specified in Paragraph 2 of Article 63 of this Law shall be entitled to initiate the conciliatory procedures in accordance with Article 69 of this Law.

6. Rules on expropriation of a land plot or other immovable property due to the fact of a seizure of land plot for state needs shall also apply to cases of location of land plot in land use of individual or non-state legal entity in recognition of the peculiarities provided by Article 67 of this Law.

Footnote. Article 61 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 62. Principles of carrying out expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. Expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs shall be an exceptional case of alienation of property owned by individuals and non-state legal entities, and may only be exercised on impossibility of use of any other possible cases of alienation of property, provided by the Civil Code of the Republic of Kazakhstan and the Laws of the Republic of Kazakhstan.

2. Expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs shall not be allowed if available other (alternative) ways to meet state needs.

3. Any seizure of property, pursuing commercial aims of non-state legal entities and aims of satisfying non-state interests or other seizure of property not arising from objectives of exercising of state functions and not pursuing socially significant goals shall not be recognized as seizure of property for state needs. In these cases, alienation of property shall be allowed by an agreement between a property owner and an entity pursuing commercial aims, on basis of buy and sell agreement of property between them.

4. Expropriation of land plot or other immovable property due to the fact of seizure of land for state needs shall be permitted only in an extent necessary to meet state needs.

5. Non-compliance of provisions of this Article shall be a basis for court's denial of expropriation of a land plot or other immovable property due to the fact of seizure of land plot for state needs and cancellation of an adopted resolution, specified in Paragraph 2 of Article 63 of this Law.

Article 62-1. Conditions of equivalent compensation for expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. Equivalent compensation in relation to this Article means setting the amount of compensation of the value of land plot alienated for state needs and immovable property located on it (if any), allowing to restore the conditions of use of land plot and immovable property located on it until the time of seized.

2. For land property alienated for state needs, an owner or a non-state land user shall be given equivalent compensation.

3. An equivalent compensation shall be made in one of the following ways:

1) provision of other land property or immovable property in the manner and conditions established by this Law;

2) compensation of market value of alienated land plot or other immovable property due to the fact of seizure of the land plot for state needs in the manner and conditions established by this Law.

Footnote. Chapter 6 is supplemented by Article 62-1 in accordance with the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 62-2. Conditions for granting an equivalent land plot or other immovable property due to the fact of seizure of land plot for state needs

1. The granting of an equivalent land plot to an owner or non-state land user shall be carried out taking into account the location of alienated land plot, its intended purpose, and square with compensation of damages (if any).

In this respect, an equivalent land plot must be granted within the settlement in which the land plot shall be alienated. The location of such a land plot within the settlement shall be determined in the draft agreement on alienation of a land plot for state needs, directed in accordance with Article 64 of this Law.

2. In case of demolition of a residential house due to the fact of seizure of land plot for state needs, the granting of other immovable property shall be made in the manner established by the Law of the Republic of Kazakhstan "On Housing Relations".

3. The granting of an equivalent land plot to an owner or non-state land user shall be carried out in accordance with the manner established by Article 43 (with the exception of the requirements of Subparagraphs 1), 2), 3), 4) and 5) of Paragraph 1) of the Land Code of the Republic of Kazakhstan.

In this respect, the costs of land management in granting of an equivalent land plot to an owner or non-state land user shall be financed from budget funds.

4. The price of the granted state-owned land plot in exchange shall be determined by the appraiser at its market value after valuation of the alienated land plot or other immovable property due to the fact of seizure of the land plot for state needs.

5. If the value of alienated land plot shall be higher than the value of the land plot granted in exchange, then the difference in its value shall be reimbursed to the owner.

Footnote. Chapter 6 is supplemented by Article 62-2 in accordance with the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 63. Beginning and termination of expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. About beginning of an expropriation of a land plot or other immovable property due to the fact of seizure of land plot for state needs in exceptional cases, provided by Article 84 of

the Land Code of the Republic of Kazakhstan a resolution of the Government of the Republic of Kazakhstan or local executive authority shall be adopted in accordance with a competence, stipulated by the Land Code of the Republic of Kazakhstan.

2. In a resolution about beginning of an expropriation of a land plot or other immovable property due to the fact of seizure of land plot for state needs shall be shown:

If a private property right to land plot in the manner established by the legislation of the Republic of Kazakhstan, shall not be registered, an owner after adoption of a resolution specified in Paragraph 2 of this Article may carry out necessary activities to confirm a private property right to land plot in respect of that has been adopted a resolution.

Whereas a term of expropriation for state needs, established by the resolution specified in Paragraph 2 of this Article shall be extended for no more than one year.

Footnote. Article 63 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 64. The order of notification about expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. An executive authority or on behalf of the superior agency of an executive inferior authority shall be obliged to direct no later than three calendar days after publication of a resolution specified in Paragraph 2 of Article 63 of this Law to an owner or non-state land user a written notification about expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs (hereinafter referred to as - notification about expropriation of land plot for state needs) by post requiring a notice of receipt of posting. In case of an absence of a receipt notice of post sending a document specified in this Paragraph shall be directed again.

2. The notification about expropriation of land plot for state needs shall include:

- 1) information on the adopted resolution specified in Paragraph 2 of Article 63 of this Law (with an attachment of copy of the resolution);
- 2) information about an owner or non-state land user;
- 3) location, square, cadastral number of alienated land or other immovable property;
- 4) information on the procedure for determining the amount of compensation at market value;
- 5) information on the possibility of choosing one of the ways of equivalent compensation;
- 6) information on the procedure for signing an agreement on alienation of a land plot for state needs, as well as an explanation of judicial procedure for resolving the issue of expropriation upon refusal to enter into an agreement;
- 7) the terms for providing copies of title and identification documents to the alienated land plot or other immovable property for the organization of their assessment.

Specified notification, if necessary, may contain other information related to expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs.

3. Mediation procedures may be initiated by the owner or a non-state land user in accordance with Paragraph 1 of Article 69 of this Law.

4. The owner or non-state land user to familiarize with the notification specified in Paragraph 2 of this Article, as well as to provide copies of title and identification documents for a land plot or other immovable property shall be provided not less than fifteen calendar days from the date of receipt of the notification.

5. The notification on expropriation of land plot for state needs as a legal claim shall be subject to state registration in accordance with the Law of the Republic of Kazakhstan "On state registration of rights to immovable property".

Footnote. Article 64 is in the wording of the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 65. Expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. Expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs shall be carried out after an expiration of periods, established in the resolution specified in Paragraph 2 of Article 63 of this Law, with a consent of an owner or non-state land user, unless otherwise provided by the Laws of the Republic of Kazakhstan or by court decision.

2. Expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs for implementation of concessional projects may be carried out by local executive authorities at the expense of funds of concessionaire, on conditions of transferring to a concessor redeemed by them land plots on terms and conditions stipulated by a concession agreement, but not later transfer of a concession or of unfinished construction of an object of concession to state ownership.

3. Basis of expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs shall be an agreement on alienation of a land plot for state needs or a decision of a court.

Unchallenged in court or unreversed in accordance with paragraph 4 of Article 63 of this Law a resolution specified in Paragraph 2 of Article 63 of this Law, and also violation of procedure established by Paragraphs 7, 8, 9 and 11 of this Article may not be basis for carrying out expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs.

4. Termination of a private property right and land use rights, as well as a state's right to land plot and other immovable property shall be subject to state registration with an agency carrying out state registration of rights to immovable property, in the manner established by the legislation of the Republic of Kazakhstan, on basis of an agreement on alienation of a land plot for state needs or court decisions and statements of the agency, that adopted a resolution specified in Paragraph 2 of Article 63 of this Law.

5. Local executive authority shall, within one month from the date of receipt of copies of title and identification documents for an alienated land plot or other immovable property, conduct their assessment.

If the owner or non-state land user shall not provide copies of title and identification documents for the alienated land plot or other immovable property, the local executive body shall have the right to request them from the authorized state agency and (or) organizations.

6. Based on the results of assessing the value of property alienated for state needs, the local executive body shall prepare a draft agreement on alienation of a land plot for state needs within ten working days and send it to the owner or to a non-state land user by post requiring a notice of receipt of posting. In case of an absence of a receipt notice of post sending a document specified in this Paragraph shall be directed again.

7. An agreement on alienation of a land plot for state needs shall contain:

1) parties to the contract, including the list of persons, rights of that in connection with seized property shall be terminated or limited;

2) identification characteristics of alienated land plot or other immovable property and their composition, including structures, construction of which shall not be completed;

3) rights to a land plot or other immovable property, which shall be terminated;

4) price for an alienated land plot, determined in accordance with the procedure established by Article 87 of the Land Code of the Republic of Kazakhstan and Article 67 of this Law;

5) amount of refundable damages, including a cost of immovable property, in case of their being inflicted in connection with an expropriation;

6) deadline and procedure for payment of a price (cost) for alienated land plot or other immovable property due to the fact of seizure of land for state needs;

7) deadline for transfer of alienated land plot and other immovable property;

8) order of financing of state expenditures to expropriation of land plot or immovable property due to the fact of seizure of land plot for state needs.

8. In the case of granting an equivalent land plot instead for the alienated land plot for state needs in the agreement on alienation, in addition to the requirements contained in Paragraph 7 of this Article, the following shall be indicated:

1) identification characteristics of a land plot or other immovable property granted to the owner or non-state land user instead of the alienated;

2) market value of a land plot or other immovable property granted instead of the alienated;

3) difference in cost if the price of a alienated land plot or other immovable property turns out to be higher than the price (cost) of a land plot or other immovable property provided instead for the alienated property, and the procedure for paying such difference;

4) rights to a land plot or other immovable property granted instead of alienated, which arise on the basis of an agreement on alienation of a land plot for state needs.

9. In the case of expropriation of a land plot used for land use for state needs, the agreement on alienation of a land plot for state needs shall contain the information reflected in Paragraphs 7 and 8 of this Article, with the exception of Subparagraphs 4) and 6) of Paragraph 7 of this Article.

10. The owner or non-state land user from the date of receipt of the draft agreement on alienation of land for state needs within twenty calendar days shall express written agreement (disagreement) with the draft agreement by submitting the appropriate application to the local executive authorities.

If there are proposals to the draft agreement on alienation of a land plot for state needs, the owner or non-state land user may initiate mediation procedures in accordance with Paragraphs 1-1 and 2 of Article 69 of this Law.

11. The local executive authority shall submit to the relevant local representative authority a draft agreement on alienation of a land plot for state needs within one month from the date

of receipt of a written statement on agreement with the draft agreement from the owner or non-state land user.

The draft agreement on alienation of a land plot for state needs shall be considered by the permanent commission of the local representative authority no later than a two-week period from the date of its submission with the obligatory invitation of the owner and persons whose rights to the alienated property will be terminated or limited.

When an agreement shall be reached with an owner or non-state land user of a property alienated for state needs and other persons whose rights to the alienated property will be terminated or restricted upon expropriation, the agreement on alienation of a land plot for state needs shall be approved by the executive authority in coordination with the local representative authority and signed by an owner or non-state land user.

12. If an owner or non-state land user disagree with a resolution indicated in Paragraph 2 of Article 63 of this Law, and (or) on not reaching agreements on alienation of land plot for state needs upon expiry of three months period after the receipt of a written notification on expropriation of land plot for state needs by an owner or non-state land user, but not later than the term (date) of expropriation defined in a resolution, specified in Paragraph 2 of Article 63 of this Law, a local executive authority shall be entitled to apply to a court with claim for expropriation of land plot or immovable property due to the fact of seizure of land plot for state needs.

Civil cases in claims on expropriation of a land plot or other immovable property due to the fact of seizure of land plot for state needs shall be considered and decided within one month from the date of completion of preparing a case for court proceedings.

13. In case of dismissal of the claim on expropriation of land plot or immovable property due to the fact of seizure of land plot for state needs, the losses that had been caused to an owner or non-state land user, as a result of bringing a claim and adoption of a resolution specified in Paragraph 2 of Article 63 of this Law, shall be compensated from the budgetary funds.

14. Actual transfer of alienated land plot or other immovable property for state needs due to the fact of seizure of land plot for state needs may be carried out only after receipt by an owner or non-state land user of rights, that in respect of alienated property shall be terminated or restricted on an expropriation, equivalent compensation made in the manner prescribed by this Law.

State registration of termination of rights of an owner or non-state land user and origin of a right of state's ownership to such property shall be subject to submission to authority exercising state registration of rights to immovable property, a document confirming payment of compensation.

Footnote. Article 65 is in the wording of the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 66. The rights of an owner or non-state land user on expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. An owner or non-state land user from the moment of receipt notification on expropriation of land plot for state needs prior to conclusion of agreement on alienation of land plot or court decision on expropriation of a land plot or other immovable property due to the fact of seizure of land for state needs may exercise its right to land plot and other real estate and make necessary finances that secure use of such property in accordance with its intended purpose. Whereas an owner or non-state land user shall bear the risk of attributing to him, expenses and losses connected with new construction, expansion or reconstruction of buildings (structures, installations) and other real estate objects in the specified period.

If an owner or non-state land user after alienation for state needs of a part of land plot may not use in purposive appointment remainder as before then an entire land shall be alienated.

2. At transition of rights to real estate within the time specified in Paragraph 1 of this Article to another person by way of alienation or other grounds, and also at change of a right holder by virtue of universal legal succession procedure of expropriation of land plot or other immovable property due to the fact of seizure of land plot for state needs shall be applied (continued) in a ratio of a new right holder.

Footnote. Article 66 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 67. The amount of compensation of costs of land plot or other immovable property due to the fact of seizure of land plot for state needs

1. A cost of a land alienated for state needs (excluding losses) that is acquired by an owner from the state, shall be determined in the amount of market value.

On incomplete payment of amount for land plot (excluding losses), that is sold by the state in installments, and seizure of it by expropriation for state needs, a cost of alienated land plot shall be determined in amount of market value with the deduction of unpaid amount to the state.

2. The cost of a land plot, as well as of immovable property located on a land plot alienated for state needs, shall be determined in the amount of their market value, regardless of the grounds of origin the rights to land plot.

3. A market value of the land plot or other immovable property alienated due to the fact of seizure of land for state needs, shall be determined by an appraiser on the date of assessment, subject to the provisions of Paragraph 1 of Article 208 of this Law.

4. Amount of compensation shall be determined in accordance with Paragraphs 4 and 5 of Article 9 of the Civil Code of the Republic of Kazakhstan proceeding from cost of property and damages on a full scale that has been caused to an owner or to non-state land user as a result of expropriation of a land plot for state needs and (or) caused by an early termination of execution by an owner or non-state land user of obligations to third parties.

Amount of compensation to other persons rights of that in relation to expropriation for state needs of land plot are going to be terminated or limited shall be determined based on losses that arise as a result of an expropriation.

5. Amount of compensation shall be determined in tenge.

6. Is excluded by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Footnote. Article 67 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 68. Payment form and terms of payment of compensation on expropriation of a land plot or other immovable property due to the fact of seizure of land plot for state needs

1. A compensation of cost of a land plot or other immovable property due to the fact of seizure of land plot for state needs and losses subject to compensation shall be made in full scope prior to a transition to the Republic of Kazakhstan or an administrative-territorial unit of a right of ownership to specified property.

2. Payment of compensation shall be carried out from the budgetary funds.

3. Payment of compensation by property other than money shall be permitted upon the agreement between the Republic of Kazakhstan on behalf of the Government of the Republic of Kazakhstan or an administrative-territorial unit on behalf of a local executive authority and an owner of a property. This agreement shall be concluded in written form of a contract on alienation of a land plot for state needs.

4. Payment of compensation shall be paid one-time not later than one month from the day of signing an agreement on alienation of a land plot for state needs or from the day of the entry of a court decision into legal force.

5. To carry out an expropriation of land plot or other immovable property due to the fact of seizure of land for state needs, that is providing an installment of payment of compensation shall not be allowed.

Footnote. Article 68 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 69. Mediatory procedures on expropriation of a land plot or other immovable property due to the fact of seizure of land plot for state needs

1. An owner of a seized property or non-state land user from the moment of receipt of a written notification on expropriation of a land plot for state needs, within fifteen calendar days, shall be entitled to initiate mediatory procedures by filing an appropriate application to local executive authority. Specified application shall be registered on the day of filling.

The local executive authority within ten calendar days shall be obliged to consider an appeal of an owner or non-state land user to the notification of expropriation of a land plot for state needs.

1-1. The owner or non-state land user from the moment of receiving the draft agreement on alienation of a land plot for state needs can make proposals to the draft of this agreement within twenty calendar days by submitting an appropriate application to the local executive authority.

2. A local executive authority within one month shall be obliged to consider the proposals of an owner or non-state land user to a draft agreement on alienation of land plot for state needs on composition of alienated property, to the persons, the rights of that in respect of alienated property shall be terminated or limited, and amount of losses subject to compensation, maintenance of compensation. If necessary, the local executive authority can organize an additional assessment of cost of the alienated property.

3. 4. Upon failure in reaching agreement on transfer of property with one of interested persons specified in Paragraph 3 of this Article, an expropriation of land or other immovable property due to the fact of seizure of land plot for state needs shall be carried out in a judicial proceeding.

5. Requirements for payment of compensation prior to transfer of ownership right of property to the Republic of Kazakhstan or an administrative-territorial unit and other conditions of payment of compensation, established by Articles 67 and 68 of this Law may not be abolished by agreement of the parties.

Footnote. Article 69 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

SECTION 3. POSSESSION AND (OR) USE OF STATE PROPERTY

Chapter 7. GENERAL PROVISIONS ON POSSESSION AND (OR) USE OF STATE PROPERTY.

Article 70. The order, bounds and conditions of possession and (or) use of state property

1. Individuals and non-state legal entities shall be entitled to possess and (or) use state property for extracting by them of useful properties of property, as well as to obtain benefits in a form of income, accrual, fruits, offspring, and other forms.

2. Possession and (or) use of state property shall be carried out in the order and within and on terms, that are established by this Law and other laws of the Republic of Kazakhstan.

Article 71. The grounds for possession and (or) use of state property

1. Grounds for possession and (or) use of state property by individuals and non-state legal entities shall be recognized as follows:

- 1) agreements and other civil-law transactions;

2) administrative acts, that are creating civil law consequences in force of the legislation of the Republic of Kazakhstan.

3) court decisions, that are establishing civil rights and obligations;

4) events with that the legislation of the Republic of Kazakhstan shall connect the occurrence of civil-law consequences;

5) universal succession or other succession in cases and order, that are provided for by the legislation of the Republic of Kazakhstan.

2. The contract on transfer of state property in possession and (or) use shall be concluded in written form. Non-compliance with the written form of the contract on transfer of the state property into possession and (or) use shall entail its nullity.

3. State property transferred into possession and (or) use shall be included to a register of state property in accordance with the rules of Chapter 15 of this Law.

Footnote. Article 71 as amended by the Law of the Republic of Kazakhstan dated 27.02.2017 № 49-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 72. The agreements on transferring of state property use

1. State property may be transferred for possession on the basis of the following agreements:

1) of tenancy (lease) of state property;

2) on entrusted administration of state property;

3) of gratuitous use (loan for use) of state property;

4) turnkey contract;

5) on transfer to use of state-owned natural resources.

2. The transfer of state property to the possession shall be permitted on the basis of other civil law contracts in the cases and order, provided for by the laws of the Republic of Kazakhstan.

3. Transfer for use of strategic facilities and state property that is not subject to privatization or property that may belong solely to the state is allowed under a public-private partnership agreement, property trust management agreement and other agreements expressly stipulated by the laws of the Republic of Kazakhstan.

4. Transfer of state property to possession of individuals and non-state legal entities shall be carried out on basis of agreements or administrative acts in accordance with the rules of civil legislation of the Republic of Kazakhstan taking into account peculiarities and restrictions established by this Chapter.

Footnote. Article 72 as amended by the Law of the Republic of Kazakhstan dated 31.10.2015 № 380-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 15.03.2025 № 172-VIII (effective from 01.01.2025).

Article 73. Subjects authorized for transferring of state property to possession

An authority on transferring state property to possession shall have:

1) with regard to republican property - an authorized body on state property;

This version of sub-paragraph 2) is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

2) in respect of communal property – a local executive body or in agreement with the local community meeting, the Akim’s administration of the city of district significance, village, township, rural district.

Footnote. Article 73 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph.1) of paragraph 1 of Art. 2).

Chapter 8. CERTAIN GROUNDS OF POSSESSION AND (OR) USE OF STATE PROPERTY

Article 74. The agreement of tenancy (lease) of state property

1. To an agreement of property tenancy (lease) of state property shall be applied provisions of the Civil Code of the Republic of Kazakhstan with the peculiarities provided for by this Article, paragraph 4 of Article 114, by Articles 120, 145 of this Law.

2. Object of property tenancy (lease) of state property may be movable and immovable property (things).

3. Republican property is transferred to property lease (lease) by the authorized body for state property management (landlord (landlord) of republican property), with the exception of physical culture and recreation and sports facilities of state organizations of secondary education.

This version of part two of paragraph 3 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

Communal property in property lease (lease) is transferred by the local executive body or, in agreement with the meeting of the local community, the apparatus of akim of the city of district significance, village, township, rural district (lessor (lessor) of communal property), with the exception of sports and recreation and sports facilities of state organizations

secondary education. Unless otherwise established by this Law or other laws of the Republic of Kazakhstan, the transfer of state property into property lease (lease) is carried out in the manner determined by the central authorized body for state planning.

State organizations of secondary education provide physical culture, health-improving and sports facilities for property lease (rent) in the manner determined by the authorized body in the field of education.

The communal property shall be transferred to the property rent (lease) by the local executive body or, in agreement with the local community meeting, by the Akim's administration of the city of district significance, village, township, rural district (lender (landlord) of communal property). Unless otherwise established by this Law or other laws of the Republic of Kazakhstan, the transfer of state property to property lease (rent) shall be carried out in the manner determined by the central authorized body for state planning.

4. Tenants (lessees) of state property shall be individuals and non-state legal entities, unless otherwise provided for by laws of the Republic of Kazakhstan.

A right of use of state property may be transferred as contribution to charter capital of legal entities with state participation.

5. The terms of the contract of property rent (lease) of state property shall be determined by the standard contract, approved by the authorized body for state planning, subject to the restrictions, determined by this Law.

11. State property may be provided for property lease (lease) without the right to redeem on preferential terms to social entrepreneurship entities in accordance with the procedure determined by the central authorized body for state planning.

Footnote. Article 74 as amended by the Law of the Republic of Kazakhstan dated 04.07.2013 № 131-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 02.07.2014 № 225-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 28.10.2015 № 368-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1 of paragraph 1 of Art. 2); dated 19.04.2019 № 250-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 24.06.2021 № 52-VII (shall be enforced upon the expiration of ten calendar days after the day of its first official publication).

Article 75. The agreement on entrusted administration of state property

1. To an agreement on entrusted administration of state property shall be applied the provisions of the Civil Code of the Republic of Kazakhstan with peculiarities stipulated in Articles 120, 145, 176 of this Law and other laws of the Republic of Kazakhstan.

2. Object of an agreement on entrusted administration of state property shall be property complexes of state enterprises, securities, stakes of participating in charter capital, immovable property, money, belonging to the state.

Other state property acts as an object of an agreement on entrusted administration in cases stipulated by the Civil Code of the Republic of Kazakhstan and other laws of the Republic of Kazakhstan.

3. The authorized body for the state property management (the founder of trust management of the republican property) shall transfer the republican property to the trust management.

This version of part two of paragraph 3 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

Communal property shall be transferred to the trust management by the founder of the trust management of communal property, respectively, by the local executive body or in agreement with the local community meeting – by the Akim’s administration of the city of district significance, village, township, rural district.

Unless otherwise provided for by this Law or other laws of the Republic of Kazakhstan, the transfer of state property to trust management shall be carried out in the manner, determined by the authorized body for state planning.

4. An entrusted administrator of state property shall be individuals and non-state legal entities, unless otherwise provided for by laws of the Republic of Kazakhstan.

5. A beneficiary under a contract of entrust administration of state property shall be the Republic of Kazakhstan or an administrative-territorial unit.

6. The terms of the contract of trust management of state property shall be determined by this Law and other laws of the Republic of Kazakhstan. The authorized body for state planning shall approve the standard contract of trust management of state property.

7. An entrusted administrator shall be entitled to dispose of or transfer immovable property that has been transferred to it under a contract of entrusted administration of state property, only in cases specified by laws of the Republic of Kazakhstan, an agreement on entrusted administration of state property or with a written consent of a founder of entrusted administration of state property. An entrusted administrator shall be entitled to administer a movable property, unless otherwise provided for by laws of the Republic of Kazakhstan or by a contract of entrusted administration of state property.

8. An entrusted administrator shall be entitled to compensation of necessary expenses that has been made by him under an entrusted administration of state property, in order provided for by budget legislation of the Republic of Kazakhstan and other agreements of entrusted administration of state property.

An entrusted administrator shall be entitled to compensation if it is provided for by the laws of the Republic of Kazakhstan or by a contract of entrusted administration of state property.

9. An entrusted administrator shall render account to authorized state body that is the founder of entrusted administration of state property, on its activity in the terms and in the order established by a contract of entrusted administration of state property.

10. In a contract of entrusted administration of state property, shall be set limitations of an entrusted administrator to dispose of state property.

Transactions made by an entrusted administrator with a violation of limitations, established for him shall be recognized as invalid in accordance with the Civil Code of the Republic of Kazakhstan.

Rights and responsibilities under the obligations that are arising from transactions concluded by an entrusted administrator of state property with exceeding granted him powers or violation of limitations established for him, shall arise to an entrusted administrator.

11. An entrusted administrator shall carry out entrusted administration of state property personally.

An entrusted administrator may appoint another person to take the steps necessary for managing of entrusted him of state property, if he is authorized for it under a contract of entrusted administration of state property or in voluntary to it for force of circumstances to secure the interests of a founder and does not have the ability to seek his guidance. Whereas, an entrusted administrator shall be responsible for actions of a chosen appoint as for his own actions.

An entrusted administrator shall promptly notify a founder of assignment. A founder of entrusted administration of state property in this case shall be entitled to declare termination of entrusted property, by compensating to an entrusted administrator previously incurred charges, and in cases provided for by a contract of entrusted administration of state property, by compensating losses.

The types and categories of state property for which tax liabilities on property tax, land tax and vehicle tax are to be fulfilled by an entrusted administrator shall be determined by the rules for transferring state property to trust management.

12. A contract of entrusted administration of state property shall be amended and abrogated on grounds, provided for by the Civil Code of the Republic of Kazakhstan.

A transfer of state property from one kind of state property to another or from one level of local government to another shall not abrogate entrusted administration of state property, unless otherwise provided by the Laws of the Republic of Kazakhstan or by a contract of entrusted administration of state property.

13. Upon termination of a contract at instigation of one party, the other party shall be notified at least over the period of three months, unless different period shall not be stipulated

by the laws of the Republic of Kazakhstan or by a contract of entrusted administration of state property.

14. A contract of entrusted administration of state property may include conditions on seizure of state property that has been transferred to an entrusted administration, to an entrusted administrator, in cases directly provided for by Articles 105, 106, 120, 145, 176 of this Law and other laws of the Republic of Kazakhstan.

15. Communal property may be provided for trust management without the right of subsequent redemption on preferential terms to charitable and volunteer organizations in accordance with the procedure provided for in part three of paragraph 3 of this Article.

Footnote. Article 75 as amended by the Law of the Republic of Kazakhstan dated 04.07.2013 № 131-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2); dated 02.04.2019 № 241-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.07.2022 № 134-VII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication).

Article 76. The contract of gratuitous use of state property

1. To a contract of gratuitous use of state property shall be applied provisions of the Civil Code of the Republic of Kazakhstan on a contract of gratuitous use (loan for use) with peculiarities stipulated in Articles 77, 120, 145 of this Law and other laws of the Republic of Kazakhstan.

2. State property under a contract of gratuitous use of state property may be granted only in cases, stipulated by this Law and other laws of the Republic of Kazakhstan.

3. A contract of gratuitous use of state property may stipulate conditions about seizure of state property that has been transferred for gratuitous use, to a borrower, in cases directly provided for by Article 120 of this Law and other laws of the Republic of Kazakhstan.

This version of paragraph 4 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand and less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

4. Any improvement of the state property, transferred under the contract of gratuitous use of state property shall be carried out with the written consent of the authorized body for state property or the local executive body or the Akim’s administration of the city of district significance, village, township, rural district. Upon termination of the contract of gratuitous use of the state property, the cost of inseparable improvements, made with the consent of the

authorized body for state property or the local executive body or the Akim's administration of the city of district significance, village, township, rural district, shall be reimbursed at the expense of the relevant budget.

5. - 2-1) direct targeted sale of state property to a State Islamic Special Financial Company;
- 3) other methods of alienation of state property without holding a tender in the order and on conditions, stipulated by paragraph 3 of this chapter.

2. Actions, that are not directly leading to a sale of state property, but providing for its subsequent sale (leasing property hire (lease) of state property or transfer to entrusted administration with a right to repurchase respectively by tenant (lessee) or an entrusted administrator), shall be considered not as a type of privatization, but as preliminary stages.

3. The object of alienation may not be a state property, which, in accordance with the laws of the Republic of Kazakhstan, may belong only to the state, as well as a state property that is not subject to alienation in accordance with acts of the President of the Republic of Kazakhstan or the Government of the Republic of Kazakhstan in agreement with the President of the Republic of Kazakhstan.

4. The list of objects, including strategic, state-owned and quasi-public sector entities, not subject to alienation, shall be approved by the Government of the Republic of Kazakhstan in coordination with the President of the Republic of Kazakhstan.

5. Alienation of the state property located outside the Republic of Kazakhstan and assigned to diplomatic service bodies abroad shall be executed in accordance with the procedure established by the Government of the Republic of Kazakhstan.

Footnote. Article 94 as amended by the laws of the Republic of Kazakhstan dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated 03.07.2017 № 86-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 23.12.2023 № 51-VIII (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 10.01.2025 № 154-VIII (effective ten calendar days after the date of its first official publication).

Paragraph 2. Privatization of state property

Article 95. Basic principles of conducting privatization

Basic principles of conducting privatization shall be publicity, competitiveness, succession, responsibility of officials for legality of conducting privatization and credibility of presented information about objects of privatization.

Article 96. The objects of privatization

1. The objects of privatization shall be the following types of state property:
 - 1) enterprise as a property complex;
 - 2) productive and non-productive subdivisions and structural units of the enterprise as a property complex, privatization of that shall not violate the closed technological cycle;
 - 3) property of state legal entities, except the cases provided in Articles 85, 135, 145, 153, 161 of this Law;
 - 4) shares of joint stock companies;
 - 5) stakes of participating in charter capital of limited liability partnerships;
 - 6) derivative securities certifying rights to shares of joint stock companies, belonging to the state.

This version of part one of paragraph 2 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships,

rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

2. State property becomes the object of privatization from the date of the decision on its privatization by the authorized body for state property or the local executive body or the Akim’s administration of the city of district significance, village, township, rural district.

The object of privatization may not be a state property, which in accordance with the laws of the Republic of Kazakhstan is not subject to privatization, may only be in state ownership, as well as property that is in state ownership and is not subject to alienation in accordance with acts of the President of the Republic of Kazakhstan or the Government of the Republic of Kazakhstan in agreement with the President of the Republic of Kazakhstan.

Footnote. Article 96 as amended by the laws of the Republic of Kazakhstan dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2); dated 23.12.2023 № 51-VIII (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 97. Privatization of enterprise as property complex

1. To privatization of enterprise as property complex shall be applied the rules of paragraph 6 of Chapter 25 of the Civil Code of the Republic of Kazakhstan taking into account peculiarities stipulated by paragraph 2 of this Article and Articles 93, 95, 96, 99 - 101, 103, 107 – 112 of this Law.

To composition of enterprise as property complex subjected to privatization shall not be included stored material values of state material reserve.

2. To composition of enterprise as property complex may be included objects of social and cultural and household purpose.

3. A buyer shall become legal successor of the civil rights and obligations of privatized enterprise as property complex, unless otherwise stipulated by this Law and buy and sell agreement.

4. The buyer becomes the legal successor of civil rights and obligations of the privatized enterprise as a property complex, unless otherwise provided by this Law and the contract of sale.

5. In case, that the state enterprise as a property complex not sold on the results of three conducted biddings, this state enterprise shall be subject to reorganization by joining or merger, or liquidation.

Footnote. Article 97 as amended by the laws of the Republic of Kazakhstan dated 22.04.2015 № 308-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated

02.04.2019 № 241-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 98. Shares of joint stock companies that belong to the state, and stakes of participating of the state in charter capital of limited liability partnerships

1. The sale of shares of joint stock companies owned by the state and state participation shares in the authorized capitals of limited liability partnerships must be carried out in compliance with the requirements established by this Law, the laws of the Republic of Kazakhstan “On Joint Stock Companies”, “On Limited and Additional Liability Partnerships”, “On the securities market” and other laws of the Republic of Kazakhstan.

2. The sale of shares, issuance of that is not registered in the order, established by the legislation of the Republic of Kazakhstan shall not be allowed.

3. On selling state-owned shares, a buyer- a joint stock company may not acquire more than twenty-five percent of company shares, if a joint stock company owns shares of a buyer.

3-1. The sale of shares of joint stock companies owned by the state and related to organizations of the military-industrial complex shall be carried out while maintaining the “golden share” under the control of the state.

3-2. The sale of state participation shares in the authorized capital of a limited liability partnership related to organizations of the military-industrial complex shall be carried out while maintaining the state's share of participation in the authorized capital in the amount of more than one-quarter of the total number of votes of the limited liability partnership.

4. In the event that one hundred percent of the shares of joint-stock companies and stakes in the authorized capital of limited liability partnerships owned by the state put up for auction are not sold based on the results of three auctions, these legal entities are subject to reorganization by way of affiliation or merger or are subject to liquidation.

Footnote. Article 98 as amended by the laws of the Republic of Kazakhstan dated 22.04.2015 № 308-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication); dated 23.12.2023 № 51-VIII (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 99. Privatization and rights to land plot

On privatization of an immovable property to a buyer shall be transferred the right to a land plot in accordance with the Land Code of the Republic of Kazakhstan.

Article 100. Conditions for bidding

1. The person, who offered the highest price shall be recognized as the winner of the auction or tender.

At auctions, bids are announced publicly, at tenders bids are announced in a closed envelope.

In case of sale of state enterprises as property complexes at the tender, shares (participation shares in the charter capital) of joint-stock companies (limited liability partnerships), in the charter capital of which the controlling stake (participation share in the charter capital) belongs to the state, the condition of the tender shall be the preservation of the activity profile.

The term of preservation of the activity profile of the state enterprises, joint-stock companies (limited liability partnerships) in which charter capital the controlling stake (participation share in the charter capital) belongs to the state, shall be determined by the seller

The auction and tender shall be conducted using the web portal of the state property register in electronic form, with the exception of closed tenders and auctions for the sale of unused weapons and military equipment.

2. Bidding must be open. In exceptional cases affecting national security, environmental protection, the external economic situation of the Republic of Kazakhstan, by decision of the Government of the Republic of Kazakhstan, the tender may be closed.

The procedure for the sale of objects of privatization shall be established by the Government of the Republic of Kazakhstan in accordance with articles 101 – 105 of this Law.

3. Auctions in which only one participant participated are recognized as valid if the participant confirmed the starting or announced price.

Tenders in which only one participant participated are recognized as valid if the participant has offered a cost not less than the starting price.

4. Before an auction, a buyer shall be entitled to check ecological state of the acquired object.

Footnote. Article 100 as amended by the laws of the Republic of Kazakhstan dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); 13.06.2017 № 69-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 18.03.2019 № 237-VI (shall be enforced upon expiry of twenty one calendar days after its first official publication); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 100-1. The cost of privatization object

1. Sale of privatization objects shall be carried out at the market value of a privatization object.

The market value of a privatization object is the estimated amount of money, at which the privatization object may be alienated on the basis of transaction in a competitive environment, when the parties of transaction shall act, having all available information about the object of assessment, prudently and without coercion.

The initial price of the object of privatization is determined on the basis of a report on the valuation of the object of privatization, submitted by independent consultants or an appraiser, and is established by the commission on privatization of state property objects.

2. Assessment of privatization objects, which book value is more than 2,500,000 times of the monthly calculation index, established by the Law on the republican budget and is valid on January 1st of the corresponding financial year, shall be carried out by independent consultants in accordance with international assessment standards.

3. Assessment of privatization objects, which book value of is less than 2,500,000 times of the monthly calculation index, established by the Law on the republican budget and is valid on January 1st of the corresponding financial year, shall be carried out in accordance with the legislation of the Republic of Kazakhstan on evaluation activity.

4. Independent consultants are legal entities, including foreign ones or their associations, participants in evaluation and (or) investment activities, and (or) financial consulting, engaged by the seller in order to assess the market value of the object of privatization and (or) support the transaction on privatization objects.

5. Legal relations, regulated by the legislation of the Republic of Kazakhstan on state property regarding the selection of an independent consultant shall not be subjects to the legislation of the Republic of Kazakhstan on public procurement.

Involvement of an independent consultant shall be carried out in accordance with the procedure determined by the central state planning authority.

6. The market value of a privatization object may be lower than the book value of the privatization object.

Footnote. Chapter 10 is supplemented by Article 100-1 in accordance with the Law of the Republic of Kazakhstan dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); as amended by the Law of the Republic of Kazakhstan dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication); dated 19.04.2023 № 223-VII (shall be enforced ten calendar days after the date of its first official publication).

Article 101. The order of open bidding

1. A notice of an auction must be published by the seller at least fifteen calendar days before the auction. The notice must be published in Kazakh and Russian on the web portal of the state property register.

The notice must contain information about the time, place and type of biddings, the object of sale and bidding procedure, including registration of participation in the biddings, terms of determining the person, who won the biddings, as well as information about the starting price and the amount of guarantee fee.

2. In case of change the terms of trades by a seller a notice about all changes shall be done for them in the order and terms established by paragraph 1 of this Article.

Persons, that filed an application for participation in auction prior to publication of a notice about a change of its conditions and that rejected in this regard from participation, shall be entitled to demand return of guarantee fee and expenses incurred by them.

3. A seller shall be entitled not later than three working days before an auction to abandon them with compensation for an actual damage to persons that has filed application for participation in an auction.

An auction may be cancelled due to impossibility of their holding. A seller shall be released from compensation for an actual damage to persons that have filed application for participation in an auction, if holding tender has become impossible due to the insuperable force reasons beyond the control of seller.

4. Bidders pay a guarantee fee in the amount, terms and procedure, specified in the notice of biddings. If the biddings did not take place, the guarantee fee is refundable. The guarantee fee is also returned to the persons, who submitted the application, but did not participate in the biddings, to the persons, who participated in the biddings, but did not win it, and to those, who refused to participate in the biddings in written form no later than three working days before their holding.

Guarantee fees shall be returned on basis of an application for the return of guarantee fee, submitted by a tender's participant, with indication of legal details of this participant.

At the conclusion of a buy and sell agreement with a person that has won an auction, the amount of submitted guarantee fee shall be counted towards the execution of obligations under a concluded agreement.

4-1. The auction is held in two ways:
to increase the price;
for a price drop.

When conducting an auction using the price increase method, the starting price of the privatization object is equal to the initial price of the privatization object.

When conducting an auction using the price reduction method, the starting price of the privatization object is determined by multiplying the starting price by a multiplying factor equal to 3.

The object of privatization for the first auction is put up for auction using the price increase method.

For the second auction, the privatization object is put up for auction using the method of price reduction with the establishment of a minimum price in the amount of fifty percent of the initial price.

At the third auction, the privatization object is put up for auction using the price reduction method without setting a minimum price.

Each subsequent auction is held no later than thirty calendar days from the date of the previous auction.

4-2. When a privatization object is put up for the first tender, the starting price of the privatization object is equal to the starting price.

When an object of privatization is put up for the second and third tenders, the starting price is reduced by fifty percent from the starting price of the previous tender.

Each subsequent tender is held no later than thirty calendar days from the date of the previous tender .

5. A person, that won an auction and a seller, shall sign in the day of auction or tender Protocol on the auction results.

6. A buy and sell agreement shall be signed not later than ten calendar days after the close of an auction.

A person, that has won an auction, on avoidance of signing the Protocol on results of an auction or buy and sell agreement shall loose a guarantee fee and shall be obliged to compensate to a seller for an actual damage suffered, in the part that has not been covered by a guarantee fee.

A seller shall not be entitled to avoid signing of the Protocol on results of an auction and buy and sell agreement with a person that has won an auction, except the cases when a person , that has won an auction fail to meet the requirements of Article 93 of this Law.

The conditions of buy and sell agreement shall not contradict to condition of a tender.

The buy and sell agreements of enterprise as a property complex shall contain conditions on the terms within that a seller shall appeal to the State Corporation "Government for Citizens" for a registration of termination of activity of an enterprise.

7. The buy and sell agreement shall be submitted to become familiar by interested persons upon their request in compliance of the requirements provided for by the Civil Code of the Republic of Kazakhstan and other Laws of the Republic of Kazakhstan concerning disclosure of information, that is constituting commercial and other protected secrets by the Laws of the Republic of Kazakhstan.

8. Auction that has been conducted with violation of rules established by present Article might be invalidated by a court on a suit of an interested person, relevant authorized body or the Prosecutor.

The recognition of biddings invalid shall entail the nullity of the contract of purchase and sale, concluded on the results of such auctions.

9. The rules, established by this Article, shall be applied on bidding, unless otherwise provided for by the Articles 102, 104 of this Law.

Footnote. Article 101 as amended by the Law of the Republic of Kazakhstan dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated 27.02.2017 № 49-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 02.04.2019 № 241-VI (shall be enforced from 01.07.2019); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 102. Tenders at the stock exchange

1. The sale of securities, owned by the state on the stock exchange shall be carried out in accordance with the Law of the Republic of Kazakhstan “On the securities market”.

2. A notice of sale must be published in Kazakh and Russian on the web portal of the state property register and the Internet resource of the stock exchange. The notice of sale must be

published at least fifteen calendar days before the start of trading on the stock exchange and contain information about the start date of trading, the place of trading, the object of sale and its size .

The seller shall be entitled to specify in the notification any other information relating to the sale of securities, owned by the state.

3. The agreement of the seller with a professional participant of the securities market shall contain the obligation to sell securities belonging to the state, not below the minimum price, that is set by the seller.

4. It is allowed to sell securities owned by the state on stock exchanges of foreign states.

When selling securities owned by the state on the stock exchanges of foreign states, the legislation of this state is applied.

Footnote. Article 102 as amended by the Law of the Republic of Kazakhstan dated 24.11.2015 № 422-V (shall be enforced from 01.01.2016); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 103. Competition through two-stage procedures

1. Competition through two-stage procedures shall be held with participation of an independent consultant by the decision of the Government of the Republic of Kazakhstan, determining the priority of price and (or) other conditions of privatization.

2. The competition includes the following action plan:

1) involvement of an independent consultant in the manner, prescribed by Article 100-1 of this Law for conducting a comprehensive analysis of the object of privatization, assessment of its value and formation of an information database about the object of sale for potential buyers (investors);

2) publication by the seller of a notice of the sale of the privatization object in Kazakh and Russian on the web portal of the state property register, as well as distribution by an independent consultant of an offer to sell to potential buyers (investors);

3) formation by an independent consultant of a list of applications, containing proposals from potential buyers (investors);

4) conduct of negotiations with potential buyers (investors) on the list of applications in order to identify at least two potential buyers (investors), who submitted the best proposals during the negotiations (the first stage of competition) by the seller, with participation of an independent consultant;

5) conduct of negotiations with the winners of the first stage of the competition in order to improve the previously proposed conditions (the second stage of competition) by the seller, with participation of an independent consultant.

3. According to the results of each stage of negotiations, the seller, an independent consultant and all participants in the competition shall sign a protocol on its results.

4. A potential buyer (investor) who has offered the best conditions during the second stage of the competition shall be recognized as the winner of the competition.

5. In case of refusal or evasion of the winner of the competition from signing the contract of sale within the terms established by the seller, the contract of sale and purchase shall be signed with the potential buyer (investor), whose offer is recognized as the best after the proposal of the competition winner.

Footnote. Article 103 is in the wording of the Law of the Republic of Kazakhstan dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); as amended by the Law of the Republic of Kazakhstan dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 104. Sale of derivative security, verifying the rights to shares of joint stock companies, owned by the state

1. The sale of derivative securities verifying shares of joint stock companies, owned by the state, shall be carried out on the decision of the Government of the Republic of Kazakhstan or the relevant local executive body.

2. General conditions of sale derivative securities shall be presented by the seller for approval to the Government of the Republic of Kazakhstan or local executive body for approval by the relevant local representative body.

3. The decision on sale of derivative securities shall contain information on the number of shares, owned by the state that issued derivative securities, the type of sold derivative securities, foreign country (foreign countries), on the territory of that is (are) expected to carry the sale of derivatives, the maximum terms of completion of the transaction, the conditions and order of realization of the rights of the owners of the derivative securities and if necessary other conditions.

Article 105. Direct address sale

1. Objects, transferred in accordance with Article 106 of this Law to the property rent (lease) or trust management with the right of subsequent redemption, respectively, to the employer (lessee) or trustee, as well as objects, determined by the decision of the Government of the Republic of Kazakhstan to be transferred to the strategic investor shall be subjects to direct targeted sale.

Sale of the object of privatization to employers (lessees) and trustees shall be allowed only on condition of proper execution of the relevant contract.

2. The conditions of sale of the object of privatization shall be determined by agreement of the parties, if they were not provided for by the contract of property tenancy (lease), or the contract on the entrusted administration.

3. Is excluded by the Law of the Republic of Kazakhstan dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

4. Direct targeted sale of state property by the decision of the Government of the Republic of Kazakhstan shall be carried out to a strategic investor - a Kazakhstani or foreign legal entity (their associations), that meet the following criteria:

availability of activity experience in the field, related to the activities of the sold object of privatization;

acquisition of a large block of shares (shares in the charter capital) for participation in the management of the object of privatization, as well as in its development through the transfer of technologies, including obtaining undisclosed information (secrets of production (know-how) and involving highly qualified specialists.

Direct targeted sale shall be carried out when establishing and appropriate adoption by a strategic investor of obligations for:

- 1) volumes, types and terms of investments in the object of privatization;
- 2) ensuring a certain level of production volume, range of products produced or services provided;
- 3) conducting environmental protection measures;
- 4) preservation of the activity profile;
- 5) preservation or creation of new work places;
- 6) ensuring at least two thirds of the staff number of employees, being the citizens of the Republic of Kazakhstan;
- 7) preservation of the existing order and conditions for the use of objects of industrial and social infrastructure;
- 8) repayment of accounts payable within the established deadlines;
- 9) repayment of wage arrears;
- 10) restrictions on transactions (resale, pledge, transfer to management and others) and (or) prohibition of certain actions in relation to the object of privatization within a certain period of time.

The decision of the Government of the Republic of Kazakhstan on direct targeted sale includes the name of the object and the strategic investor, as well as the requirements for the strategic investor to accept obligations from the list of obligations specified in this paragraph, and the deadlines for fulfilling obligations.

Footnote. Article 105 as amended by the laws of the Republic of Kazakhstan dated 24.11.2015 № 422-V (shall be enforced from 01.01.2016); from 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 105-1. Sale of state property to the state Islamic special financial company with the obligation of its repurchase

Footnote. Chapter 10 is supplemented by Article 105-1 in accordance with the Law of the Republic of Kazakhstan dated 24.11.2015 № 422-V (shall be enforced from 01.01.2016); is excluded by the Law of the Republic of Kazakhstan dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 106. Preliminary stages of the privatization

1. Preliminary stages of the privatization shall be recognized as: the hire of state property to the property tenancy (lease) or its transfer to the entrusted administration with the right to repurchase in accordance with the legislation of the Republic of Kazakhstan.

2. The trustee or the lessee (lessee) is selected on the basis of a tender in accordance with Articles 100 and 101 of this Law, establishing requirements and conditions that are not anti-competitive in relation to potential tender participants.

3. The provisions of the civil legislation of the Republic of Kazakhstan concerning the relations of entrusted administration and property tenancy (lease) shall be applied taking into account the peculiarities stipulated by Article 105 of this Law and this Article.

This version of paragraph 4 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand and less people see the archive version dated 25.12.2017 of the Law “On state property” dated 01.03.2011 № 413-IV).

4. Transfer of state property to the trust management or property rent (lease) shall be registered by the relevant contract of the authorized body for state property or local executive body or the Akim’s administration of the city of district significance, village, township, rural district with a trustee or employer (lessee). The contract should provide in what time frame and under what conditions the state property will become the property of the trustee or employer (lessee).

5. To the entrusted administration may be transferred shares, owned by the state, on the basis of tender in accordance with Articles 100 and 101 of this Law.

6. Small business entities may be provided the entrusted administration or property tenancy (lease) for a period of one year with the right of subsequent gratuitous transfer of the state property, that has not been used for more than one year, to the ownership of the organization of industrial activity and development of public services, except trade and intermediary activities.

Footnote. Article 106 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 107. Preparation of the object to privatization

1. Preparation of the object to privatization shall be carried out by the seller.

2. In the process of the preparation of the object to privatization the seller shall:

1) assess the market value of the object of privatization in accordance with Article 100-1 of this Law;

2) prepare and provide on-demand of the buyer information about the burdens of objects of privatization and the amount of payables and debtor indebtedness, concluded by the

agreements of the privatized enterprise, if the object of privatization is an enterprise as a property complex;

3) in case of availability of material assets of the state material reserve at the object of privatization, the authorized body in the field of the state material reserve and the relevant central executive bodies shall be notified within five working days after the decision to carry out these procedures;

4) define the conditions, forms and types of privatization, prepare for its conduct;

5) secure the safety of the property;

6) carry out other measures, that are necessary for the privatization.

3. Officials of the state legal entities and also legal entities, whose shares and stakes of participating of the state in the charter capitals are subjected for sale, shall provide the information necessary for preparation of the property for sale upon the request of the seller, in deadlines defined by him.

Responsibility for adequacy of the provided information shall be imposed on legal entities listed in this paragraph.

Footnote. Article 107 as amended by the Law of the Republic of Kazakhstan dated 11.04.2014 № 189-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016).

Article 108. The order of the calculations

1. The calculations under the buy and sell agreement of the object of privatization shall be made between the seller and the buyer.

2. Payment of the acquired object shall be made within thirty days from the day of signing the buy and sell agreement.

3. Payment in installments shall be allowed only in the cases, when the conditions of possible installment have previously been disclosed to participants of tenderers.

4. The amount of the original contribution on the installment sale of privatized property may not be less than fifteen percent of the sale price and the period of installment payment may not exceed three years.

SECTION 5. PARTICULARITIES OF MANAGING OF CERTAIN TYPES OF STATE PROPERTY

Chapter 11. EXERCISE OF RIGHTS BY THE STATE TO THE PROPERTY OF STATE LEGAL ENTITIES

Paragraph 1. General provisions on state legal entities

Article 122. Exercise of state property rights concerning the property of state legal entities

1. The rights of the subject to republican property law concerning the property of state legal entities on behalf of the Republic of Kazakhstan shall carry out the authorized body on state property, the National Bank of the Republic of Kazakhstan or another state body implementing the rights of the subject to republican property law by decision of the Government of the Republic of Kazakhstan.

2. The management of the state legal entities shall be carried out by the authorized bodies of the relevant fields.

3. Concerning the state legal entities, for that the Government of the Republic of Kazakhstan has not determined the authorized body of the relevant fields, as well as at the termination of the authorized body of the relevant field of the rights to management of state legal entities, functions of the authorized body of the relevant field shall perform the authorized body on state property.

This version of paragraph 4 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand and less people see the archive version dated 25.12.2017 of the Law “On state property” dated 01.03.2011 № 413-IV).

4. The rights of the subject of the right of communal property in relation to communal legal entities shall be exercised by local executive bodies of regions, cities of republican significance, the capital city, districts, cities of regional significance or the Akims’ administrations of the cities of district significance, villages, townships, rural districts.

This version of paragraph 5 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand and less people see the archive version dated 25.12.2017 of the Law “On state property” dated 01.03.2011 № 413-IV).

5. The local executive body or Akim’s administration of the city of district significance, village, township, rural district shall act as the body, exercising management of communal legal entities of the relevant administrative-territorial unit.

Footnote. Article 122 as amended by the Law of the Republic of Kazakhstan dated 13.06.2013 № 101-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2).

Article 123. State registration and reregistration of state legal entities

1. State legal entity shall be regarded as established and shall acquire the rights of legal entity from the moment of its state registration.

The state registration of state legal entities shall be carried out in accordance with the legislation of the Republic of Kazakhstan on state registration of legal entities and record registration of branches and representative offices.

2. State legal entity shall be subjected to reregistration in cases provided for by the Civil Code of the Republic of Kazakhstan, and also the Law of the Republic of Kazakhstan "On state registration of legal entities and record registration of branches and representative offices".

Article 124. Constitutional documents of state legal entities

1. The constituent document of the state enterprise shall be the charter and the constituent document of the state institution shall be the charter or provision.

This version of part two of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

The charter (provision) of the republican state institution shall be approved by the authorized body of the relevant branch, and the charter (provision) of the communal state institution - by the local executive body or, in agreement with the local community meeting, by the Akim's administration of the city of district significance, village, township, rural district.

This version of part three of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

The charter of a republican state enterprise shall be approved by the authorized body on state property, other state body, exercising the rights of a subject of republican ownership rights by the decision of the Government of the Republic of Kazakhstan, and the charter of a communal state enterprise - by local executive body or in agreement with the local community meeting – by the Akim’s administration of the district significance, village, township, rural district.

The Charter of the republican state enterprise shall be approved by the authorized body on state property, or other state body, exercising the rights of the subject of republican property law on the decision of the Government of the Republic of Kazakhstan and the charter of communal state enterprise by the local executive body.

2. The charter (provision) of state legal entity shall contain:

- 1) indication of the type of state legal entity;
- 2) name (firm name);
- 3) information about the founder and the authorized body of the relevant field;
- 4) location area;
- 5) subject and purposes of activity;
- 6) the powers of the head;
- 7) powers of the supervisory board in cases of its establishment;
- 8) work pattern;
- 9) order of formation of property;
- 10) conditions of reorganization and liquidation.

This version of part two of paragraph 2 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

The charter (regulation) shall also define the relationship between a legal entity and an authorized body on state property or a local executive body or Akim's administration of the city of district significance, village, township, rural district, between a legal entity and an authorized body of a relevant branch, administration of a legal entity and its labour collective. The charter (provision) may contain other provisions, not contradicting the legislation of the Republic of Kazakhstan.

3. To the constituent document of state institutions, that are government bodies, shall be applied the provisions of this Article, unless otherwise provided for by the legislation of the Republic of Kazakhstan or by an individual act on its creation.

This version of paragraph 4 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

4. State institution by the decision of an authorized body of the relevant branch or a local executive body or Akim's administration of the city of district significance, village, township, rural district, and a state enterprise by the decision of an authorized body on state property or

a local executive body, or Akim administration of the city of district significance, village, rural district shall carry out activity on the basis of a standard charter (general provision), approved by the Ministry of Justice of the Republic of Kazakhstan.

Footnote. Article 124 as amended by the Law of the Republic of Kazakhstan dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Article 2).

Article 125. The firm name of the state enterprise, name of the state institution

This version of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

1. The firm name of a state enterprise shall contain an indication of its affiliation to the type of state property (republican or communal), departmental subordination (if it exists). The firm name of the enterprise on the right of operational management should also indicate that it is official.

The name of a public institution shall contain an indication of its affiliation to a type of state property (republican or communal), organizational and legal form, and departmental subordination. The name of state institutions, being the state bodies, shall be determined by the legislation of the Republic of Kazakhstan or individual acts on their creation.

2. State legal entity shall have a stamp with the State Emblem of the Republic of Kazakhstan and the name of the legal entity.

Footnote. Article 125 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Article 2).

Article 126. Subject and purposes of activity of state legal entity

This version of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version date 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

1. The subject and objectives of the state institution’s activities shall be determined by an authorized body of the relevant branch or a local executive body or in agreement with the local community meeting by the Akim’s administration of the city of district significance,

village, township, rural district and shall be fixed in the charter (provision) of the state institution.

The subject and objectives of the activity of republican state enterprise, as well as the type of state enterprise (on the right of economic management or public enterprise), carrying out such activities, shall be determined in accordance with the requirements of Article 134 of this Law by an authorized body on state property at the request of an authorized body of the relevant branch, and of the communal state enterprise – by a local executive body or in agreement with the local community meeting – by the Akim administration of city of district significance, village, township, rural district.

2. Transferring by the state legal entities (except for state bodies) of state control and supervisory functions shall not be allowed.

3. State legal entity may not create, and also be a founder (participant) of another legal entity, unless otherwise provided for by paragraph 3 of Article 135 of this Law and laws of the Republic of Kazakhstan.

4. The exercising by state legal entities of activities and making the transactions that do not meet the subject and purposes of their activity, as stated in the charter (provision) shall be prohibited.

4-1. A state legal entity shall have the right to enter into transactions within the framework of a master financial agreement, if this corresponds to the subject and goals of its activities established in the charter (regulation) of a state legal entity.

The parties to the master financial agreement carry out (apply) the offset of claims and (or) liquidation netting on the transaction (transactions) under a master financial agreement in accordance with the procedure and on terms specified in the master financial agreement.

A net claim that has arisen (calculated) as a result of the offset of claims and (or) liquidation netting carried out (applied) in accordance with the procedure and on the terms specified in the master financial agreement shall be satisfied on general grounds in accordance with the rules for settlements with creditors established by this Law and civil legislation of the Republic of Kazakhstan.

This version of part one of paragraph 5 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

5. A transaction made by a state legal entity in contradiction with the objectives of the activity, which is specifically limited by the laws of the Republic of Kazakhstan or constituent documents, or with violation of the statutory competence of its head, may be declared invalid in the claim of:

an authorized body of the relevant branch;
an authorized body for state property;
local executive body;
the Akim's administration of the city of district significance, village, township, rural district;
the prosecutor.

The actions of the head of state legal entity, aimed at the implementation by the legal entity of non-statutory activities are the violation of work duties and shall entail taking of measures of disciplinary and material responsibility.

Footnote. Article 126 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Article 2); dated 12.07.2022 № 138-VII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication).

Article 127. Property of state legal entity

1. Property of state legal entity shall be composed from the assets of the legal entity, the cost of that shall be reflected on its balance sheet.

2. Property of state legal entity shall be indivisible and may not be distributed to investments (stakes of participation in the authorized capital, shares), including between employees of the state legal entity.

3. Property of state legal entity shall be formed by:

1) the property, that has been transferred to him by the owner;
2) property (including financial income), that has been acquired in the result of his own activities;

3) other sources, that are not prohibited by the legislation of the Republic of Kazakhstan.

Article 128. The acquisition and termination of rights of economic management and operative management

1. Acquisition and termination of the right of economic management and the right of operative management shall be carried out under conditions and in order provided for by the Civil Code of the Republic of Kazakhstan for the acquisition and termination of ownership and other proprietary rights, unless otherwise provided in this Article or shall not contradict to the nature of the proprietary rights.

2. The right of economic management or the right of operative management of the property in respect of that the by an owner has been taken decision on fixing it for the already established state legal entity, shall arise to this state legal entity at the moment of fixing the property on his balance sheet, unless otherwise stipulated by legislation of the Republic of Kazakhstan or by the decision of the owner.

3. Fruit, products and incomes from the use of property, that is in economic management (operative management), and also property, that has been acquired by a state legal entity under contract or bases, shall proceed into economic management (operative management) of the

state legal entity in the order established by the legislation of the Republic of Kazakhstan for acquisition of the property right.

4. The right of economic management (operative management) of property shall be terminated on the grounds and in the order provided for by Article 249 of the Civil Code of the Republic of Kazakhstan for the termination of the property right, and in cases provided for by Articles 144, 154, 162 of this Law.

Article 129. Reservation of rights by the state legal entity to the property under change of the type of state property or departmental affiliation

On the transfer of property of state legal entity from the republican to communal ownership or vice versa, or from the jurisdiction of one of the authorized body of the relevant field (local executive body) in the subordination of another such state entity shall reserve the rights to property, that is belonging to him.

Article 130. Reorganization and liquidation of state legal entity

This version of part one of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

1. Reorganization and liquidation of a republican legal entity shall be made by the decision of the Government of the Republic of Kazakhstan, and reorganization and liquidation of a communal legal entity - by the decision of a local executive body or in agreement with the Akim of the district (the city of regional significance) and the local community meeting – of the Akim’s administration of the city of district significance, village, township, rural district.

The state legal entity shall also be liquidated on other grounds, provided for by the Civil Code of the Republic of Kazakhstan, paragraph 5 of Article 97, paragraph 4 of Article 98 of this Law.

Reorganization and liquidation of the republican legal entity shall be carried out by the authorized body of the relevant field as may be agreed with the authorized body on state property, unless otherwise established by the laws of the Republic of Kazakhstan.

This version of part four of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

Reorganization and liquidation of communal legal entity shall be carried out by a local executive body or in agreement with the Akim of the district (city of regional significance) and the local community meeting — by the Akim's administration of the city of district significance, village, township, rural district.

This version of part one of paragraph 2 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version date 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

2. The property of a liquidated state legal entity, remaining after satisfaction of the claims of creditors, shall be redistributed by an authorized body for state property or a local executive body or in agreement with the Akim of the district (the city of regional significance) and the local community meeting – by the Akim’s administration of the city of district significance, village, township, rural district.

Money of the liquidated state legal entity, including funds, received as a result of the realization of property of this legal entity that has remained after the satisfaction of the requirements of the creditors, shall be credited to the income of the relevant budget.

Footnote. Article 130 as amended by the Law of the Republic of Kazakhstan dated 04.04.2015 № 308-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Article 2).

This version of Article 131 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

Article 131. Appeal of illegal actions (inaction) of state bodies by a state legal entity

A state legal entity shall have the right to appeal to the court against illegal actions (inaction) of state bodies, including actions (inaction) of an authorized body for state property and an authorized body of the relevant branch, local executive body, the Akim’s administration of the city of district significance, village, township, rural district, related to redistribution of property, as well as other actions (inaction), that violate the rights of the state legal entity in accordance with the procedure, established by the legislation of the Republic of Kazakhstan.

Footnote. Article 131 is in the wording of the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Article 2).

Paragraph 2. General provisions on state enterprise

Article 132. Types of state enterprises

The state enterprises shall include state enterprises that based on the right of:

the communal state enterprise with the local executive body or the Akim’s administration of the city of district significance, village, township, rural district.

2. In the employment agreement, in addition to the conditions established by the Labor Code of the Republic of Kazakhstan, shall be determined responsibility of the head of the state enterprise for the untimely allocation of established part of net income to the budget.

3. The appointment of the head, approval of the candidacy of the head in cases provided by this Law, conducting attestation shall be carried out in the manner, determined by the authorized agency for state planning, except for the first heads of certain state enterprises of education and culture, appointed and dismissed from office by the President of the Republic of Kazakhstan, as well as the first heads of secondary education organizations in the organizational and legal form of state enterprises on the right of economic management, appointed to office in accordance with the legislation of the Republic of Kazakhstan in the field of education.

4. The head of the state enterprise shall operate on the principles of one-man management and independently decide all issues of activity of state enterprise in accordance with its competence defined by this Law and the charter of the state enterprise, unless otherwise provided for by this Law and the charter of the enterprise.

5. The head of the state enterprise shall be responsible for the effectiveness and efficiency of implementation of the state enterprise development plan in accordance with the Laws of the Republic of Kazakhstan.

The head of the state enterprise shall be personally responsible for financial and economic activity and safety of the property of the state enterprise.

6. The head of the state enterprise without procuration on behalf of the state enterprise, shall represent its interests in all bodies, dispose the property of the state enterprise within the limits provided for by this Law, make contracts, issue powers of attorney, open bank accounts and make other transactions, issue orders and give instructions binding for all employees.

7. The head of the state enterprise in accordance with the Labor Code of the Republic of Kazakhstan shall hire and terminate the employment agreement with the workers of the state enterprise, take measures of encouragement and imposes penalties on them, unless otherwise provided for by this Law and the charter of the enterprise.

This version of part two of paragraph 7 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand

people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

The nomenclature of employees of the state enterprise, who are appointed or dismissed from office by the authorized body of the relevant branch or local executive body or by the Akim’s administration of the city of district significance, village, township, rural district on representation of the head, shall be established in the charter of the state enterprise.

This version of part one of paragraph 8 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

8. Deputies of the head of the state enterprise shall be appointed and dismissed by the authorized body of the relevant branch or local executive body or by the Akim’s administration of the city of district significance, village, township, rural district on recommendation of the head of the state enterprise.

The competence of the deputy of the head and other senior employees of the state enterprise shall be established by the head.

9. In cases of recognition of state enterprise as bankrupt or application of rehabilitating procedure and appointment of temporary or bankrupt or rehabilitating administrator in the manner, established by the legislative act of the Republic of Kazakhstan on rehabilitation and bankruptcy, all his (her) powers on management shall be transferred respectively to temporary or bankrupt or rehabilitating administrator.

Footnote. Article 139 as amended by the Law of the Republic of Kazakhstan dated 07.03.2014 №177-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 13.11.2015 № 398-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2); dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.07.2018 № 171-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 140. Financing of the activities of state enterprises

1. The activity of the state enterprise shall be financed in accordance with the development plan at the expense of its own income and budget funds, received in the manner determined by the budget legislation of the Republic of Kazakhstan.

The procedure for developing and approving plans for the development of state enterprises shall be determined by the authorized state planning body.

1-1. The activity of the state enterprise, established by the National Bank of the Republic of Kazakhstan, shall be financed by its own income.

The procedure for developing and approving development plans for state-owned enterprises, created by the National Bank of the Republic of Kazakhstan, monitoring and evaluating their implementation, as well as reports on their execution shall be determined by the National Bank of the Republic of Kazakhstan.

2. The standard for deducting a portion of the net income of state enterprises, with the exception of republican state enterprises created by the National Bank of the Republic of Kazakhstan, shall be determined by the Budget Code of the Republic of Kazakhstan.

Paragraph 2 is supplemented by part two from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (for the cities of district significance, villages, townships, rural districts with population of two thousand or less people shall be enforced from 01.01.2020).

The standard for the distribution of the part of net income remaining at the disposal of republican state-owned enterprises is established by the authorized body of the relevant industry.

The procedure for distribution of net income of republican state-owned enterprises created by the National Bank of the Republic of Kazakhstan shall be determined by itself.

Passage five of paragraph 2 shall be enforced for the cities of district significance, villages, townships, rural districts with population of more than two thousand people from 01.01.2018 and for the cities of district significance, villages, townships, rural districts with population of two thousand or less people from 01.01.2020 by the Law of the Republic of Kazakhstan dated 30.11.2017 № 112-VI.

The standard of distribution of the part of net income remained at the disposal of the communal state enterprises shall be established by the local executive body or by the Akim's administration of the city of district significance, village, township, rural district.

2-1. excluded by the Law of the Republic of Kazakhstan dated 29.12.2022 № 174-VII (shall be enforced from 01.07.2023).

3. Part of the net income of state enterprises on established standards shall be credited to the relevant budget in the order provided for by the Budget Code of the Republic of Kazakhstan.

This version of part one of paragraph 4 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand

people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

4. The authorized body of the relevant branch or local executive body or the Akim’s administration of the city of district significance, village, township, rural district shall carry out control over the completeness and timeliness of the transfer of the established part of net income to the budget by the state enterprises.

State enterprises shall allocate part of the net income to the relevant budget not later than ten working days after the deadline established for submission of the declaration on corporate income tax.

If the state enterprise violates the deadline for transferring a part of net income to the relevant budget, a penalty is charged on the amount of the part of net income not paid on time in the amount of 2.5 times the base rate of the National Bank of the Republic of Kazakhstan for each day of delay.

Footnote. Article 140 as amended by the laws of the Republic of Kazakhstan dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 24.11.2015 № 422-V (shall be enforced from 01.01.2016); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2); dated 30.11.2017 № 112-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.19.2019 № 249-VI (shall be enforced from 01.08.2019) ; dated 02.01.2021 № 399-VI (shall be enforced from 01.01.2021); dated 29.12.2022 № 174-VII (shall be enforced from 01.07.2023); dated 23.02.2024 № 64-VIII (shall enter into force upon expiry of sixty calendar days after the day of its first official publication); dated 15.03.2025 № 172-VIII (effective from 01.01.2025).

Paragraph 3. State enterprise on the right of economic management

Article 141. Object of the right of economic management

1. The object of the right of economic management may be any property, unless otherwise provided for by the legislation of the Republic of Kazakhstan.

2. Managed by the state enterprise on the right of economic management may be only the property or that is necessary for the support of activities under its statutory goals, or that is the product of this activity.

Article 142. Agencies of state enterprises on the right of economic management

Agencies of the state enterprise on the right of economic management shall be its head, as well as the supervisory board in cases provided by Article 148 of this Law, or other collegial management authorities, the creation of which shall be provided by the Law of the Republic of Kazakhstan "On Education".

According to the decision of the authorized agency in the field of health care (local executive authority) in the state enterprises on the right of economic management with the supervisory board in the field of health care can be created:

1) an agency that is a collegial agency or a person solely performing the functions of an executive authority, the name of which shall be determined by the Charter of the state enterprise on the right of economic management;

2) other agencies in accordance with the Laws of the Republic of Kazakhstan and (or) the Charter of the state enterprise on the right of economic management.

Footnote. Article 142 is in the wording of the Law of the Republic of Kazakhstan dated 28.12.2018 № 208-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 143. Charter capital of state enterprise on the right of economic management

1. The size of the charter capital of state enterprise on the right of economic management shall be determined by its founder, but may not exceed the total cost of the transferred property to the state enterprise on the right of economic management and be less than ten thousand-fold of the monthly calculation index, established on the date of state registration of the state enterprise on the right of economic management.

The size of charter capital shall be stated in the charter of the state enterprise on the right of economic management.

Charter capital shall be fully formed by an owner (founder) by the moment of state registration of the state enterprise on the right of economic management.

2. If the laws of the Republic of Kazakhstan on certain types of entrepreneurial activity establish other ways of formation and the size of the charter capital, the state enterprise on the right of economic management shall form them in the size provided for by these laws of the Republic of Kazakhstan, but not less than as indicated in paragraph 1 of this Article.

Article 144. Particularities of termination of the right of economic management

1. Apart from general grounds of termination of the right of economic management, provided for by paragraph 4 of Article 128 of this law, the right of economic management shall terminate in cases of legal seizure of property from state enterprise on the right of economic management on the decision of the owner.

The cases of legal seizure in particular shall include:

1) seizure of property, that does not meet the purposes of the statutory activity of the state enterprise on the right of economic management (paragraph 2 of Article 141 of this Law);

2) seizure of excess, unused or used otherwise than as intended property.

This version of paragraph 2 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of the district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated

25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

2. In the decision on seizure of property on the right of economic management, the authorized body for state property or the local executive body or the Akim's administration of the city of district significance, village, township, rural district shall establish to the state enterprise, on the right of economic management, the terms for the maintenance and preservation of the property before its transfer to another person.

Footnote. Article 144 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2).

Article 145. Conditions of exercising of property rights of state enterprise on the right of economic management

1. State enterprise on the right of economic management shall independently manage the moveable property that is not related to basic assets, that is attached to them on right of economic management.

2. A state-owned enterprise on the right of economic management has the right, with the written consent of the authorized body for state property, on the proposal of the authorized body of the relevant industry or the local executive body or the administration of the akim of the city of district significance, village, township, rural district:

- 1) create branches, representative offices;
- 2) dispose of the shares of joint-stock companies belonging to him;
- 3) issue a surety or guarantee for the obligations of third parties.

A state enterprise on the right of economic management has the right to transfer and write off accounts receivable, provide loans only with the written consent of the authorized body of the relevant industry or local executive body or the administration of the akim of the city of district significance, village, township, rural district.

This version of paragraph 3 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

3. The money, received from transactions with the property, specified in paragraphs 1 and 2 of this Article shall be used by state enterprise on the right of economic management independently, unless otherwise provided for by the Budget Code of the Republic of Kazakhstan or by the owner (authorized body for state property, local executive body or the Akim’s administration of the city of district significance, village, township, rural district).

Footnote. Article 145 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

Article 146. Prices for goods (works, services), produced by state enterprises on the right of economic management

1. Prices for goods (works, services) produced by state enterprise on the right of economic management shall secure the full compensation of expenditure incurred for the production of the state enterprise on the right of economic management, breakeven of its activity and financing at the expense its own incomes.

This version of paragraph 2 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On State Property” dated 01.03.2011 № 413-IV).

2. Prices for goods (works, services) produced in the framework of the scope of works (services) financed from the budget shall be established by the state enterprise on the right of economic management in agreement with the authorized body of the relevant branch or local executive body or the Akim’s administration of the city of district significance, village, township, rural district.

2-1. Services of state enterprises on the right of economic management in the population employment area, provided in accordance with the Social Code of the Republic of Kazakhstan free of charge, shall be financed from the budgetary funds.

3. Prices for goods (works, services) produced and sold by the state enterprise on the right of economic management, related to the subject of natural monopoly or state monopoly, shall be established taking into account the requirements of the Entrepreneurial Code of the Republic of Kazakhstan and other laws of the Republic of Kazakhstan.

Footnote. Article 146 as amended by the Law of the Republic of Kazakhstan dated 10.29.2015 № 376-V (shall be enforced from 01.01.2016); dated 12.28.2016 № 34-VI (shall be enforced from 01.01.2017); dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2); dated 16.04.2018 № 147-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 20.04.2023 № 226-VII (shall be enforced from 01.07.2023).

Article 147. Responsibility of state enterprises on the right of economic management

State enterprise on the right of economic management shall be responsible for its obligations with all property that belong to it.

State enterprise on the right of economic management shall not be liable for obligations of the state.

This version of part three of Article 147 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

The state shall not be liable for the obligations of the state enterprise on the right of economic management, except the cases of bankruptcy, which have been caused by the actions of its founder, the authorized body for state property or the authorized body of the relevant branch, and in relation of bankruptcy of the communal state enterprise – by the actions of the local executive body or the Akim’s administration of the city of district significance, village, township, rural district. In these cases, the state shall be liable for the obligations of the state enterprise on the right of economic management if the latter's funds are insufficient to satisfy the creditors ' claims.

By the laws of the Republic of Kazakhstan may be established other cases of responsibility of the state under the obligations of the state enterprise on the right of economic management.

Footnote. Article 147 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph.1) of paragraph 1 of Art. 2).

Paragraph 4. Particularities of managing the state enterprise on the right of economic management with the supervisory board

Article 148. Managing the state enterprise on the right of economic management with the supervisory board

1. In the state enterprise on the right of economic management in the field of health care, education and science on the proposal of the authorized body of the relevant branch (local executive body) may be created a management body - supervisory board, which shall carry out general management of the enterprise, except for the decision of issues referred by this Law and (or) the charter of the state enterprise on the right of economic management in the field of health care, education and science to the exclusive competence of the executive body of the state enterprise on the right of economic management in the field of education, science and health care.

Creation of the state enterprise on the right of economic management with the supervisory board in the spheres of education, science and health care, as well as introduction of the supervisory board in the existing state enterprises on the right of economic management in the

spheres of education, science and health care shall be carried out on the basis of the decision of the Government of the Republic of Kazakhstan or local executive body.

The criteria applicable to state-owned enterprises on the right of economic management, in which Supervisory boards are created, shall be approved by the authorized body for state planning.

The number of members of the supervisory board of the state enterprise on the right of economic management shall be odd and not be less than five people, that are not closely related and properties with each other and the head of the state enterprise on the right of economic management. Members of the supervisory board shall not be included in the staff of workers of the state enterprise on the right of economic management.

Not less than thirty percent of composition of the supervisory board in state enterprises on the right of economic management in the field of health care should be independent members of the supervisory board.

The supervisory board in state-owned enterprises on the basis of the right of economic management in the field of health must include a representative of the authorized body in the field of health.

Chairman of the supervisory board shall be elected from among the members of the supervisory board by majority vote of the members of the supervisory board.

2. The procedure for the establishment of the supervisory Board, the requirements for persons elected to the supervisory board, as well as the procedure for the competitive selection of members of the supervisory board and the early termination of their powers shall be approved by the authorized body for state planning.

3. Term of authority of the supervisory board of the state enterprise on the right of economic management shall be three years.

4. Powers of a member of the supervisory board of the state enterprise on the right of economic management may be terminated in advance on the basis of his written application in accordance with the decision of the supervisory board on early termination of powers of the member of the supervisory board.

5. The authorized body of the relevant field (local executive body) shall evaluate the activities of the members of the supervisory board. Following the assessment of the activities of the members of the supervisory board the authorized body of the relevant field (local executive body) shall take the decision on payment of bonus to the members of the supervisory board. The head of the state enterprise on the right of economic management and the members of the supervisory board, that are public servants, shall not be paid any bonus. The bonus to the members of the supervisory board shall be paid from the funds of the state enterprise on the right of economic management.

The procedure for assessing the activities of the members of the Supervisory board and determining the limit for payment of remuneration to the members of the Supervisory board shall be determined by the authorized body for state planning.

6. Secretary of the supervisory board shall be an employee of the state enterprise on the right of economic management and shall not be a member of the supervisory board. Secretary of the supervisory board shall be accountable to the supervisory board, secure the preparation and holding of its meetings, formalization of materials for the meeting and for carry out control over securing of the access to the materials of the meeting of the members of the supervisory board.

Competence and activity of the secretary of the supervisory board shall be determined by internal documents of the state enterprise on the right of economic management.

7. Members of the supervisory board shall be liable to the state enterprise on the right of economic management and the authorized body of the relevant field (local executive body) for damage that caused losses to the company that has been caused by their actions (inactivity), in accordance with the laws of the Republic of Kazakhstan.

Members of the supervisory board shall be exempted from responsibility in case if they voted against the decision, that has been taken by the supervisory board, that resulted in the company's losses or did not participate in voting.

Footnote. Article 148 as amended by the Law of the Republic of Kazakhstan dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 28.12.2018 № 208-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated November 26, 2019 № 273-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 06.05.2024 № 79-VIII (shall enter into force upon expiry of ten calendar days after the date of its first official publication).

Article 148-1. Affiliated persons of a state enterprise on the right of economic management

Affiliated persons of a state enterprise with the right of economic management shall be:

- 1) close relatives, spouse, close relatives of the spouse, officials of a state enterprise on the right of economic management;
- 2) an official of a legal entity that has unfulfilled transactions with a state enterprise on the right of economic management;
- 3) an official:
 - a legal entity in relation to which the person mentioned in Subparagraph 1) of this Article shall be the founder;
 - a legal entity in relation to which an official of a state enterprise on the right of economic management shall be the founder;
 - a legal entity in relation to which the state enterprise on the right of economic management shall be the founder.

Footnote. Chapter 11 is supplemented by Article 148-1 in accordance with the Law of the Republic of Kazakhstan dated 28.12.2018 № 208-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 149. The authority of the supervisory board of the state enterprise on the right of economic management

1. The supervisory board of the state enterprise on the right of economic management shall have the following powers:

1) give an opinion letter to the authorized body of the relevant field (local executive body) on the draft of development plan of the state enterprise on the right of economic management, on introduction of amendments and additions to it;

2) approve the draft report on the implementation of the development plan, pre-approve the annual financial statement reporting of the state enterprise on the right of economic management;

3) decide on the distribution of sponsorship and charity and funds, that has been received from additional sources, including part of net income remaining at the disposal of the state enterprise on the right of economic management;

4) freely get acquainted with the documentation of the state enterprise on the right of economic management and its departments for the control of target use of budgetary funds and funds, that has been received from additional sources, and make proposals to the authorized body of the relevant field (local executive body) for the implementation of verification of the target use of specified funds;

5) coordinate proposal of the authorized body of the relevant field (local executive body) on issues of appointing of the head of the state enterprise on the right of economic management and terminating of the employment agreement with him;

6) participate in the development of the collective agreement and take decisions regarding the establishment of bonuses to the official salaries, bonus awards and material aid from additional financial sources within the funds approved by development plan to workers, head of the enterprise, his deputies, chief accountant;

7) appoint, define the term and the size of the salary of the secretary of the supervisory board, early terminate his / her powers;

8) make proposals to the authorized body of the relevant field (local executive body) on introduction of amendments and additions to the charter of the state enterprise on the right of economic management;

9) develop proposals on priority directions of activity of the state enterprise on the right of economic management;

10) make proposals to the authorized body of the relevant field (local executive body) on the participation of the state enterprise on the right of economic management in other legal entities;

11) make proposals to the authorized body of the relevant field (local executive body) on the creation and closure of branches, representative offices of the state enterprise on the right of economic management.

Whereas, in addition to the powers specified in part one of this Paragraph, the supervisory board of a state enterprise on the right of economic management in the field of health shall has the following powers:

1) approve documents regulating the internal activities of a state enterprise on the right of economic management in the field of health care;

1-1) conducts a competition for the vacant position of the head, solely performing the functions of the executive body, or the head of the collegial executive body in the manner determined by the authorized body in the field of healthcare;

2) based on the results of the competition, submit to the authorized body of the relevant industry (local executive body) a candidate for appointment as the head, solely performing the functions of the executive body, or head of the collegial executive body;

2-1) coordinates the decision of the authorized body of the relevant industry (local executive body) to terminate the employment contract with the head who solely performs the functions of the executive body, or the head of the collegial executive body;

4) determine the amount of payment for the services of an auditing organization for auditing financial statements;

5) approve the organizational structure of the state enterprise on the right of economic management in the field of health care;

a state enterprise on the right of economic management in the field of health care or its activities, constituting official, commercial or other secrets protected by Law;

7) exercise other powers provided by this Law and (or) the Charter of a state enterprise on the right of economic management in the field of health care, not related to the exclusive competence of the authorized agency of the relevant industry (local executive authority).

The delegation of powers of the supervisory board established by parts one and two of this Paragraph to the executive authority of a state enterprise on the right of economic management shall not be allowed.

2. On the request of a member of the supervisory board of the state enterprise on the right of economic management, structural units of the state enterprise on the right of economic management shall be obliged to provide information on issues related to the competence of the supervisory board

Footnote. Article 149 as amended by the Law of the Republic of Kazakhstan dated 28.12.2018 № 208-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated November 26, 2019 № 273-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 150. The order of conducting meetings of supervisory board of the state enterprise on the right of economic management

1. Meetings of supervisory board of state enterprise on the right of economic management shall be held as and when needed, but not less than once a quarter.

2. Meeting of supervisory board of state enterprise on the right of economic management may be convoked by its chairman on his own motion, at the request of the authorized body of the relevant field (local executive body), member of the supervisory board or the manager of the state enterprise on the right of economic management.

3. Regulation on the supervisory board, the order of meeting and conducting meetings of the supervisory board of the state enterprise on the right of economic management shall be approved by the authorized body of the relevant field (local executive body).

4. Meeting of supervisory board of state enterprise on the right of economic management shall be legally qualified if all members of the supervisory board of the state enterprise on the right of economic management are informed of the time and place of its conducting and at the meeting shall be present of more than half of the members of the supervisory board of the state enterprise on the right of economic management. The transfer by a member of the supervisory board of the state enterprise on the right of economic management of his/her vote to another member of the supervisory board or another individual (per procuration) shall not be allowed.

5. Each member of the supervisory board of the state enterprise on the right of economic management shall have one vote on voting. In case of equality of votes, the casting vote shall be the vote of the chairman of the supervisory board of the state enterprise on the right of economic management.

6. Decisions of the supervisory board shall be recorded in written form and shall be signed by all members of the supervisory board.

Article 150-1. The executive authority of a state enterprise on the right of economic management in the field of health care

1. The management of the current activities of a state enterprise on the right of economic management in the field of health care shall be carried out by the executive authority. The executive authority may be collegial or sole.

The executive body shall be accountable to the supervisory board.

The executive authority shall be obliged to execute the decisions of the authorized agency in the field of health care and the supervisory board.

The executive authority shall have the right to make decisions on any issues of the activity of a state enterprise on the right of economic management in the field of health care, not referred by this Law, other Laws of the Republic of Kazakhstan and the Charter of the state enterprise on the right of economic management in the field of health care to the competence of other authorities and officials of a state enterprise on the right economic management in the field of health care.

The decisions of the collegial executive authority shall be drawn up in a protocol that must be signed by all members of the executive authority present at the meeting and contain the issues put to vote, the voting results reflecting the voting results of each member of the collegial executive authority on each issue.

Transfer of the voting right by a member of the executive authority to another person, including another member of the executive authority shall not be allowed.

2. The head, solely performing the functions of the executive body, or the head of the collegial executive body, shall be appointed to the position by the authorized body of the relevant industry (local executive body) upon the recommendation of the supervisory board and upon its preliminary agreement, dismissed from office.

A member of the collegial executive body is elected and dismissed by the authorized body of the relevant industry (local executive body) upon the proposal of the head of the executive body.

The procedure for appointing, agreeing on a candidacy and carrying out certification of the head who solely performs the functions of the executive body, the head of the collegial executive body, established by paragraph 3 of Article 139 of this Law, shall not apply to a state enterprise on the basis of the right of economic management in the field of healthcare.

An employment contract with the head of the collegial executive body is concluded by the authorized body of the relevant industry (local executive body).

3. The head of the executive authority shall:

1) organize the implementation of decisions of the authorized agency in the field of health care and the supervisory board;

2) act on behalf of a state enterprise on the right of economic management in the field of health care in relations with third parties;

3) open bank accounts, issue orders and give instructions that are mandatory for all employees;

4) issue powers of attorney for the right to represent a state enterprise on the right of economic management in the field of health care in its relations with third parties;

5) accept, relocate and dismiss employees of a state enterprise on the right of economic management in the field of health care, with the exception of cases provided by this Law, apply incentive measures to them and impose disciplinary actions;

6) in the case of his absence, entrust the execution of his duties to one of the members of the executive authority;

7) allocate duties, as well as the areas of authority and responsibility between members of the executive authority;

8) carry out other functions determined by the Charter of the state enterprise on the right of economic management in the field of health care.

4. A member of the executive authority shall be entitled to work in other organizations only with the consent of the supervisory board.

The head and members of the collegial executive authority or the person solely performing the functions of the executive authority shall not be entitled to occupy the position of the head of the executive authority or the person solely performing the functions of the executive authority of another legal entity.

The functions, rights and obligations of a member of the executive authority shall be determined by the legislation of the Republic of Kazakhstan and (or) the Charter of a state enterprise on the right of economic management in the field of health care, as well as the employment contract concluded by the state enterprise on the right of economic management in the field of health care with the specified person.

Footnote. Chapter 11 is supplemented by Article 150-1 in accordance with the Law of the Republic of Kazakhstan dated 28.12.2018 № 208-VI (shall be enforced upon expiry of ten calendar days after its first official publication); as amended by the Law of the Republic of Kazakhstan dated November 26, 2019 № 273-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 150-2. Internal audit service of a state enterprise on the right of economic management in the field of health care

1. In order to monitor the effectiveness of the financial and economic activities of a state enterprise, an internal audit service may be established on the basis of the right of economic management in the field of health care by a decision of an authorized agency in the field of health care (local executive authority).

2. Employees of the internal audit service may not be elected to the supervisory board and the executive authority.

3. The internal audit service shall be directly subordinate to the supervisory board and report to it on its work.

Footnote. Chapter 11 is supplemented by Article 150-2 in accordance with the Law of the Republic of Kazakhstan dated 28.12.2018 № 208-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 151. Audit of the state enterprise on the right of economic management with supervisory board

1. State enterprise on the right of economic management with the supervisory board shall be obliged to conduct an audit of the annual financial statement.

2. Audit of the state enterprise on the right of economic management may be carried out at the instigation of the supervisory board, the head of the state enterprise, the authorized body of the relevant field (local executive body) at the expense of state enterprise.

Article 152. Conflict of interests

On taking the decision the member of the supervisory board shall be guided by the legislation of the Republic of Kazakhstan. The members of the supervisory board shall be prohibited to pursue personal interest on taking the decision, as well as personal use of commercial opportunities of the state enterprise on the right of economic management.

Paragraph 5. Public enterprise

Article 153. Disposition of property of public enterprise

A state-owned enterprise has the right to transfer and write off accounts receivable with the written consent of the authorized body of the relevant industry or local executive body or the administration of the akim of a city of district significance, a village, a township, a rural district.

Public enterprise shall independently dispose the moveable property that is not related to main assets, that is attached to him on the right of operative management.

Footnote. Article 153 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2); dated 02.01.2021 № 399-VI (shall be enforced ten calendar days after the day of its first official publication).

This version of Article 154 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On State Property” dated 01.03.2011 № 413-IV).

Article 154. The right of the state for the seizure and redistribution of property, transferred to operative management of public enterprise

1. The authorized body for state property in coordination with the authorized body of the relevant branch or the local executive body or with the consent of the local community meeting, the Akim’s administration of the city of district significance, village, township, rural district shall have the right to seize the property assigned to the public enterprise or redistribute it among other legal entities, created by it, unless otherwise provided for by the laws of the Republic of Kazakhstan.

2. In the decision on seizure of property on the right of operational management, the authorized body on state property or the local executive body or Akim's administration of the city of district significance, village, township, rural district shall have the right to establish to the public enterprise the terms of maintenance and preservation of the seized property before its transfer to another person.

Footnote. Article 154 is in the wording of the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2).

Article 155. Economic activity of public enterprise

1. Economic activity of public enterprise shall be determined by its goals and tasks that are stipulated in the charter.

2. Implementation of other economic activities shall not be allowed.

Article 156. Prices for goods (works, services), produced and sold by public enterprise

1. Prices for goods (works, services), produced and sold by the Republican public enterprise shall be established by the authorized body of the relevant field.

This version of paragraph 2 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand and less people see the archive version dated 25.12.2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

2. Prices for goods (works, services) produced and sold by a communal public enterprise shall be established by the local executive body or the Akim’s administration of the city of district significance, village, township, rural district, unless otherwise provided for by the laws of the Republic of Kazakhstan.

3. Prices for goods (works, services) produced and sold by a public enterprise, including public enterprises belonging to natural monopoly or state monopoly, shall be established taking into account the requirements of the Entrepreneurial Code of the Republic of Kazakhstan and other laws of the Republic of Kazakhstan.

Footnote. Article 156 as amended by the Law of the Republic of Kazakhstan dated 13.06.2013 №101-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 10.29.2015 № 376-V (shall be enforced from 01.01.2016); dated 12.28.2016 № 34-VI (shall be enforced from 01.01.2017); dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2).

Article 157. The charter capital of public enterprise

The charter capital of public enterprise shall be formed from the property that is received from an owner to the management for implementation of statutory activities.

Article 158. Responsibility of public enterprise

1. Public enterprise shall be responsible for its obligations in cash at its disposal.

Levy of execution to the rest of the property of the public enterprise shall not be permitted, except the cases of liquidation of this legal entity.

2. The public enterprise shall not be responsible for the obligations of the state.

3. On insufficiency of money of the public enterprise subsidiary liability on its obligations shall take the Republic of Kazakhstan or an administrative-territorial unit by funds of the relevant budget.

Paragraph 6. State institution

Article 159. Creation of state institution

This version of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of the district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

1. A republican state institution shall be created by the President of the Republic of Kazakhstan or the Government of the Republic of Kazakhstan, a communal state institution shall be created by the local executive body of the region, the city of republican significance, the capital city, district, the city of regional significance, and also in agreement with the Akim of the district (the city of regional significance) and the local communities meeting - by the Akim’s administration of the city of district significance, village, township, rural district.

2. Creation of state institution by the state jointly with the individuals and non-state legal entities shall not be allowed.

3. Particularities of creation of public institution that is state agency, and peculiarities of legal regulation of the participation of state agencies in material turnover shall be established by Articles 163 and 164 of this Law.

Footnote. Article 159 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2).

Article 160. Financing of activity of state institution

This version of paragraph 1 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 07.11.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people, see the archive version dated 25.12. 2017 of the Law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

1. The activity of a state institution shall be financed from the budget by the authorized body of the relevant branch, local executive body or the Akim's administration of the city of district significance, village, township, rural district or budget (cost estimates) of the National Bank of the Republic of Kazakhstan, unless an additional source of funding is established by the laws of the Republic of Kazakhstan.

2. Under laws of the Republic of Kazakhstan state institutions, that are not state agencies, in addition to conducting of administrative, social, cultural or other functions of non-commercial nature, may be entitled to carry out income-generating activities (rendering of charged services).

Footnote. Article 160 as amended by the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the procedure of enforcement, see subparagraph 1) of paragraph 1 of Art. 2).

Article 161. Exercise of property rights by state institution

1. A state institution, unless otherwise provided by parts two, three and four of this paragraph, shall not have the right to independently alienate or otherwise dispose of the property assigned to it and property acquired from funds allocated to it according to estimates.

State institutions of the Armed Forces of the Republic of Kazakhstan, other troops and military formations, special state bodies of the Republic of Kazakhstan have the right to transfer and redistribute property within the state body on the basis of a decision of the first head of the state body or a person authorized by him.

State institutions shall have the right, based on the decision of the first head or a person authorized by him, to transfer the property to law enforcement and special state bodies of the Republic of Kazakhstan, the Armed Forces of the Republic of Kazakhstan, other troops and military formations to take measures to prevent and eliminate an emergency situation of a social nature, as well as upon the introduction of a state of emergency or martial law in accordance with the procedure determined by the Government of the Republic of Kazakhstan.

The authorized agency in the field of the defense industry and the state defense order shall have the right to distribute to the state institutions of the recipient of the state defense order military goods (products), dual-use goods (products), military-related work and military services purchased under the state defense order.

2. Money from the sale of goods (works, services) by state institutions, which are granted the right to engage in income-generating activities by the laws of the Republic of Kazakhstan, shall be credited to the relevant budget, with the exception of money from the sale of goods (works, services) produced by state institutions in the areas of education, social protection of the population, physical education and sports, strain testing, veterinary medicine, forestry, specially protected natural areas, state institutions of special state and law enforcement bodies in the area of providing medical care within the framework of the guaranteed volume of free medical care and in the system of compulsory social health insurance, as well as state institutions of the Armed Forces, state libraries, state museums, museum-reserves and state archives, under the laws of the Republic of Kazakhstan.

3. The procedure for the transfer, sale, disposal and write-off, and also provision of property lease (rent) of real estate of special state bodies shall be determined by the Government of the Republic of Kazakhstan.

Footnote. Article 161 as amended by the Law of the Republic of Kazakhstan dated 13.02.2012 №553-IV (shall be enforced upon expiry of ten calendar days after its first official publication), 17.01.2014 №165-V (shall be enforced upon expiry of ten calendar days after its first official publication); or 30.06.2017 № 80-VI (effective from 01.01.2020); dated 18.03.2019 №237-VI (shall be enforced upon expiry of twenty one calendar days after its first

official publication); dated 28.10.2019 № 268-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated November 16, 2020 № 375-VI (shall be enforced ten calendar days after the day of its first official publication); dated 30.12.2022 № 177-VII (shall be enforced upon expiry of ten calendar days after the date of its first official publication); dated 20.04.2023 № 226-VII (shall be enforced from 01.07.2023); dated 23.12.2023 № 51-VIII (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 15.03.2025 № 172-VIII (effective from 01.01.2025).

Article 162. The right of the state to seizure and redistribution of property that has been transferred to operative management of state institution

This version of part one of Article 162 is valid from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (the current version until 01.01.2020 for the cities of district significance, villages, townships, rural districts with population of two thousand or less people see the archive version dated 25.12.2017 of the law of the Republic of Kazakhstan “On state property” dated 01.03.2011 № 413-IV).

The authorized body for state property in coordination with the authorized body of the relevant branch or local executive body or in coordination with the local community meeting, the Akim’s administration of the city of district significance, village, township, rural district shall have the right to seize the property, assigned to the state institution or redistribute it between other state legal entities, unless otherwise established by the legislation of the Republic of Kazakhstan.

Footnote. Article 162 as amended by the laws of the Republic of Kazakhstan dated 02.11.2015 № 387-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph 1) of paragraph 1 of Art. 2).

Article 163. Participation of state agencies in property relations

1. State bodies, which are defined such by virtue of the Constitution of the Republic of Kazakhstan, constitutional laws of the Republic of Kazakhstan, other laws of the Republic of Kazakhstan, decrees of the President of the Republic of Kazakhstan or resolutions of the Government of the Republic of Kazakhstan shall be recognized as state institutions if they are defined as legal entities by the legislation of the Republic of Kazakhstan and legal acts of individual application on their creation.

2. State agencies that are defined as legal entities shall be treated as state institutions in case of acting in civil law relations not on behalf of the state, and on its own behalf (make rental agreement, buy and sell of stationery, equipment, be responsible for damages in tort, make other civil law actions).

Footnote. Article 163 as amended by the Law of the Republic of Kazakhstan dated 06.04.2016 № 481-V (shall be enforced upon expiry of ten calendar days after its first official publication).

Article 164. Particularities of creation and activity of state institutions, that are state agencies

1. A state institution, which is a state body, specified in paragraph 1 of Article 163 of this Law, shall be created on the basis of the legislation of the Republic of Kazakhstan and legal acts of individual application on creation of state body and shall act on the basis of the provisions on this institution.

2. State institution, that is state agency, shall not be entitled to act on its behalf as a founder (shareholder, participant, member) of another legal entity. On the formation of state legal entities, joint stock companies and limited liability partnerships the state agencies shall be entitled to act as a founder (shareholder, participant) only on behalf of the state (the Republic of Kazakhstan or administrative-territorial unit).

3. State institutions that are state bodies, with the exception of the National Bank of the Republic of Kazakhstan, special state bodies of the Republic of Kazakhstan, are not entitled to engage in activities that generate income. The National Bank of the Republic of Kazakhstan has the right to engage in income-generating activities in the cases and in the manner provided for by the Law of the Republic of Kazakhstan “On the National Bank of the Republic of Kazakhstan”.

Special state bodies have the right to engage in income-generating activities in accordance with Article 83 of the Law of the Republic of Kazakhstan "On Special State Bodies of the Republic of Kazakhstan".

4. Competence, structure, departmental subordination and other issues, related to implementation of functions of a state body shall be determined by the legislation of the Republic of Kazakhstan and legal acts of individual application on creation of these state bodies.

Article 164 is supplemented by paragraph 4-1 from 01.01.2018 for the cities of district significance, villages, townships, rural districts with population of more than two thousand people in accordance with the Law of the Republic of Kazakhstan dated 11.07.2017 № 90-VI (for the cities of district significance, villages, townships, rural districts with population of two thousand or less people shall be enforced from 01.01.2020)

4-1. The Akim’s administration of the city of district significance, village, township, rural district shall be formed, abolished and reorganized by the local executive body of the district (the city of regional significance).

The right of ownership or other real right to property assigned to the Akim’s administration of the city of district significance, village, township, rural district, shall not be retained by its founder.

5. This Law shall apply to state institutions that are state agencies, unless otherwise provided for by law of the Republic of Kazakhstan.

Footnote. Article 164 as amended by the laws of the Republic of Kazakhstan dated 06.04.2016 № 481-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 30.06.2017 № 80-VI (effective from 01.01.2020); dated 11.07.2017 № 90-VI (for the procedure of enforcement see subparagraph1) of paragraph 1 of Art. 2).

Article 165. Responsibility of state institution

1. State institution shall be responsible for its obligations in cash at its disposal.
Levy of execution to the rest of the property of state institution shall not be allowed.
2. On insufficiency of money of the state institution subsidiary liability on its obligations shall take the Republic of Kazakhstan or an administrative-territorial unit by funds of the relevant budget.

Chapter 12. EXERCISE OF RIGHTS TO SHARES OF JOINT STOCK COMPANIES AND STAKES OF PARTICIPATING IN CHARTER CAPITAL OF LIMITED LIABILITY PARTNERSHIPS THAT BELONG TO THE STATE

Article 166. Legal regulation of the exercise of rights to shares of joint stock companies and stakes of participating in charter capital of limited liability partnerships that belong to the state

1. Legal regulation of creation of joint stock companies and limited liability partnerships with the participation of the state, the rights of shareholders (participants), educational and authorities of the management bodies of joint stock companies and limited liability partnerships with the participation of the state shall be carried out by laws of the Republic of Kazakhstan "On joint stock companies", "On limited and additional liability partnerships" and other laws of the Republic of Kazakhstan taking into account peculiarities provided for by this chapter.

2. In joint stock companies and limited liability partnerships with the participation of the Republic of Kazakhstan on behalf of the Government of the Republic of Kazakhstan, the right of shareholder (participant) to participation in the management of the joint stock company (limited liability partnership) shall carry out the authorized body on state property.

Rights of ownership and use of state block of shares (stakes of participating in charter capital), that are in the republican ownership, on decision of the Government of the Republic of Kazakhstan may be transferred by the authorized body on state property to the authorized body of the relevant field. The right of disposal of state block of shares (stakes of participating in chapter capital), that are in the republican ownership shall be remained at the authorized body on state property.

Authorized body of the relevant field, that is exercising rights of ownership and use of state block of shares (stakes of participating in chapter capital), shall represent the interests of the state as the shareholder (participant) on issues referred to the competence of the general meeting of shareholders (general meeting of participants), in accordance with the legislation of the Republic of Kazakhstan.

3. In joint stock companies and limited liability partnerships with the participation of the administrative-territorial unit the right of the administrative-territorial unit as a shareholder (participant) to participation in the management of the joint stock company (limited liability partnership) shall perform the local executive body.

4. excluded by the Law of the Republic of Kazakhstan dated 26.12.2018 № 202-VI (shall be enforced from 01.01.2020).

Footnote. Article 166 as amended by the Law of the Republic of Kazakhstan dated 28.12.2011 №524-IV (shall be enforced upon expiry of ten calendar days after its first official publication); dated 01.02.2012 №551-IV (shall be enforced upon expiry of ten calendar days after its first official publication); dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 26.12.2018 № 202-VI (shall be enforced from 01.01.2020).

Article 167. The grounds for creation of the right of the state to shares of joint stock companies and stakes of participating in charter capital of limited liability partnerships

The state shall acquire the rights to shares in joint stock companies and stakes of participating in charter capital of limited liability partnerships by the way of:

- 1) conversion of state enterprises and state institutions into the joint stock companies and limited liability partnerships;
- 2) creation by the state of joint stock companies and limited liability partnerships;
- 3) acquisition by the state of shares of joint stock companies and stakes of participating in chapter capital of the limited liability partnerships;
- 4) conversion into joint stock companies and limited liability partnerships of non-governmental profit organizations in other organizational-legal forms, stakes of participating in charter capital of that have entered into the composition of state property on the grounds provided for by Article 19 of this Law;
- 5) compulsory redemption of stakes of participating in charter capital of the limited liability partnerships in accordance with the Law of the Republic of Kazakhstan "On limited and additional liability partnerships";
- 6) implementation of the priority right to the acquisition of strategic objectives;
- 7) acquisition on the other grounds provided for by Article 19 of this Law.

Article 168. Conversion of state enterprises and state institutions into joint stock companies and limited liability partnerships

Conversion of the state enterprises and state institutions into joint stock companies and limited liability partnerships shall be made in accordance with the Civil Code of the Republic of Kazakhstan and other laws of the Republic of Kazakhstan.

Article 169. Acquisition by the state of shares of joint-stock companies and stakes in the authorized capital of limited liability partnerships, as well as other legal entities registered in accordance with the current law of the Astana International Financial Center

Footnote. The heading as amended by the Law of the Republic of Kazakhstan dated 30.12.2021 № 95-VII (shall be enforced ten calendar days after the date of its first official publication).

1. The decision on acquisition of shares of joint stock companies and stakes of participating in charter capital of the limited liability partnerships to the composition of the republican and communal property shall be adopted respectively by the Government of the Republic of Kazakhstan or by the local executive body, unless otherwise provided for by laws of the Republic of Kazakhstan.

2. Acquisition of shares of joint stock companies and stakes of participating in charter capital of the limited liability partnerships at the expense of budgetary funds shall be made in the order, provided for by the Budget Code of the Republic of Kazakhstan.

3. In case of taking decision on payment of shares of joint stock companies and the charter capital of limited liability partnerships with property, except for money, the transfer of state property shall be made under the rules of Article 114 of this Law.

4. The acquisition of shares of joint stock companies at the expense of republican budget, and also on founding the joint stock company with participation of the Republic of Kazakhstan the shares, that has come to the composition of the republican property, in the registry of holders of securities of the joint stock company shall be credited to the facial account of the authorized body on state property in the order provided for by the legislation of the Republic of Kazakhstan on equity market.

The acquisition of shares of joint stock companies at the expense of local budget funds, and also on founding joint stock company with participation of administrative-territorial unit the shares, that has come to the composition of communal property in the registry of holders of securities of the joint stock company shall be credited to the facial account of the executive body, financed from the local budget, authorized to the disposal of communal property in the order provided for by the legislation of the Republic of Kazakhstan on equity market.

5. The provisions of this article shall also apply to cases of acquisition by the state of shares, stakes, equity interests and other forms of equity participation in legal entities registered in accordance with the current law of the Astana International Financial Center.

Footnote. Article 169 as amended by the Law of the Republic of Kazakhstan dated 30.12.2021 № 95-VII (shall be enforced ten calendar days after the date of its first official publication).

Article 170. Founding by the state of joint stock companies and limited liability partnerships

1. Upon the founding by the state of joint stock companies and limited liability partnerships, their founder shall be the Republic of Kazakhstan or an administrative-territorial unit.

Footnote. Article 185 as amended by the Law of the Republic of Kazakhstan dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 24.11.2015 № 422-V (shall be enforced from 01.01.2016); dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 15.03.2025 № 172-VIII (effective from 01.01.2025).

Article 186. Implementation by the state of the rights of shareholder (participant of limited liability partnership) to acquisition part of income of joint stock company (limited liability partnership)

The authorized bodies of the relevant industry and local executive bodies exercising the rights of ownership and use of the state block of shares (participatory interests in the authorized capital) of a joint-stock company (limited liability partnership), whose sole shareholder (participant) is the state, when holding annual general meetings of shareholders (participants) in the manner established by the legislation of the Republic of Kazakhstan, shall take measures to direct part of the net income of the joint-stock company (limited liability partnership) to the payment of dividends (income) in the amount determined in the Budget Code of the Republic of Kazakhstan.

This article shall apply to cases when the state is a founder (participant, investor, shareholder, member) of legal entities registered in accordance with the current law of the Astana International Financial Center, in the part that does not contradict the acts of the Astana International Financial Center.

Footnote. Article 186 as amended by the Law of the Republic of Kazakhstan dated 29.09.2014 № 239-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 30.12.2021 № 95-VII (shall be enforced ten calendar days after the date of its first official publication); dated 15.03.2025 № 172-VIII (effective from 01.01.2025).

Chapter 12-1. Specifics of procurement of goods, works, services by national management holdings, national holdings, national companies and organizations, fifty or more percent of voting shares (stakes in the authorized capital) of which directly or indirectly belong to the national management holding, national holding, national company

Footnote. Chapter 12-1 is excluded by the Law of the Republic of Kazakhstan dated 08.06.2021 № 48-VII (effective from 01.01.2022).

SECTION 6. CIRCUMSCRIBE A RIGHT TO STRATEGIC OBJECTIVES, OWNED BY INDIVIDUALS AND NON-STATE LEGAL ENTITIES

Chapter 13. ENCUMBRANCE AND ALIENATION OF STRATEGIC OBJECTIVES, OWNED BY INDIVIDUALS AND NON-STATE LEGAL ENTITIES

Article 187. The order of encumbrance of strategic objectives, owned by individuals, non-state legal entities, rights of third parties or their alienation

1. Encumbrance of strategic objectives, owned by individuals and non-state legal entities, rights of third parties or their alienation shall be possible on the basis of decision of the Government of the Republic of Kazakhstan on granting of permission according to the procedure determined by this Article, Article 188 of this Law and the laws of the Republic of Kazakhstan.

2. The Government of the Republic of Kazakhstan shall take a decision on granting a permission to encumber strategic facilities with the rights of third parties or their alienation or refusal to issue such a permission on the basis of a sectoral conclusion of the authorized body of the relevant branch, agreed with the national security authorities.

3. Decision on refusal granting of permission to encumbrance of strategic objectives by rights of third parties or their alienation shall be taken in cases, if such encumbrance or alienation lead to a failure to comply with requirements of the legislation of the Republic of Kazakhstan, including requirements on secure of national security of the country, as well as international agreements concluded by the Republic of Kazakhstan.

Refusal on granting of permission to encumbrance or alienation of strategic objective in accordance with this paragraph may not contain a reasoned justification of reasons for refusal.

4. Refusal on granting of permission to encumbrance or alienation of strategic objective may be appealed by the proprietor (owner) of strategic objective or pledgee, bankruptcy or rehabilitation manager in accordance with the laws of the Republic of Kazakhstan.

5. Proprietor (possessor of a right) of strategic objective shall place declared shares on organized securities market on the basis of decision of the Government of the Republic of Kazakhstan on granting permission with indication of number of shares offered.

6. Further transactions with shares, specified in paragraph 5 of this Article, on organized securities market shall not require permission of the Government of the Republic of Kazakhstan, except for cases of one person or affiliated persons on organized securities market acquisition of shares that comprise more than twenty percent of the total number of voting shares of emitter.

On unorganized securities market upon transactions with shares, included in strategic objectives, permission of the Government of the Republic of Kazakhstan shall not be required in case of transactions being carried out in an amount that is not exceeding five percent of the total number of voting shares of emitter.

7. Pledgee of strategic objective, rehabilitation and bankruptcy managers shall take a decision on alienation of specified pledged property on basis of a decision of the Government of the Republic of Kazakhstan on granting permission with establishment of special conditions of alienation and the additional requirements of acquisition of strategic objective.

Alienation of pledged property on the basis of a judicial act shall be carried out under special conditions of alienation and additional requirements to the acquisition of a pledged property (strategic objective), established by the decision of the Government of the Republic of Kazakhstan.

Proposals for establishment of special conditions of alienation and additional requirements for the purchasers of a strategic object shall be submitted by the interested state bodies to the authorized body of the relevant branch.

Footnote. Article 187 as amended by the Law of the Republic of Kazakhstan dated 07.03.2014 №177-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016).

Article 188. Procedure of encumbrance of strategic objectives, owned by individuals and non-government legal entities, rights of third parties or their alienation

1. To obtain a permit for encumbrance of strategic objects or their alienation, the owner (right holder) of the strategic object shall send the following documents to the authorized body of the relevant branch:

- 1) application in the form approved by the central state planning authority;
- 2) certificate on state registration (re-registration) of a legal entity and notarized copy of the charter for legal entities;
- 3) copy of the identification document for individuals;
- 4) project of agreement under that shall be performed transaction on transfer of a strategic objective, or that shall include its encumbrance of rights of third parties;
- 5) a notarized copy of the document confirming a right of ownership or other proprietary rights to strategic objective;
- 6) report on an evaluation of strategic objective that determines its market cost, in accordance with the laws of the Republic of Kazakhstan;
- 7) information about the intended acquirer of the strategic object, up to the final purchaser ;
- 8) in case of placement of declared shares owner (possessor of a right) of a strategic objective shall also submit copies of certificate on state registration of issue of announced shares and the prospectus of issue of shares with the amendments and additions to it;
- 9) legal entities for that the laws of the Republic of Kazakhstan have established an obligatory audit, shall also submit an original or a notarized copy of an audit report for the last financial year. In case if an application is submitted in due time before 1 June of current year, an original or a notarized copy of an audit report for financial year preceding the last financial year shall be represented. An original or a notarized copy of an audit report shall not be submitted in cases if legal entity has been established in current fiscal year or legal entity has been established in the past financial year and an application has been submitted in due time before 1 June of current year;
- 10) decision of board of directors or supervisory board (upon availability);
- 11) decision of a credit committee of the bank;
- 12) confirmation on absence or availability of pledge (encumbrances) to encumber property;
- 13) a structure of owners of strategic objective in percentage;

14) in the case of finding a strategic objective in entrusted administration by a written permission of an owner of strategic objective to alienation of strategic objective or encumbrance rights of third parties with an indication of encumbering person.

Rehabilitation or bankruptcy manager shall submit the documents to an authorized agency of the relevant industry, specified in Subparagraphs 1), 2), 4), 6) and 7) of this Paragraph, as well as judicial act to be applied in respect of the debtor's rehabilitation procedure (on carrying out bankruptcy procedures), an estimated price of alienation (sale) of property and a written consent of committee of creditors on alienation or encumbrance of rights of third parties to a property of debtor (strategic object).

2. To obtain a permit for alienation of the pledged property, the pledge holder of the strategic object shall submit to the authorized body of the relevant branch the documents, specified in subparagraphs 1), 2), 4) and 6) of paragraph 1 of this Article, as well as the pledge contract, the estimated price of alienation (sale) of the pledged property, requirements to potential purchasers of the strategic object.

The bailiff, acting on the basis of a judicial act shall submit to the authorized body of the relevant branch the documents, specified in subparagraphs 1), 4) and 6) of paragraph 1 of this Article, as well as the pledge contract and (or) the judicial act, the estimated price of alienation (sale) of the pledged property, requirements to potential purchasers of the strategic object.

3. The contract, on the basis of which the strategic object is encumbered, shall necessarily contain the rights and obligations of the parties, as well as the conditions for ensuring the safety and further use of the strategic object.

In case of intention to change conditions of the contract on the basis of which the transaction on alienation of the strategic object has been made or that has caused its encumbrance, an owner (possessor of the right) of the strategic object re-apply to the authorized body of the relevant branch in the procedure, determined by this Article and Article 187 of this Law.

In case of intention of the pledge holder to carry out alienation of the pledged property (strategic object) according to the contract on the basis of which the strategic object has been encumbered, the pledge holder shall apply to the authorized body of the relevant branch in the procedure, established by paragraph 1 of this Article.

4. Consideration of applications for encumbrance of strategic objects or their alienation and adoption of decisions on them by the Government of the Republic of Kazakhstan shall be carried out within no more than forty-five working days from the date of receipt of documents to the authorized body of the relevant branch. The date of receipt of documents shall be the date of receipt of the full package of documents, specified in paragraph 1 of this Article by the authorized body of the relevant branch.

The procedure of consideration of appeals of owners (right holders) of strategic objects, rehabilitation or bankruptcy managers on encumbrance or alienation of strategic object shall be determined by the Government of the Republic of Kazakhstan.

5. Decision on granting or refusal to issue permission to encumbrance of strategic objectives shall be taken by the Government of the Republic of Kazakhstan and shall be issued in the form of resolution.

6. The authorized body of the relevant branch shall be obliged to notify the applicant on the decision made by the Government of the Republic of Kazakhstan in written form within five days from the date of the decision.

7. The authorized body of the relevant branch shall carry out monitoring of transactions on encumbrance of strategic objects by the rights of third parties or their alienation.

Footnote. Article 188 as amended by the Law of the Republic of Kazakhstan dated 24.12.2012 №60-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 07.03.2014 №177-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 04.12.2015 № 435-V (shall be enforced from 01.01.2016); dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 19.04.2023 № 223-VII (shall be enforced ten calendar days after the date of its first official publication).
