№ KR DSM-163/2020
dated October 28, 2020

The smoking hazard warning for signs in places where tobacco products, including heated tobacco products, hookah tobacco, hookah mixture, and tobacco heating systems are sold

Footnote. Title is in the wording of the order of the Minister of Healthcare of the Republic of Kazakhstan dated 16.07.2024 № 56 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

Chapter 1. General provisions

1. Warnings about the hazard of smoking for signs in places where tobacco products, including heated tobacco products, hookah tobacco, hookah mixtures, and tobacco heating systems (hereinafter - "tobacco products") are sold have been developed in accordance with clause 3 of Article 110 of the Code of the Republic of Kazakhstan "On Public Health and the Healthcare System" and shall represent a warning inscription about the destructive consequences of tobacco consumption and inhalation of tobacco smoke on the human body (hereinafter - Warning inscription).

Footnote. Clause 1 is in the wording of the order of the Minister of Healthcare of the Republic of Kazakhstan dated 16.07.2024 № 56 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

2. The following terms shall be used in these Warnings:

1) tobacco products means products made in whole or in part from the tobacco leaf and/or other parts of the tobacco plant as raw material, prepared so as to be used for smoking, sucking, chewing, sniffing or other modes of consumption, including by means of a tobacco heating system or any other device;

2) hookah tobacco means a type of smoking tobacco product intended for smoking with a hookah and consisting of a mixture of cut or torn raw materials with or without addition of non-tobacco raw materials and other ingredients;

3) hookah mixture - a product made without using tobacco leaf as a raw material, prepared in such a way as to be used for consumption with the use of a hookah;

4) tobacco heating system - a device used for heating tobacco to form an aerosol containing nicotine;

5) Is excluded by the order of the Minister of Healthcare of the Republic of Kazakhstan dated 16.07.2024 № 56 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

Footnote. Clause 2 as amended by order of the Minister of Health of the Republic of Kazakhstan dated 16.07.2024 № 56 (shall be brought into force ten calendar days after the day of its first official publication).

3. In places where tobacco products are sold, a sign with the following content must be displayed prominently: "Sale of tobacco products, including heated tobacco products, hookah tobacco, hookah mixture, and tobacco heating systems, shall be prohibited to persons under the age of twenty-one."

Footnote. Clause 3 is in the wording of the order of the Minister of Healthcare of the Republic of Kazakhstan dated 16.07.2024 № 56 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

Chapter 2: Text of a warning inscription to be placed at wholesale and retail outlets for tobacco products

4. A warning sign shall be placed in places where tobacco products are sold at wholesale and retail and shall contain the text:

- 1) "Smoking causes periodontal disease and loss of teeth";
- 2) "Smoking causes premature skin aging";
- 3) "Smoking causes nicotine addiction";
- 4) "Smoking causes infertility and miscarriages";
- 5) "Smoking causes impotence";
- 6) "Smoking during pregnancy harms your baby".

Chapter 3: Parameters of warning inscription to be displayed at wholesale and retail tobacco product outlets

5. Warning inscription posted in places of wholesale and retail sale of tobacco products shall comply with the following parameters:

1) it is printed in the following order: on the left or top - in the state language, on the right or bottom - in the Russian language;

2) the font name - Helvetica kz and Helvetica accordingly to the language;

3) font size - 80 or larger;

4) direction - from left to right, parallel to the bottom edge;

5) paper colour - white, spectrum CMYK 255.255.255.

6. Placement of a warning inscription in places of wholesale and retail sale of tobacco products shall comply with the following requirements:

1) the placement area is A4 format or larger;

2) it is positioned at least 150 centimetres and not more than 200 centimetres from the floor;

3) it is located in the immediate vicinity of the point of sale.
