Footnote. Article 7 as amended by the Law of the Republic of Kazakhstan dated 19.06.2024 № 94-VIII (shall enter into force upon expiry of sixty calendar days after the day of its first official publication).

Article 8. Public oversight and participation in the protection of children from information harmful to their health and development

1. Public control over compliance with the requirements of this Law shall be exercised by individuals and non-profit organizations in accordance with their charters.

2. Individuals and non-profit organizations shall have the right to do so:

1) Monitor the distribution of information products and children's access to information, including through the creation and maintenance of "hotlines", the use of technical, hardware and other forms of monitoring and identification of information, information products and actions of persons causing harm to the health and development of children;

2) to submit information on violations of the present Law to state bodies and local executive bodies;

3) carry out activities aimed at increasing the level of awareness of children about the opportunities, potential, risk and threats of disseminated information, as well as at training parents in the skills of monitoring minors when receiving and using information;

4) Conduct analysis of information literacy among children and parents;

5) perform other actions in accordance with the legislation of the Republic of Kazakhstan.

Chapter 3. REGULAR CLASSIFICATION, REGULAR CATEGORY AND REGULAR CATEGORY SIGN

Article 9. Age classification

1. The age classification is carried out before the beginning of distribution of information products on the territory of the Republic of Kazakhstan:

1) by the owner of information products manufactured and/or manufactured in the Republic of Kazakhstan;

2) the owner or distributor of information products imported (delivered) to the territory of the Republic of Kazakhstan.

The provisions of this paragraph shall not apply to the age classification of films.

2. The age classification shall be subject to evaluation:

1) Theme, genre, content and design of information products;

2) peculiarities of children's perception of a certain age category of information contained in information products;

3) the probability of harm to the child's health and development.

3. The age classification is carried out by assigning information products of the following age categories:

1) "Up to 6 years of age" - information products for children under the age of 6;

2) "From the age of 6" - information products for children who have reached the age of 6;

3) "From the age of 12" - information products for children who have reached the age of twelve;

4) "From the age of 14" - information products for children who have reached the age of 14;

5) "From the age of 16" - information products for children who have reached the age of 16;

6) "From the age of 18" - information products containing information prohibited for children.

4. Age classification of films is carried out in accordance with the requirements of this Law of the Republic of Kazakhstan "On Cinematography".

Footnote. Article 9 as amended by the Law of the Republic of Kazakhstan dated 26.12.2019 № 289-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 10. Information products of the age category "under 6 years"

Information products of the age category "up to 6 years" include information products containing episodic descriptions and (or) images without naturalistic descriptions and (or) images of physical and (or) mental and (or) psychological violence justified by the genre and (or) plot, provided that information products contain the idea of triumph over the evil, compassion for the victim and (or) condemnation of violence.

Article 11. Information products of the age group "from 6 years"

Information products of the age category "from 6 years old" include information products provided for in Article 10 of this Law, as well as information products that do not contain descriptions and (or) images of accidents, catastrophes, deaths and their consequences, causing fear, panic or horror in children, as well as degrading human dignity.

Article 12. Information products of the age group "from 12 years"

Information products of the age category "from 12 years old" include information products provided for by Article 11 of this Law, as well as information products containing descriptions and (or) images of accidents, catastrophes, non-violent death without description and (or) images of their consequences, which may cause fear, panic or horror in children.

Article 13. Information products of the age group "from 14 years"

Information products of the age category "from 14 years" include information products provided for by Article 12 of this Law, as well as information products containing justified genre and (or) plot:

1) episodic descriptions and (or) images of narcotic drugs, psychotropic substances, their analogues and precursors, tobacco products, alcoholic beverages with a reminder of the danger of their consumption, denouncing their attraction to them as provoking anti-social and illegal actions;

2) episodic descriptions and (or) images without naturalistic descriptions and (or) images of human death as a result of the use of force on the way of protection of human rights and legitimate interests of society and the state.

Article 14. Information products of the age group "from 16 years"

Information products of the age category "from 16 years old" include information products provided for by Article 13 of this Law, as well as information products containing justified genre and (or) plot:

1) episodic descriptions and (or) images of plots of suicide and (or) murder of a person that evoke a sense of compassion for the victims and condemnation of cruelty and violence;

2) episodic descriptions and (or) depictions of sexual relations of people, except for descriptions and (or) depictions of sexual actions.

Footnote. Article 14 as amended by the Law of the Republic of Kazakhstan dated 19.06.2024 № 94-VIII (shall enter into force upon expiry of sixty calendar days after the date of its first official publication).

Article 15. Age category sign

1. The age category sign is applied to information products or is indicated on them by the distributor by a sign:

- 1) "Up to 6 years of age" - the sign "6-" in a rhombus and/or a text warning in the form of the phrase "for children under 6 years of age";
- 2) "From the age of 6 years" - the sign "6+" in a rhombus and/or a text warning in the form of the phrase "for children who have reached the age of 6 years";
- 3) "From the age of 12 years" - the sign "12+" in a rhombus and/or a text warning in the form of the phrase "for children who have reached the age of 12 years";
- 4) "From the age of 14 years" - the sign "14+" in the form of a rhombus and/or a text warning "for children who have reached the age of 14 years";
- 5) "From the age of 16 years" - the sign "16+" in the form of a rhombus and/or a text warning "for children who have reached the age of 16 years";
- 6) "From 18 years of age" - the sign "18+" in a rhombus and/or a text warning in the form of the phrase "prohibited for children".

2. Distribution of information products without the age category mark in the territory of the Republic of Kazakhstan is prohibited, except for the following

- 1) Information, entertainment and sports television and radio programmes broadcast live;
- 2) periodicals specializing in the dissemination of information of a social and political nature;
- 3) news, information-analytical and socio-political television programs;
- 4) information products disseminated through radio broadcasting;
- 5) Advertising;
- 6) Internet resources, except for online publications.

The age category sign may be applied to the information products listed in part one of this paragraph or indicated on a voluntary basis.

2-1. The sign of the age category when distributing information products on TV channels shall be applied for the entire period of its broadcast.

3. In case of distribution of information products consisting of several parts belonging to different age categories, the age category sign shall correspond to information products for children of older age category.

4. The text warning of the age category shall correspond to the language in which the information products are distributed.

Footnote. Article 15 as amended by the Law of the Republic of Kazakhstan dated 19.06.2024 № 94-VIII (shall enter into force upon expiry of sixty calendar days after the day of its first official publication).

Chapter 4. THE TRIBUTIONS FOR INFORMATION PROJECTION

Article 16. General requirements for information and information products for children

1. Information harmful to children's health and development includes information:
 - 1) prohibited by the Constitution and laws of the Republic of Kazakhstan;
 - 2) prohibited for children by this Law;
 - 3) limited for children of certain age groups by the laws of the Republic of Kazakhstan.
2. Information prohibited for children includes information:
 - 1) encouraging children to commit actions that pose a threat to their life and (or) health, including suicide;
 - 2) provoking children to antisocial and illegal actions;
 - 3) with a special sexual and erotic nature;
 - 4) containing description and (or) depiction of sexual violence;
 - 5) containing substandard vocabulary;
 - 6) distribution of which among children is prohibited by other laws of the Republic of Kazakhstan.
3. Distribution to minors of information products containing information prohibited for children is prohibited, except for information products distributed via the Internet.

When distributing information products containing information prohibited for children to minors via the Internet, administrative, technical, software or other methods of restricting children's access to information are used.
4. Distribution of information products containing information restricted for distribution among children of certain age groups shall be allowed in accordance with the requirements of Articles 10-14 of this Law.

Footnote. Article 16 as amended by Law of the Republic of Kazakhstan dated 19.06.2024 № 94-VIII (shall enter into force upon expiry of sixty calendar days after the day of its first official publication).

Article 17. Special requirements for information products distributed through television and radio broadcasting

1. Information products containing information classified by this Law as "18 years old" shall not be distributed by means of broadcasting from 6.00 a.m. to 10.00 p.m. local time, except for information products distributed on a paid basis with the use of decoding technical devices.
2. Distribution of information products by means of radio broadcasting, except for the radio programs broadcast live, is accompanied by a report on the age category of the radio program at the beginning of its broadcast.

3. When distributing information products corresponding to Articles 10 - 14 of this Law, by means of TV and radio broadcasting at the beginning of the TV and radio program, as well as at each renewal after its interruption, the sign of age category shall be indicated or the age category shall be reported.

Article 18. Special requirements for information products distributed via telecommunication networks

Activities to provide children with access to information disseminated via telecommunications networks, including the Internet, provided by a person on a temporary basis by means of hardware and software complex and (or) technologies, shall be carried out in accordance with the legislation of the Republic of Kazakhstan.

Chapter five. FINAL PROVISIONS

Article 19. Responsibility for violation of the legislation of the Republic of Kazakhstan on the protection of children from information harmful to their health and development

Violation of the legislation of the Republic of Kazakhstan on the protection of children from information harmful to their health and development entails liability in accordance with the laws of the Republic of Kazakhstan.

Article 20. Procedure for implementation of this Law

This Law shall enter into force six months after the date of its first official publication.

The President

of the Republic of Kazakhstan

N. Nazarbaev
