assistance to a professional athlete, as well as ensure investigation and registration of such an accident;

7) during the period of temporary suspension of sports activities of a professional athlete, professional coach and other specialist in the field of physical culture and sports caused by sports injuries, to pay them at their own expense the full amount of payments, the amount of which is provided for in the contract on sports activities;

8) to fight against the use of doping in sport and other unhealthy means and (or) methods in preparation for sports competitions and directly during participation in them;

9) to organize the promotion and popularization of sports among the population;

10) to carry out compulsory social and medical insurance of a professional athlete, professional coach and other specialist in the field of physical culture and sports in the manner, established by the legislation of the Republic of Kazakhstan;

11) to teach a professional athlete, professional coach and other specialist in the field of physical culture and sports to safe methods and techniques for labor protection and provision of first aid in case of accidents, to give instructions on labor protection, on-the-job training and to test knowledge of labor protection requirements, safe methods and techniques for performing work;

12) to train sports reserve among young people, to establish children's sports schools, to train coaches and judges in the main type of sport;

13) to perform other duties in accordance with the legislation of the Republic of Kazakhstan and constituent documents.

Chapter 7. REGULATORY REQUIREMENTS IN THE FIELD OF PHYSICAL CULTURE AND SPORTS

Article 31. Tests of the First President of the Republic of Kazakhstan - Elbasy

1. Tests of the First President of the Republic of Kazakhstan - Elbasy shall include the types of physical exercises that reflect strength, endurance, speed and agility, and consist of levels depending on the age of individuals.

2. Individuals who have no contraindications to physical culture and sports shall take part in the tests of the First President of the Republic of Kazakhstan - Elbasy.

3. Management and control over the fulfillment of the tests of the First President of the Republic of Kazakhstan - Elbasy shall be carried out by the authorized body in the field of physical culture and sports and local executive bodies.

4. The organization of work on conducting tests of the First President of the Republic of Kazakhstan - Elbasy is assigned to the heads of the general education schools, organizations of technical and vocational, post-secondary education, higher educational institutions and labor collectives.

Footnote. Article 31 is in the wording of the Law of the Republic of Kazakhstan dated 11.07.2017 № 91-VI (shall be enforced upon expiry of ten calendar days after its first official

publication); as amended by the Law of the Republic of Kazakhstan dated 30.12.2020 № 395-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).

Article 32. Athlete registration certificate

1. An athlete registration certificate shall be a document confirming his registration in a sports federation.

2. The athlete registration certificate shall include:

- 1) surname, name, patronymic (if any);
- 2) gender;
- 3) date of birth;
- 4) registration number;
- 5) the date of assignment of the registration number;
- 6) the name of the sports federation that carried out the registration;
- 7) type of sport;
- 8) information on the assignment of sports titles and sports categories;
- 9) information on passing medical examinations;
- 10) the results achieved in sports competitions;
- 11) information about disqualification;
- 12) information on cases of the use of doping;
- 13) information on state awards and other forms of encouragement;
- 14) surname, name, patronymic (if any) of the coach;
- 15) other information related to the specifics of the chosen types of sports;
- 16) photography.

3. The procedure for issuing and replacing an athlete registration certificate, submitting information to the sports federations about the athlete registration, and the form of the athlete registration certificate shall be approved by the authorized body in the field of physical culture and sports.

Article 33 Classification of athletes with disabilities, training of classifiers and sports judges in Paralympic, Deaflympics, and Special Olympic types of sport

Footnote. The heading is in the wording of the Law of the Republic of Kazakhstan dated 27.06.2022 № 129-VII (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

1. In order to create equal competitive conditions at sports competitions in Paralympic sports, the organizers shall be obliged to ensure that athletes with disabilities declared to participate in the relevant competitions are classified according to the level of their functional capabilities, including covering the costs of classifiers.

2. The procedure and conditions for the classification of athletes with disabilities shall be developed by accredited sports federations for Paralympic sports in agreement with the National Paralympic Committee of the Republic of Kazakhstan in accordance with the

requirements of the International Paralympic Committee and relevant international sports organizations for Paralympic sports.

3. The classification is performed by a classifier having an appropriate document issued by the National Paralympic Committee of the Republic of Kazakhstan.

3-1. When classifying athletes with disabilities, the organizers shall involve classifiers from the Republic of Kazakhstan or foreign countries.

4. Preparation of classifiers and sports judges in Paralympic sports shall be carried out by accredited sports federations in Paralympic sports with the participation of international experts upon the recommendation of the International Paralympic Committee or international sports organizations in Paralympic sports.

5. The training of referees for deaflympic and special Olympic sports is carried out by republican public associations for deaflympic and special Olympic sports in accordance with the plans of training seminars for the training of referees with the participation of international experts on the proposal of the International Committee of Sports for the Deaf and the International Special Olympic Committee.

Footnote. Article 33 is in the wording of the Law of the Republic of Kazakhstan dated 11.05.2017 № 65-VI (shall be enforced upon expiry of ten calendar days after its first official publication); as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication); dated 27.06.2022 № 129-VII (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 34. Recognition of types of sports and sports disciplines. Register of types of sports

1. Recognition of types of sports and sports disciplines in the Republic of Kazakhstan shall be carried out by an authorized body in the field of physical culture and sports by entering into the register of types of sports.

2. Sporting events on the territory of the Republic of Kazakhstan shall be carried out by types of sports and sports disciplines included in the register of types of sports.

Article 35. The Unified Sports Classification. Sports titles, classes of athletes and sports title of a coach. The degrees of military personnel and qualification categories of coaches, coaches-instructors, methodologists, instructors-athletes, referees

Footnote. The heading of Article 35 is as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

1. The Unified Sports Classification contains such sports titles, classes for athletes and sports titles for coaches as:

1) sports titles:

"Honored master of sports of the Republic of Kazakhstan";

sports judge.

Footnote. Article 35 is as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

Article 35-1. Deprivation of a sports title, class and qualification category

The deprivation of a sports title, class and qualification category takes place if any of the below indicated facts is established:

1) provision of inaccurate or deliberately distorted information in the documents, which were the grounds for conferring a sports title, class and qualification category;

2) violation of anti-doping rules.

Footnote. Chapter 7 is supplemented with Article 35-1 in accordance with Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

Article 36. Unified calendar of sports events

The unified calendar of sports events shall be divided into republican and regional one, and, depending on its level, shall determine the list of annual sporting events of the international, republican and local levels, as well as the preparations for sporting events.

Article 37. Rules for the type of sport

1. For each specific type of sport, the republican accredited sports federations, taking into account the requirements of international sports organizations (if available), shall develop and approve the Rules for the type of sport.

2. The Rules for military-applied and service-applied types of sports shall be developed and approved by the Defense Ministry of the Republic of Kazakhstan, law enforcement and special state bodies of the Republic of Kazakhstan.

Article 38. Rules for organizing and conducting sports and sporting events

Footnote. The title of Article 38 is in the wording of the Law of the Republic of Kazakhstan dated 22.01.2016 № 446-V (shall be enforced upon expiry of ten calendar days after its first official publication).

1. Republican sports competitions shall be held by the decision of the authorized body in the field of physical culture and sports and in agreement with the republican accredited sports

federations for types of sports in accordance with the unified republican calendar of sports events.

2. International sports competitions in the territory of the Republic of Kazakhstan shall be held by the decision of international sports organizations and the authorized body in the field of physical culture and sports. These competitions shall be included in the unified republican calendar of sporting events.

3. Regional, city and district sports competitions shall be held by the decision of the local executive bodies and in coordination with the relevant local accredited sports federations in accordance with the unified regional calendars of sporting events.

4. Sports competitions shall be held by the types of sports, included in the register of the types of sports on the basis of the provision (regulation) on the competition.

5. International sports competitions are held in accordance with the rules (regulations) for sports competitions, which are developed by republican and (or) regional accredited sports federations and approved by the authorized body for physical culture and sports.

6. Republican sports competitions are held in accordance with the rules (regulations) for sports competitions, which are approved by the authorized body for physical culture and sports.

7. Provisions (regulations) of regional, city and district sports competitions shall be developed by local accredited sports federations and shall be approved by the local executive body.

8. The procedure for holding sports events, including training camps, the list of types of sports events and their classification shall be determined by the authorized body in the field of physical culture and sports.

9. The athletes who have undergone compulsory medical examination shall have the right to participate in the training process and sports events.

10. Sports federations, head coaches shall be obliged to ensure that the organizers of sports events respect the use of state symbols of the Republic of Kazakhstan, as well as the athletes' knowledge of the musical version and text of the National Anthem of the Republic of Kazakhstan.

11. Organizers of sports and mass sports events, no later than ten calendar days before the day of the event, shall be obliged to inform local executive bodies about the expected number of spectators, for one calendar day - about the number of tickets sold, passes issued, including for vehicles, as well as parking places for special equipment of internal affairs and health authorities, vehicles of persons with disabilities.

12. Instruction on ensuring the safety of sports and sporting events, entertainment cultural events shall be approved by a joint order of the internal affairs bodies and the authorized body in the field of culture, physical culture and sports.

13. In order to organize and conduct sports and sporting events, the local executive bodies shall establish the organizational committees that coordinate the activities of organizations, involved in preparation and holding of these events.

14. Organizers of sports and sporting events shall be obliged:

1) to create conditions for the security of individuals, the safety of places for sports and sporting events, including their property, and to assist the internal affairs bodies in ensuring public order;

2) to ensure the restoration of the territory, bordering the venues of sports and sporting events in case of its violation;

3) to place the rules of conduct of the audience in the venues of sports and mass events.

15. The harm caused to individuals and legal entities during sports and sporting events shall be reimbursed in accordance with the civil legislation of the Republic of Kazakhstan.

Footnote. Article 38 as amended by the Law of the Republic of Kazakhstan dated 22.01.2016 № 446-V (shall be enforced upon expiry of ten calendar days after its first official publication); № 280-VI as of 13.12.2019 (shall be enforced ten calendar days after its first official publication); dated 27.06.2022 № 129-VII (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 39. Compliance with safety rules, protection of health of individuals during the physical education and sports, sports competitions and sports events

1. Specialists in the field of physical culture and sports during the conduct of physical education classes and sports shall ensure the compliance with the safety rules, developed and approved by the authorized body in the field of physical culture and sports.

2. The administration of organizations of physical and recreational and sports facilities shall provide the venues of trainings and sports competitions with sports gear and equipment in accordance with safety regulations, health regulations and hygienic standards and shall be responsible for damage caused to the health of individuals in accordance with the laws of the Republic of Kazakhstan.

2-1. The operation and installation of sports equipment intended for mass sports is carried out in accordance with the requirements of national standards.

3. Sports facilities intended for conducting classes and sports competitions must comply with technical, sanitary rules and hygienic standards, rules for the operation of sports facilities and fire safety, and be accessible to persons with disabilities.

4. Specialists in the field of physical culture and sports shall be responsible for the harm caused to the health of individuals engaged in physical culture and sports, in accordance with the laws of the Republic of Kazakhstan.

5. Responsibility for harm caused to the health of an athlete, coach or sports judge during sports activities in an organized form shall be established on the basis of the legislation of the Republic of Kazakhstan and the terms of the contract concluded by an athlete, coach or sports judge with a sports organization.

6. In case of detection of violations of the rules for the operation of sports facilities, places for sports and mass events and fire safety, complicating the security of individuals and participants, including in terms of dilapidation of bearing structures of the stands, placement of fuel substances and materials in the premises under the stands, the absence of emergency lighting and evacuation routes, the absence or malfunction of fire protection equipment, as well as violations of the rules for the installation and operation of electric equipment that may cause a fire, sanitary and epidemiological requirements, safety conditions for participants and spectators in the venues of sports and sporting events, the local executive authorities, upon the recommendation of the internal affairs bodies or the state body in the field of sanitary and epidemiological welfare of the population, shall prohibit such events until the identified violations of security conditions are eliminated.

7. is excluded by the Law of the Republic of Kazakhstan dated 22.01.2016 № 446-V (shall be enforced upon expiry of ten calendar days after its first official publication).

Footnote. Article 39 as amended by the Law of the Republic of Kazakhstan dated 22.01.2016 № 446-V (shall be enforced upon expiry of ten calendar days after its first official publication); dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication); dated 27.06.2022 № 129-VII (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Chapter 8. PERSONNEL, SCIENTIFIC, MEDICAL SECURITY AND DOPING CONTROL IN THE FIELD OF PHYSICAL CULTURE AND SPORT

Article 40. Training of specialists in the field of physical culture and sports

1. Training of specialists in the field of physical culture and sports shall be carried out in accordance with the legislation of the Republic of Kazakhstan on education.

2. The state shall assist in strengthening the material and technical base in educational institutions, including a set of physical and recreational and sports facilities for training purposes, a standard set of equipment, specialized sports facilities and equipment for training specialists in the field of physical culture and sports of various profiles.

3. Training of persons in specialized sports schools and at the departments of physical education shall be carried out at the expense of budget funds, funds of organizations, voluntary contributions, charitable foundations and individuals.

4. Persons with technical and professional physical culture or higher physical culture education are allowed to be coaches, coaches-instructors in the field of physical culture and sports.

to be coaches, coaches-instructors in the field of physical culture and sports after completing advanced training courses for coaches arranged by the authorized body for physical culture and sports.

5. Persons who have undergone special training in physical education and sports organizations and certified as sports judges in accordance with the legislation of the Republic of Kazakhstan shall be allowed to referee sports competitions and sports events.

6. Training and advanced training of specialists in sports medicine and adaptive physical culture and sports are carried out through educational programs of organizations of technical and vocational, post-secondary and higher and (or) postgraduate education.

Footnote. Article 40 is as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication); dated 30.12.2020 № 395-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).

Article 41. Attestation of coaches, sports judges

1. Certification of coaches for types of sports shall be a procedure for recognition and confirmation of proper qualification and knowledge of coaches in the field of the corresponding type of sport, including knowledge of safety regulations, in order to confirm the right of coaches to train the athletes.

2. Certification of sports judges shall be a procedure for recognizing and confirming the proper qualification and knowledge of sports judges in the field of the relevant type of sport in order to confirm the right to referee the sports events.

3. Excluded by the Law of the Republic of Kazakhstan dated 30.12.2020 № 395-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).

4. is excluded by the Law of the Republic of Kazakhstan dated 11.05.2017 № 65-VI (shall be enforced upon expiry of ten calendar days after its first official publication).

5. Following the results of certification of coaches and sports judges, they shall receive a certificate for a period of four years.

Footnote. Article 41 as amended by the Law of the Republic of Kazakhstan dated 11.05.2017 № 65-VI (shall be enforced upon expiry of ten calendar days after its first official publication); dated 30.12.2020 № 395-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).

Article 42. Scientific-methodical and scientific-technical support of development of physical culture and sports

1. Fundamental, search, development, technological, applied and other research projects in the field of physical culture and sports shall be carried out by scientific centers, research institutes, laboratories, educational institutions in the field of physical culture and sports, established in the prescribed manner and operating in accordance with the legislation of the Republic of Kazakhstan.

2. The authorized body in the field of physical culture and sports shall coordinate the activities of the integrated scientific groups, temporary research teams under the national teams of the Republic of Kazakhstan by sports (national teams by sports) or in subordinate organizations.

3. Local executive bodies shall coordinate the activities of regional scientific and methodological associations, integrated scientific groups.

Article 43. Medical support in the field of physical culture and sports

1. Medical support for people engaged in physical culture and sports shall include:

- 1) systematic monitoring of their health;
- 2) an assessment of the adequacy of physical activity for their health;
- 3) prevention and treatment of diseases, injuries, medical rehabilitation, fortification and provision of medicines in accordance with the regulations;
- 4) restoration of health by means and methods used in physical culture and sports.

2. Medical support for athletes, organization of medical care during sports events, the procedure for creating sports medicine organizations shall be carried out in accordance with the legislation of the Republic of Kazakhstan in the field of health care.

Article 44. Countering the use of doping in sport, doping substances and (or) methods in sports

1. Prevention of doping in sports and the fight against it shall be carried out in accordance with the anti-doping rules of the Republic of Kazakhstan and international anti-doping organizations.

2. Anti-doping rule violations include:

- 1) presence of a prohibited substance or its metabolites or markers in a sample of an athlete (an animal participating in a sports competition);
- 2) the use of or attempt to use doping;
- 3) refusal to appear for the sample collection or a failure to appear for the sample collection without good reason after receiving notification in accordance with anti-doping rules, or otherwise evading the sample collection;
- 4) violation of the requirements regarding the accessibility of an athlete for out-of-competition testing, including failure to file required whereabouts information and to appear for testing, which is scheduled on the basis of reasonable rules;
- 5) falsification or attempt to falsify in any stage of doping control;
- 6) possession of doping;
- 7) distribution of doping;
- 8) the administration of or attempt to administer a prohibited substance to any athlete (animal participating in a sporting event) or the use of or attempt to use a prohibited method to him/her/it, or assistance, encouragement, aiding, incitement, concealment or complicity in any other form, connected with violation of or any attempt to violate the anti-doping rule.

2-1. The implementation of the actions specified in subparagraphs 1), 2), 6) and 8) of paragraph 2 of this article is not an anti-doping rule violation given a permit for therapeutic use of doping issued in accordance with the international standard for the therapeutic use of prohibited substances and methods of the World Anti-Doping Agency, or the circumstances provided for by the specified international standard that allow to issue such a permit after the performance of actions specified in subparagraphs 1), 2), 6) and 8) of paragraph 2 of this article.

3. The violation of anti-doping rules by athletes, as well as coaches, specialists in sports medicine, other specialists in the field of physical culture and sports in respect of athletes, the use of doping with respect to animals participating in a sporting competition shall not be allowed.

The fact of using the doping by an athlete, as well as an animal participating in a sporting event, shall be confirmed by the results of research conducted in laboratories accredited by the World Anti-Doping Agency.

4. Doping control shall be a process that includes planning of tests, taking of samples, their storage, transportation, laboratory testing of samples, post-test procedures, and the relevant hearings and appeals.

5. The doping control procedure (testing) is carried out during the competition and out-of-competition periods. The competition period means the period of participation of an athlete and (or) an animal in a specific sporting event, unless otherwise provided for by the rules of the international sports federation of the relevant sport or another international anti-doping organization or the National Anti-Doping Organization. The time not included in the competition period is the out-of-competition period.

6. Measures to counteract the use of doping shall include:

- 1) conducting doping control;
- 2) establishing the responsibility of athletes, coaches, and other specialists in the field of physical culture and sports for violating anti-doping rules;
- 3) prevention of doping;
- 4) professional development of specialists conducting doping control;
- 5) anti-doping propaganda in the media;
- 6) conduct of research aimed at preventing doping in sport and combating it;
- 7) conduct of research on the development of tools and methods for restoring the performance of athletes;
- 8) establishing responsibility for the falsification of medicines and food additives through the inclusion of prohibited substances in their composition, the sale of such medicines and food additives, as well as for activities aimed at disseminating information about the ways, methods of development, manufacturing, use of prohibited substances and the places of their acquisition;

9) determination of the responsibility of physical culture and sports organizations for violation of the conditions of doping control provided for by the anti-doping rules;

10) implementation of international cooperation in the field of doping prevention in sport and the fight against it.

7. Organizers of sports competitions shall be obliged to provide conditions for the conduct of mandatory doping control in compliance with the requirements and decisions of international sports organizations and the legislation of the Republic of Kazakhstan.

Footnote. Article 44 is as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

Article 44-1. The National Anti-Doping Organization

The National Anti-Doping Organization is a state-owned enterprise established to prevent and combat doping in sports, and to organize doping control.

The National Anti-Doping Organization:

- 1) participates in the development of anti-doping rules;
- 2) draws up a list of athletes and (or) animals subject to doping control and registers them in accordance with anti-doping rules;
- 3) submits a list of athletes and (or) animals subject to doping control to the republican and regional accredited sports federations by types of sports;
- 4) conducts doping control in accordance with anti-doping rules;
- 5) enters information on athletes and animals participating in a sports competition into anti-doping databases;
- 6) issues a therapeutic use exemption permit;
- 7) conducts investigations and hearings concerning athletes, coaches, coaches-instructors, sports medicine specialists, other specialists in the field of physical culture and sports who are charged with anti-doping rule violation;
- 8) conveys information on possible violation of anti-doping rules, decisions made, as well as circumstances relevant to bringing guilty persons to liability, to a republican or regional accredited sports federation by types of sports, an international sports federation by types of sports, the World Anti-Doping Agency, the authorized body for physical culture and sports;
- 9) carries out the measures provided for in subparagraphs 1), 4), 6), 7) and 10) of paragraph 6 of Article 44 of this Law;
- 10) performs other functions in accordance with this Law and anti-doping rules.

Footnote. Chapter 8 is supplemented with Article 44-1 in accordance with Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

Article 44-2. Sanctions for anti-doping rule violation

1. The anti-doping rule violation entails:

- 1) disqualification of an athlete, coach, coach-instructor, sports medicine specialist, another specialist in the field of physical culture and sports.

The disqualification of an athlete, coach, coach-instructor, sports medicine specialist, another specialist in the field of physical culture and sports is carried out in accordance with international treaties ratified by the Republic of Kazakhstan;

2) cancellation of a sporting event result and deduction of qualification points or athlete points;

3) the liability of a coach, coach-instructor, sports medicine specialist, another specialist in the field of physical culture and sports;

4) the termination of payment of the monthly salary to athletes and coaches;

5) exclusion of athletes, coaches, coaches-instructors from the combined and regular national teams of the Republic of Kazakhstan by types of sports (national combined teams by types of sports), combined teams by types of sports of regions, cities of republican significance and the capital.

2. The cancellation of a sporting event result in case of the use of or attempt to use doping entails:

1) deprivation of a sports title, class, qualification category;

2) return of financial incentives by athletes and their personal coaches, head coaches of the combined teams of the Republic of Kazakhstan by types of sports (national combined teams by types of sports), except for the first coaches who at the time of receiving the financial incentive were not personal and (or) head coaches;

3) the termination of payment of monthly allowance to athletes and coaches;

4) the termination of a rental agreement with a champion or prize-winner of the Olympic, Paralympic and Deaflympic Games.

Footnote. Chapter 8 is supplemented with Article 44-2 in accordance with Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

Chapter 9. SYSTEM OF STATE SOCIAL GUARANTEES IN THE FIELD OF PHYSICAL CULTURE AND SPORTS

Article 45. Social security of athletes, coaches and members of combined teams of the Republic of Kazakhstan by types of sports (national combined teams by types of sports)

Footnote. The heading of Article 45 is as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

1. Local executive bodies, sports federations, physical education and sports organizations pay a monthly salary to outstanding athletes - Olympic champions and prize-winners, world champions who have the titles "Honored master of sports of the USSR", "Honored master of sports of the Republic of Kazakhstan", "master of sports of the USSR of international class", "master of sports of international class of the Republic of Kazakhstan", who were or are part of the national teams of the Republic of Kazakhstan by sports (national teams by sports), their

coaches, having the title of "Honored coach of the Republic of Kazakhstan" and "Honored coach of the USSR."

2. Local executive bodies, sports federations, physical education and sports organizations pay a monthly salary to the athletes who are members of the national teams of the Republic of Kazakhstan by sports (national teams by sports), their coaches, as well as athletes participating in the national teams of the Republic of Kazakhstan (national teams) in team sports, their coaches and heads of club teams.

3. The authorized body in the field of physical culture and sports shall make compensation payments to the members of the national teams of the Republic of Kazakhstan by sports (national teams by sports) when they receive sports injuries and traumas at the international competitions in the manner, prescribed by the legislation of the Republic of Kazakhstan.

4. When a higher sporting event result is awarded on the basis of the decision of the World Anti-Doping Agency, the International Olympic Committee, the International Paralympic Committee, the International Committee of Sports for the Deaf, the International Federation, it is necessary to revise the size of financial incentives paid to champions and prize-winners of international sports competitions, coaches and members of combined teams of the Republic of Kazakhstan by types of sports (national combined teams by types of sports).

5. Financial incentives to champions and prize-winners of international sports competitions, coaches and members of combined teams of the Republic of Kazakhstan by types of sports (national combined teams by types of sports) are paid at the exchange rate in effect on the day of the sports competition.

Footnote. Article 45 is as amended by Law № 280-VI of the Republic of Kazakhstan as of 13.12.2019 (shall be enforced ten calendar days after its first official publication).

Article 46. State social support for athletes and coaches

1. The state shall provide social support to athletes and coaches in the form of life-long monthly material support (hereinafter - material support), which is the monthly payments.

2. The following athletes and coaches who have a work experience of at least twenty years shall have the right to receive material support:

1) athletes who have won the titles of champions and prize-winners of the Olympic, Paralympic and Deaflympic Games and (or) world champions in Olympic sports;

2) coaches who trained athletes who have won the titles of champions and prize-winners of the Olympic, Paralympic and Deaflympic Games and (or) world champions in Olympic sports.
