan, cross-sectoral coordination and participation in the implementation of state support of innovative activities;

2) national development institute in technological development - a national development institute authorized for provision of measures of state support of industrial and innovative activities and coordination of the processes of innovative development;

3) innovative grant – budgetary funds, provided to the subjects of industrial and innovative activities on a gratuitous basis for implementation of industrial and innovative projects within the framework of areas of the provision of innovative grant;

4) applicant – an individual and (or) a legal entity, submitted an application for an innovative grant.

## **Chapter 2. Procedure for payment for the services of the national development institute in technological development in the provision of innovative grants**

3. Payment for the services of the national development institute in technological development in the provision of innovative grants shall be carried out according to the cost estimate specified in the contract concluded between the authorized body and the national development institute in technological development at the expenses, provided for by the budget program in the republican budget for the corresponding financial year.

The cost of services of the national development institute in technological development shall include the costs of:

- 1) informing the public about the start of accepting applications, the conditions for their submission, consultations and explanatory work with potential applicants;
- 2) organizing the procedure of the provision of innovative grants;
- 3) monitoring of the provided innovative grants in order to analyze the achievement of the planned goals for industrial and innovative projects for which innovative grants were provided.

4. Payment for the services of the national development institute in technological development in the provision of innovative grants shall be carried out on the basis of a certificate of completion signed between the authorized body and the national development institute in technological development.
